This statement is to be read in conjunction with the accompanying notes.

FOR THE YEAR ENDED 30TH JUNE 2020

BASIS OF PREPARATION

The budget has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations. The *Local Government (Financial Management) Regulations 1996* take precedence over Australian Accounting Standards. Regulation 16 prohibits a local government from recognising as assets Crown land that is a public thoroughfare, such as land under roads, and land not owned by but under the control or management of the local government, unless it is a golf course, showground, racecourse or recreational facility of State or regional significance. Consequently, some assets, including land under roads acquired on or after 1 July 2008, have not been recognised in this budget. This is not in accordance with the requirements of *AASB 1051 Land Under Roads* paragraph 15 and *AASB 116 Property, Plant and Equipment* paragraph 7.

Accounting policies which have been adopted in the preparation of this budget have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the budget has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the City of Perth controls resources to carry on its functions have been included in the financial statements forming part of this budget.

In the process of reporting on the local government as a single unit, all transactions and balances between those Funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements.

2018/19 ACTUAL BALANCES

Balances shown in this budget as 2018/19 Actual are estimates as forecast at the time of budget preparation and are subject to final adjustments.

CHANGE IN ACCOUNTING POLICIES

On the 1 July 2019 the following new accounting policies are to be adopted:

AASB 15 - Revenue from Contracts with Customers;

AASB 16 - Leases; and

AASB 1058 - Income of Not-for-Profit Entities.

These standards have been taken into consideration on the preparation of the budget.

KEY TERMS AND DEFINITIONS - NATURE OR TYPE

REVENUES

RATES

All rates levied under the *Local Government Act 1995*. Includes general, differential, specified area rates, minimum rates, interim rates, back rates, ex-gratia rates, less discounts offered. Exclude administration fees, interest on instalments, interest on arrears, service charges and sewerage rates.

SERVICE CHARGES

Service charges imposed under Division 6 of Part 6 of the *Local Government Act 1995.* Regulation 54 of the *Local Government (Financial Management) Regulations 1996* identifies these as television and radio broadcasting, underground electricity and neighbourhood surveillance services.

Excludes rubbish removal charges. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

PROFIT ON ASSET DISPOSAL

Profit on the disposal of assets including gains on the disposal of long term investments. Losses are disclosed under the expenditure classifications.

REVENUES (CONTINUED)

OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Refer to all amounts received as grants, subsidies and contributions that are not non-operating grants.

NON-OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

FEES AND CHARGES

Revenue (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees. Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

INTEREST EARNINGS

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

OTHER REVENUE / INCOME

Other revenue, which can not be classified under the above headings, includes dividends, discounts, and rebates. Reimbursements and recoveries should be separated by note to ensure the correct calculation of ratios.

EXPENSES

EMPLOYEE COSTS

All costs associated with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences safety expenses, medical examinations, fringe benefit tax, etc.

MATERIALS AND CONTRACTS

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses, advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc. Local governments may wish to disclose more detail such as contract services, consultancy, information technology, rental or lease expenditures.

UTILITIES (GAS, ELECTRICITY, WATER, ETC.)

Expenditures made to the respective agencies for the provision of power, gas or water. Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

INSURANCE

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

LOSS ON ASSET DISPOSAL

Loss on the disposal of fixed assets includes loss on disposal of long term investments.

DEPRECIATION ON NON-CURRENT ASSETS

Depreciation expense raised on all classes of assets.

INTEREST EXPENSES

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

OTHER EXPENDITURE

Statutory fees, taxes, provision for bad debts, member's fees or State taxes. Donations and subsidies made to community groups.

