Policy

Policy No and Name: 10.12 – Provision of Hospitality

DETAILS:

The Council House Dining Room is available for use by Elected Members in accordance with Policy 10.12 - Provision of Hospitality that includes its use from 12.30pm to 3.30pm on Fridays and 7.30pm to 10.30pm one Saturday per month with the exception of the second Friday of each month being a dinner.

The final operating day for the dining room will be Dinner on Friday, 11 December 2015. The dining room will reopen on Friday, 8 January 2016 for Dinner.

The Good Friday Public Holiday is on Friday, 25 March 2016 and it is proposed to reschedule the lunch to Thursday, 24 March 2016.

It is also proposed that the dinner on Saturday, 26 March 2016, during the Easter break, be cancelled.

FINANCIAL IMPLICATIONS:

There are no significant financial implications related to this report.

COMMENTS:

Changing the dates on which the Dining Room is available for use by Elected Members in 2016 as proposed will facilitate use of this venue in accordance with Council Policy 10.12 – Provision of Hospitality.

In accordance with Council Policy 10.12 – Provision of Hospitality, it is requested that the Finance and Administration Committee approves this request.

Moved by Cr Yong, seconded by Cr Butler

That Council:

- 1. approves the closure of the Council House Dining Room from Saturday, 12 December 2015 to Sunday, 3 January 2016;***
- 2. approves the lunch on Friday, 25 March 2016 being rescheduled to Thursday, 24 March 2016; and***
- 3. approves the Dinner on Saturday, 26 March 2016, during the Easter break, being cancelled.***

The motion was put and carried

The votes were recorded as follows:

For: Crs Davidson, Butler and Yong

**FA189/15 2016 CITY OF PERTH PHOTOGRAPHIC COMMISSIONS
SELECTION**

BACKGROUND:

FILE REFERENCE:	P1031593#04
REPORTING UNIT:	Community Facilities
RESPONSIBLE DIRECTORATE:	Economic Development and Activation
DATE:	22 September 2015
MAP / SCHEDULE:	N/A

At its meeting held **21 July 2015** the following was carried by Council:

"That Council:

- 1. notes the increase in commission fees for two Photographic Commissions to \$15,000 per commission depicting the city to be undertaken in 2015/16 and continuing thereafter every three to five years;*
- 2. approves the themes for the Photographic Commissions as detailed in this report;*

3. *nominates Elected Member Cr Rob Butler to represent Council on the selection panel for the 2016 Photographic Commission;*
4. *requests that an Elected Member Briefing session be arranged to provide information regarding the photographic commissions that were undertaken in 2009 and 2012 depicting the development of the architectural elements of the city."*

On 1 September 2015 an Elected Member Briefing session was delivered providing information regarding the photographic commissions that were undertaken in 2009 and 2012 depicting the development of the architectural elements of the city.

As per the selection process outlined in the report to Council on 21 July 2015, the Art Curator devised a list of photographers who were invited to submit a proposal in response to the commission brief. A selection panel was formed which was made up of an Elected Member, a City of Perth representative and two industry professionals.

The Selection Panel met at 9:00am on Friday, 4 September 2015 to assess the proposals and the recommendations of the panel are detailed in the body of this report.

As the commissions result in the purchase of works of art approval from the Finance and Administration Committee is sought to commission the photographers recommended by the Selection Panel in accordance with the Delegated Authority register 2015/16.

This was reported to the Finance and Administration Committee meeting held Tuesday, 15 September 2015.

At the Finance and Administration Committee meeting held 15 September 2015 it was resolved:

"That the Finance and Administration Committee agreed to defer consideration of the report titled 2016 City of Perth Photographic Commissions Selection, to enable further consideration of the Architectural Photographic Commission in consultation with the History Centre to ensure it aligns more appropriately with Councils initial vision."

DETAILS:

City of Perth History Centre Photographic Streetscape Documentation Project

In 2012 the City of Perth History Centre began a photographic streetscape documentation project to create a historical record of streets within the City of Perth to capture changes that are occurring over time and street by street. The objective for this project is to provide a visual historical record which will be useful for researchers as well as those people interested in the history of the city. This project is currently being carried out at a cost of \$5,000 per annum and the photographer is about to enter a new cycle of capturing views across the city.

The photographers brief is to attempt to capture the streets including the buildings, vehicles and people moving about in their day to day business. The photographs can be taken from a balcony, a roof top or from ground level. The city skyline is captured from various vantage points including from East Perth and Kings Park. Future skyline views can be captured from South Perth to compare this view of the city with one captured in 2009. It is understood that not all of the streets within the city can be photographed during a single financial year and as such a photographer is contracted annually to cover the city over a three to five year period. At the end of this period a photographer will revisit the locations to capture a time lapse view of the city streets. Comprehensive notes are recorded with the photographs to identify the location, the direction the photographs are taken as well as the date that the photograph is taken.

