- (1) Additional transferrable plot ratio is the result of increases to base plot ratio under Amendment 25 to the City Planning Scheme No. 2.
- (2) Where the transfer of plot ratio (TPR) amount is struck through, this indicates that the development approval associated with the transfer has lapsed or has been superseded by another more recent approval.

**Note:**

- (1) Where the status is shown as 'Transfer Completed', this indicates that the Local Government has received sufficient evidence that the transfer of plot ratio from a donor site to a recipient site has occurred.
- (2) Where the status is shown as 'Pending', this indicates that the development approval associated with the transfer is still current but the Local Government has yet to receive sufficient evidence that the transfer of plot ratio from a donor site to a recipient site has occurred.
- (3) Where the status is shown as 'Lapsed – Not Proceeding', this indicates that the development approval associated with the transfer has lapsed and the Local Government has not received sufficient evidence that the transfer of plot ratio has occurred.