FOR THE YEAR ENDED 30TH JUNE 2020

KEY TERMS AND DEFINITIONS - REPORTING P	
In order to discharge its responsibilities to the comm	
and financial objectives. These objectives have bee	
by the City's Community Vision, and for each of its I	broad activities/programs.
OBJECTIVE GOVERNANCE	ACTIVITIES
To provide a decision making process for the efficient allocation of limited resource.	Members of Council, civic receptions and functions, public relations, electoral and other issues relating to the task of assisting Councillors and the rate payers which do not concern specific Council services.
GENERAL PURPOSE FUNDING	
To collect revenue to allow for the provision of services.	General rate revenue, penalty for late payment, ex gratia rates, rate administration fee, rate instalment fee, back rates, general purpose grants, untied road grants, interest on deferred rates, investment returns, discounts received, interest on long term borrowings.
LAW, ORDER, PUBLIC SAFETY	
To provide services to help ensure a safer and environmentally conscious community.	Fire prevention including the clearing for fire hazards, animal control, by-law control, public security, civil emergency services, park rangers, neighbourhood watch.
HEALTH	
To provide an operational framework for environmental and community health.	Preventive services including food control, health inspections, pest control, other health.
EDUCATION AND WELFARE	
To provide services to disadvantaged persons, the elderly, children and youth.	Child care centres, aged and disabled, senior citizens' centres, welfare administration, donations to welfare organisations, other welfare, education services.
HOUSING	
To provide and maintain elderly or affordable housing to residents.	Maintain and administer affordable housing.
COMMUNITY AMENITIES	
To provide services required by the community.	Rubbish collections, recycling, refuse site operations, litter control, public litter bins, abandoned vehicles, pollution control, town planning control/studies, Citiplace administration, pedestrian malls, Forrest Place, street seats, memorials, bus shelters, rest centres, public conveniences.
RECREATION AND CULTURE	
To establish and efficiently manage infrastructure and resources to help the social wellbeing of the community.	Public halls, civic centre, parks, sports grounds, community recreation programs, cycle ways, library, community arts program, Concert Hall, Perth Town Hall, donations to cultural institutions, parades and festivals, Christmas decorations, event and corporate sponsorship, Skyworks, state and precinct events.
TRANSPORT	
To provide safe, effective and efficient transport services to the community.	Roads, footpaths, rights of way, drainage, road verges, median strips, overpasses, underpasses, street lighting, street cleaning, street trees, traffic surveys, traffic management, depot operations and operation of the on-street and off-street commercial parking facilities.
ECONOMIC SERVICES	
To help promote the Capital City of Perth and improve its economic wellbeing.	Tourism and promotions, Perth Convention Bureau subsidies, building control, retail marketing, Christmas events and destination promotions.
OTHER PROPERTY AND SERVICES	
To monitor and control council's overheads operating accounts.	Public works overheads, plant/vehicle operations, sundry property and other outlays that has not assigned to one of the preceding programs.

All land (other than exempt land) in the City of Perth is rated according to its Gross Rental Value (GRV) in townsites or Unimproved Value (UV) in the remainder of the City of Perth.

The general rates detailed for the 2019/20 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of local government services/facilities.

			920,900	940,484	869,500

Objectives and Reasons for Differential Rating

To provide equity in the rating of properties across the City the following rate categories have been determined for the implementation of differential rating.

Differential general rate

Landgate Valuation Services provides the City with Gross Rental Values (GRV) on a triennial basis. The current triennial valuation has been applied since 1 July 2017 and may be adjusted with interim valuations from the same source.

An increase of 2.85% in the Rate in the Dollar for the Office, Residential and Vacant rating categories has been applied for 2019-20. An increase of 1.3% in the Rate in the Dollar has been applied for Commercial, Hotel and Retail rating categories.

The City of Perth imposes differential rates under the provisions of Section 6.33 of the Local Government Act 1995 on all rateable land within the City according to the predominant purpose for which the land is held or used, as determined by the City. The objects and reasons for the imposition of each differential general rate are:

Residential - The residential category covers properties that are used for singular and multi-dwellings. The proposed residential rate is 5.90393 cents per dollar of GRV. The residential rate is set at a relatively low level when compared to other metropolitan authorities to support the City's aim of encouraging people to reside in the City.

Commercial - The Hotel and Retail classifications have been consolidated with the Commercial classification into one ratepayer class. The category includes wholesalers, warehouses, industrial, entertainment and sporting facilities, hotels, short-stay serviced apartments, hostels, board and lodging accommodation and shops. All these assets have a common factor in being commercial operations with the object of attracting visitors and tourists to the City to contribute to city vitality. The City supports this ratepayer category to a material extent with marketing and promotional programmes. The City has set a rate for this sector at 5.63576 cents per dollar of GRV.