The photographer for the History Centre Photographic Streetscape Documentation project is instructed to capture specific views and precincts. This includes locations that allow for contemporary views that reference historical photographs in the History Centre Collection.

As noted in the Elected Members briefing session held 4 September 2015, the City of Perth History Centre will incorporate contemporary photographs of views captured through previous City of Perth Architectural Photographic Commissions in the photographic streetscape documentation project where the photographer is able to gain access to relevant sites.

Views of Perth from the Perth Town Hall clock tower have been captured as far back as the 1870s. Two such views were included in the 2009 Architectural Photographic Commission. Access to the clock tower is limited as it requires the photographer to have an induction and supervision from Perth Town Hall staff and also to be able to work harnessed at heights. As such it is recommended that views from this site be captured every three to five years within the History Centre Photographic

Streetscape Project with a separate photographer engaged for the clock tower site given the difficulty when accessing this location.

2016 City of Perth Photographic Commissions

At its meeting held 4 September 2015 the 2016 City of Perth Photographic Commissions Selection Panel assessed the submissions made by photographers who had been invited to express interest in the commission project. The panel assessed the project proposals against four selection criteria, those being Artistic Excellent, Response to the Brief, Material Quality and Risk, and Demonstration of Capacity. The photographers recommended to be commissioned are detailed below.

2016 Artistic Photographic Commission

It is recommended that photographer Graham Miller be commissioned to carry out the 2016 Artistic Photographic Commission which will result in the acquisition of a series of 10 single edition photographic works of art.

Graham Miller's work has a cinematic quality with the composition of each photograph carefully considered to capture a particular moment. Viewers are often prompted to consider what may have occurred the moments just prior to or after the photographs were taken. His portrait work takes in the context of the subject's surroundings allowing the environment and ambience to give clues to the narrative that the photograph is portraying.

Miller has proposed to photograph a wide view of city spaces populated by its inhabitants. His work will show the social interactions and activities of people in Perth within the context of the city environment. The landscape will loom large and the people within Perth will be visible within the larger context of the cityscape. The locations depicted will be integral to the works with the culture of the city being articulated through a series that shows both work and play as being integral to the culture of Perth.

Graham Miller demonstrated that the resulting works would be unique and engaging while also addressing the project brief. He has experience delivering projects of a similar nature and produces work to archival standard.

Graham Miller is a highly regarded photographer who has been exhibiting nationally and internationally for over 15 years. He has exhibited in solo and group exhibitions at galleries such as the Perth Institute of Contemporary, Perth Centre for Photography, Australian Centre for Photography in Sydney, Rayko Photo Centre in San Francisco USA, Museum of Art Rhode Island USA, National Gallery of Victoria, and the Art Gallery of Western Australia.

Graham Miller has a solo exhibition scheduled at the Art Gallery of Western Australia in late 2015 as a part of their WA Focus series. He has work in the collections of the National Gallery of Victoria, Artbank, State Art Collection at the Art Gallery of Western Australia, Parliament House Collection Canberra, Murdoch University

Collection, Edith Cowan University Collection, Royal Perth Hospital Collection and numerous private collections in Australia and internationally.

The City of Perth does not currently own any works by Graham Miller and the acquisition of his work through the 2016 City of Perth Artistic Photographic Commissions will be an important addition to the City's cultural assets by depicting the social and cultural dynamic of Perth within the context of the city environment. His work will relate to and complement other works in the collection by artists such as Brad Rimmer, Max Pam, Kevin Ballantine, Max Dupain and Frederick Flood.

The commission and resulting acquisition recommendation is made in accordance with Council Policy 18.2 Collection Management and meets the acquisition criteria outlined as follows.

Essential Acquisition Criteria

In order to be considered for the Art Collection all items must meet the essential acquisition criteria as follows.

Criteria	Reason for Proposed Acquisition
Enhance the current scope of the Collection.	As outlined above, these works will enhance the City's holdings of photographic works on paper by Western Australian contemporary artists as well as add to the representation works depicting social aspects of the city at this moment in time and the evolution of Perth generally.
Be an unconditional donation or purchase.	These commissioned works will result in an unconditional purchase.
Have the capacity to be placed on display without hindrance to public access or safety, and without breaching the artist's moral rights.	The works will be two-dimensional and will be able to be safely displayed in a variety of locations within Council buildings.
Have the necessary resources allocated to resolve all foreseeable issues related to conservation, presentation and storage, as part of the acquisition.	The City budgets for the operational expenses associated with caring for its cultural assets including the Art Collection. <u>Conservation</u> – These will be new contemporary works of art without any immediate major conservation issues evident. <u>Display</u> – The works will be mounted framed for display. <u>Storage</u> - The City of Perth has a climate controlled storage facility for works of art that are not on display. These works will fit within this facility at the current time.
Be a quality example that will be a significant addition to the	As outlined above, the works proposed by the artist for the commission will result a quality

Criteria	Reason for Proposed Acquisition
Collection.	demonstration of the artist's practice and will make an important addition to the Collection.
Fit within the guidelines provided in the priority areas for art acquisition.	The 2011 Art Collection Audit Survey Report outlined: 'The representation of contemporary artworks in the Collection requires ongoing strengthening with acquisition of artworks by established artists as they become available through exhibitions, dealers or artists self-representing.' This artwork meets this criterion.

Specific Acquisition Criteria - Art Collection

Artwork recommended for acquisition is required to meet **one or more** of the following priorities.

Criteria	Reason for Proposed Acquisition
Represent significant periods, occasions and urban initiatives in the evolution of the city, and city life.	Being a direct commission by the City of Perth carried out in line with a project brief which defines themes relevant to the city, the commission and acquisition of 10 photographic works by Graham Miller will represent the city at this moment in time and become an artistic record of the evolution of Perth both socially and physically.
Build upon the strengths of existing holdings of the Art Collection.	As outlined above, these works of art connect on various levels with works in the Collection by artists such as Brad Rimmer, Max Pam, Kevin Ballantine, Max Dupain and Frederick Flood.
Represent the artistic practice of emerging and established Western Australian artists or artists residing in Western Australia who have received acclaim for their work locally, nationally and internationally.	The artist is an established Western Australian contemporary artist having exhibited at leading galleries in Perth as well as interstate and internationally. His work is included in the collections of several important cultural institutions.
Represent contemporary art practice and support the work of new artists and recent work by established artists.	By commissioning a contemporary artist to carry out this commission the City is supporting the creation of new work by an established Western Australian artist.
Strengthen and add to an existing series of works.	Not Applicable.
Build on identifiable themes within the whole Collection.	The artist recommended to be commissioned for the 2016 Artistic Photographic Commission has proposed to produce a series of works which will build on identifiable themes within the collection of contemporary photographic series, works that

Criteria	Reason for Proposed Acquisition
	consider social interaction in the city environment and the landscape of Perth.
Be informed by or identifiably associated with the City of Perth.	As the artist will be fulfilling a project brief addressing themes identified by the City of Perth the resulting works will be informed by and identifiably associated with the City of Perth.

2016 Architectural Photographic Commission

It is recommended that photographer Jacqueline Ball be commissioned to carry out the 2016 Architectural Photographic Commission which will result in the acquisition of a series of 10 single edition photographic works of art.

Jacqueline Ball's photographic work prompts consideration of the relationship between the viewer and the physical world in which they inhabit. Ball has proposed to photograph the city in a manner that shows a sublime view of Perth's architecture that is rich in colour and evokes a sense of possibility and vitality. She will photograph public and privately owned everyday spaces of the city in views that capture interior and exterior architectural environments.

There will be a focus on change and development with areas of current and future change being captured. The working, residential and social spaces of the city will also be considered with the various types of land use being captured in proximity to one another. Heritage structures will also be considered in the works by showing the variations in materials, colours and forms that make up the architecture of Perth with each denoting a different era of development in Perth.

The use of light and reflection will show the city as a layered environment of built form that is diverse in its functions (residential, business, social, travel and recreational) and materiality (glass, concrete, metal, sand and plastic for example).

Jacqueline Ball demonstrated that the resulting works would be striking and innovative while also addressing the project brief. She has experience delivering projects of a similar nature and produces work to archival standard.

Jacqueline Ball has been exhibiting nationally and internationally since 2007 including exhibitions at galleries such as the Art Gallery of Western Australia, the Royal Melbourne Institute of Technology, Monster Valley Gallery in New Zealand, Galerie Pavolva in Berlin Germany, Lawrence Wilson Art Gallery at UWA, Queensland Centre for Photograph, Museum of Contemporary Art in Sydney, and Perth Centre for Photography. In that short time Ball has had work acquired by numerous public and private collections including the Art Gallery of New South Wales, Art Gallery of Western Australia, Kerry Stokes Collection, Artbank, University of Western Australia, Wesfarmers, and the Central Institute of Technology Collection.

The City of Perth does not currently own any works by Jacqueline Ball and the acquisition of her work through the 2016 City of Perth Architectural Photographic Commissions will be an important addition to the City's cultural assets that depict and consider the changing built environment of Perth. Her work will relate to and complement other works in the collection by artists such as Brad Rimmer, Max Pam, Juha Tolonen, Max Dupain, Christopher Young, Simon Westlake and Frederick Flood.

The commission and resulting acquisition recommendation is made in accordance with Council Policy 18.2 Collection Management and meets the acquisition criteria outlined as follows.

Essential Acquisition Criteria

In order to be considered for the Art Collection all items must meet the essential acquisition criteria as follows.