Office - The majority of properties within the City are used for office accommodation. The GRV of the office sector represents a large percentage of the total rateable values. The proposed rate for this sector is 4.68096 cents per dollar of GRV.

Vacant Land - The rate of 6.43702 cents per dollar of GRV applies to all vacant lands within the district.

Differential Minimum Payment

The City imposes one general minimum rate payment that applies to all rateable properties within the City. The proposed minimum payment will be \$726. The minimum payment which impacts mainly in the residential category has been maintained at a relatively low level within the metropolitan area to support

1. RATES AND SERVICE CHARGES (CONTINUED)

(e) Specified Area Rate

The City did not raise specified area rates for the year ended 30th June 2020.

(f) Service Charges

The City did not raise service charges for the year ended 30th June 2020.

(g) Rates discounts

Rate or fee to which discount is granted	2019/20 Budget	2018/19 Actual	2018/19 Budget	Circumstances in which discount is granted
	\$	\$	\$	
Heritage Rate Relief Concession *	274,050	299,959	270,000	A 10% concession of Rates will be applied to qualifying heritage properties for a period of three consecutive years (up to a maximum of \$20,000 per annum), with an extension for a further three years being possible.
	274,050	299,959	270,000	

* Owners of Heritage listed

properties under the City Planning Scheme are eligible to apply subject to the following criteria:

1. The rateable property is listed in the City of Perth City Planning Scheme as a Place of Cultural Significance;

2. There are no outstanding rates

and charges relating to the

3. Are able to demonstrate that there is an ongoing maintenance program in place for the property; and

4. The property owner signs and

Applications need to be received by 28 February and will be applied to rates in the following financial year. The rate concession applies to general rates only and not rubbish collection charges or the Emergency Services Levy.

(h) Waivers or concessions

The City does not anticipate any waivers or concessions for the year ended 30th June 2020.

2 (b). NET CURRENT ASSETS (CONTINUED)

EXPLANATION OF DIFFERENCE IN NET CURRENT ASSETS AND SURPLUS/(DEFICIT)

Operating activities excluded from budgeted deficiency

When calculating the budget deficiency for the purpose of Section 6.2 (2)(c) of the Local Government Act 1995 the following amounts have been excluded as provided by Local Government (Financial Management) Regulation 32 which will not fund the budgeted expenditure.

which will not fund the budgeted expenditure.				2018/19	
	Note	2019/20 Budget 30 June 2020	2019/20 Budget 01 July 2019	Estimated Actual 30 June 2019	2018/19 Budget 30 June 2019
		\$	\$	\$	\$

Add: Depreciation on assets	5	35,541,567	34,746,938	34,746,938	36,371,570
Non cash amounts excluded from operating activities		31,502,830	36,772,961	36,772,961	38,034,585

(iii) Reason for adjustment to Adjusted net current assets - surplus/(deficit) on 1 July 2019

The City has elected to retrospectively apply the cumulative effect of applying AASB 1058 Income of Not-for-Profit Entities at the date of initial application of the standard, being 1 July 2019. The impact of applying the standard was to recognise unspent grants and contributions for construction of recognisable non-financial assets controlled by the City as a liability. The opening budgeted surplus/deficit on 1 July 2019 has been amended accordingly from the estimated actual closing surplus/deficit.

2 (c). NET CURRENT ASSETS (CONTINUED)

SIGNIFICANT ACCOUNTING POLICIES

CURRENT AND NON-CURRENT CLASSIFICATION In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the City's operational cycle. In the case of liabilities where the City does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for sale where it is held as non-current based on the City's intentions to release for sale.

TRADE AND OTHER PAYABLES

Trade and other payables represent liabilities for goods and services provided to the City prior to the end of the financial year that are unpaid and arise when the City of Perth becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

CONTRACT ASSETS

A contract asset is the right to consideration in exchange for goods or services the entity has transferred to a customer when that right is conditioned on something other than the passage of time.

PROVISIONS

Provisions are recognised when the City has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

INVENTORIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Superannuation

The City of Perth contributes to a number of superannuation funds on behalf of employees.

All funds to which the City of Perth contributes are defined contribution plans.

TRADE AND OTHER RECEIVABLES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

CONTRACT LIABILITIES

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer. Grants to acquire or construct recognisable non-financial assets to be controlled by the City are recognised as a liability until such time as the City satisfies its obligations under the agreement.

EMPLOYEE BENEFITS Short-term employee benefits

Provision is made for the City of Perth's obligations for short-term employee benefits. Short term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee

benefits are measured at the (undiscounted) amounts

expected to be paid when the obligation is settled.

The City of Perth's obligations for

short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position. The City of Perth's obligations for

employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

LAND HELD FOR RESALE

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for sale is classified as current except where it is held as non-current based on Council's intentions to release for sale.

3. RECONCILIATION OF CASH

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Estimated cash at the end of the reporting period is as follows:

	2019/20	2018/19	2018/19

SIGNIFICANT ACCOUNTING POLICIES

DEPRECIATION

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Major depreciation periods used for each class of depreciable asset are:

DEPRECIATION (CONTINUED)

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in profit or loss in the period which they arise.

RECOGNITION OF ASSETS

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with Financial Management Regulation 17A (5). These assets are expensed immediately.

SIGNIFICANT ACCOUNTING POLICIES

BORROWING COSTS

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

7 CASH BACKED RESERVES (Continued)

(b) Cash Backed Reserves - Purposes

In accordance with Council resolutions in relation to each reserve account, the purpose for which the reserves are set aside are as follows:

Reserve name	Purpose of the reserve
Refuse Disposal and Treatment	The purpose of this reserve is to allow for the development, construction and purchase of facilities and plant for the treatment, transportation and disposal of non-industrial refuse. It is also utilised to assist with the phasing in of significant increases in standard rubbish service charges anticipated when recycling processes are extended.
Concert Hall - Refurbishment and Maint.	This reserve, originally set up in 1972, provides for the future maintenance of the Perth Concert Hall and the replacement of existing plant, furniture and carpets. The reserve also accommodates provision for the design and construction of the new WASO facility.
Asset Enhancement	This reserve was established in 1998 to fund future capital expenditure for the replacement and enhancement of City assets and smooth the impact of the capital cost in any one rating year. The purpose and title of this reserve was changed from 1 July 2003 to allow for the use of these reserve funds in future financial years for the enhancement, replacement, refurbishment and purchase of new assets or project works of the City. Additional to this purpose is that project works funded from this Reserve may not necessarily belong to the City but may be carried out for the ultimate benefit of the City. For administrative efficiency, this reserve will incorporate the Street Furniture Replacement Reserve from July 2019.
Street Furniture Replacement	This reserve was established in 1999 from proceeds received from the sale of a street furniture contract negotiated by the City with Adshel. Funds held are designated to be used for the purchase and improvement of the City's street furniture, including water features. For administrative efficiency, this reserve is being incorporated into the Asset Enhancement Reserve from July 2019.
Parking Levy	This reserve was established in 2013 to set aside funds to meet the State Government's Parking Levy.
Art Acquisition	This Reserve was established in 1999 to fund future additions to the art collection of the City. It is generally funded from the proceeds of sale of artworks and the transfer of the unexpended annual allocation for art acquisitions.
Heritage Incentive	This reserve was established in 2000 to fund heritage incentives to benefit properties on the City of Perth's heritage register.
Parking Facilities Development	This reserve was established to enable parking facilities within the City and parking equipment to be developed and purchased. For administrative efficiency, this reserve will incorporate the Perth Convention Exhibition Centre Car Park - Fixed Plant Replacement from July 2019.
Employee Entitlements	This reserve was established in 2013 to fund the non-current portion of employee entitlements for Long Service Leave. During 2015 the purpose of this reserve was changed to include the non current portion for Annual Leave entitlements.
David Jones Bridge	This reserve was established in 2003 to fund major repairs, renovations or replacement of the pedestrian bridge over Murray Street Mall between David Jones and Forrest Chase. The allocations to this reserve are the unexpended maintenance contribution from the owner of the David Jones site at the end of each financial year.
Bonus Plot Ratio	This reserve was established in 2005 to hold contributions in respect of Bonus Plot Ratio entitlements pending expenditure on streetscape improvements and/or public art.
Perth Convention Exhibition Centre Car Park - Fixed Plant Replacement	This reserve was established to provide for the future replacement of existing fixed plant, not owned by the City but which the City consumes and is obliged to replace, at the Perth Convention Exhibition Centre Car Park. For administrative efficiency, this reserve is being incorporated into the Parking Facilities Development Reserve from July 2019.
Enterprise and Initative	This reserve was established in 2014 and is to be funded from proceeds of sales of land developed by the Tamala Park Regional Council and marketed as 'Catalina Estate', Clarkson. The purpose of the reserve is to fund future strategic projects to introduce and improve efficiencies and effectiveness in the City.
Provisional Capital Program	This reserve is established to match delivery capacity with the proposed Capital Program. As projects are completed, this reserve will be drawn down to fund Capital programs expected to occur later in the year.
Organisational Reform	This reserve is established to fund the anticipated costs of the City of Perth Inquiry and to provide funding towards corporate recovery, organisational development and capacity building.
Technology Upgrades Reserve	This reserve is established to provide funding to enhance the City's core technology systems to facilitate service based resource allocation models and more transparent reporting of financial performance.
Major Infrastructure Projects Reserve	This reserve is established to provide funding flexibility to allow the accelerated delivery of large multi-year infrastructure projects where delivery synergies and cost savings can be gained through aggregation of project stages.
Council House Refurbishment Reserve	This reserve is established to fund future refurbishment to Council House to optimise use of the available floor space.

11. SUPERANNUATION

The City of Perth complies with the minimum obligations under federal law and contributes in respect of its employees to one of the following superannuation plans:

(a) W.A. Local Government Superannuation Plan (W.A. Super)

Accumulation Members

The City contributes in respect of certain of its employees to an accumulated benefit superannuation fund established in respect of all Local Governments in the State. In accordance with statutory requirements, the City contributes to the W.A. Local Government Superannuation Plan (WASuper) amounts nominated by the Council. As such, assets are accumulated in the WASuper to meet members' benefits as they accrue. The latest available audited financial report of the plan, which was not subject to any audit qualification, indicates that the assets of the plan are sufficient to meet accrued benefits.

(b) City Of Perth Superannuation Plan (CPSP)

Defined Benefit Members

The City contributes in respect of certain of its employees to a defined benefit superannuation fund established for the employees of the City of Perth and known as the City of Perth Superannuation Plan (CPSP). In accordance with statutory requirements, the City contributes to the plan amounts determined by the plan actuary. As such, assets are accumulated in the plan to meet members' benefits as they accrue. The latest available audited financial report of the plan, which was not subject to any audit qualification, indicates that the assets of the plan are sufficient to meet accrued benefits.

The plan has a number of different participating employers contributing to the defined benefit section of the plan and as such is accounted for as a defined contribution plan.

The defined benefit section of the plan was closed to the admission of new members from 1 July 2009.

On 31 March 2016 plan assets relating to defined benefit members was transferred from Australian Super to Equipsuper Pty Ltd. An actuarial investigation of the Plan as at 30 June 2016 was completed by the Heron Partnership in March 2017. It was agreed that it would be appropriate to continue the reduced employer contributions for defined benefit members to the Superannuation Guarantee (SG) Rate (currently 9.5%) from July 2016 until at least the completion of the next actuarial investigation with an effective date of 30 June 2019 (due no later than 31 December 2019).

Accumulation Members

The City contributes in respect of certain of its employees to an accumulated benefit superannuation fund for the employees of the City of Perth and known as the City of Perth Superannuation Plan (CPSP). In accordance with statutory requirements, the City contributes to the CPSP amounts nominated by the Council. As such, assets are accumulated in the CPSP to meet members' benefits as they accrue. The latest available audited financial report of the plan, which was not subject to any audit qualification, indicates that the assets of the plan are sufficient to meet accrued benefits.

Effective 1 July 2009 the City of Perth Superannuation Fund was subsumed into an industry fund Australian Super, operated by the trustee Australian Super Pty Ltd.

Due to changes in legislation impacting on superannuation, Australian Super has moved accumulated members into a new fund called My Super. This fund is part of Australian Super. The change was implemented for both legislative reasons and to take advantage of lower member fees.