Criteria	Reason for Proposed Acquisition
Enhance the current scope of the Collection.	As outlined above, these works will enhance the City's holdings of photographic works on paper by Western Australian contemporary artists as well as add to the representation works depicting the built space of Perth at this moment in time and the evolution of Perth generally.

BUDGET PAGE NUMBER:	17
BUDGETED AMOUNT:	\$30,000
AMOUNT SPENT TO DATE:	\$ 0
PROPOSED COST:	\$30,000
BALANCE:	\$ 0

All figures quoted in this report are exclusive of GST.

COMMENTS:

The City of Perth History Centre Photographic Streetscape Documentation Project allows the City to develop its archive of imagery that describes the changing city environment over time. The documentary nature of this project allows the City to prescribe specific views to be captured for visual historical archive and future research purposes. The addition of contemporary images of views captured in the 2009 Photographic Commission and also views from the Perth Town Hall clock tower to the History Centre project will allow the city to add significant views to its comprehensive archive of photographs of the city of Perth.

The City of Perth Photographic Commissions provides a valuable collection development opportunity by inviting photographers to capture and consider the city environment in order to create a visual and artistic record of the physical and social elements of Perth at a particular moment in time. The resulting works are created to fulfil a specific project brief and form an important part of the City of Perth Art Collection. These works can be displayed throughout council buildings and interpreted within collection exhibitions addressing a variety of themes and concepts.

Photographers Graham Miller and Jacqueline Ball have vast experience in the field of contemporary photography and will each provide a valuable addition to the City of Perth Art Collection through the 2016 City of Perth Photographic Commissions.

As per previous Photographic Commissions, the resulting commissioned works will be exhibited from 16 September 2016 to 2 December 2016 in the foyer of Council House and included in an exhibition catalogue.

OFFICER RECOMMENDATION

That Council approves:

1. the City of Perth History Centre to include relevant views from the 2009 Architectural-Photographic Commission in the current Photographic Streetscape Documentation Project;
2. the 2016 City of Perth Photographic Commissions Selection Panel recommendation to commission photographer Graham Miller to carry out the 2016 Artistic Photographic Commission at a cost of \$15,000 (excluding GST); and
3. the 2016 City of Perth Photographic Commissions Selection Panel recommendation to commission photographer Jacqueline Ball to carry out the 2016 Architectural Photographic Commission at a cost of \$15,000 (excluding GST).

The Finance and Administration Committee agreed to amend the Officer Recommendation as follows:

That Council approves:

1. the City of Perth History Centre to include relevant views from the 2009 ~~Architectural~~ Historic Photographic Commission in the current Photographic Streetscape Documentation Project;
2. the 2016 City of Perth Photographic Commissions Selection Panel recommendation to commission photographer Graham Miller to carry out the 2016 Artistic Photographic Commission at a cost of \$15,000 (excluding GST); and
3. the 2016 City of Perth Photographic Commissions Selection Panel recommendation to commission photographer Jacqueline Ball to carry out the 2016 ~~Architectural~~ Contemporary Photographic Commission at a cost of \$15,000 (excluding GST).

PRIMARY MOTION AS AMENDED was put

Moved by Cr Butler, seconded by Cr Yong

That Council approves:

1. ***the City of Perth History Centre to include relevant views from the 2009 Historic Photographic Commission in the current Photographic Streetscape Documentation Project;***

(Cont'd)

- 2. the 2016 City of Perth Photographic Commissions Selection Panel recommendation to commission photographer Graham Miller to carry out the 2016 Artistic Photographic Commission at a cost of \$15,000 (excluding GST); and**
- 3. the 2016 City of Perth Photographic Commissions Selection Panel recommendation to commission photographer Jacqueline Ball to carry out the 2016 Contemporary Photographic Commission at a cost of \$15,000 (excluding GST).**

The motion was put and carried

The votes were recorded as follows:

For: Crs Davidson, Butler and Yong

Against: Nil

Reason: The Finance and Administration Committee considered it appropriate to change the titles of the 2009 and 2016 Photographic Commissions to better reflect what the commission's represent.

In September 2000 the City entered into a new lease with Racing and Wagering Western Australia for a period of five years with two options for a further five years each.

The last of these options expires on 31 August 2015 and Racing and Wagering Western Australia has expressed its desire to enter into a new lease for a similar term.

DETAILS:

The City conducted enquiries to determine potential from a range of businesses, predominantly food and beverage providers with nearly 50 companies being contacted. Whilst there was initially a positive reaction to the proposition from a number of companies, none actually downloaded the Expression of Interest documents or submitted a proposal. This was despite them being directly contacted to inform them of the details and release information.

Alternative industries that could be considered for this unit are:

- Food and Beverage;
- Creative Industries;
- Co working / Incubator;
- Retail;
- Community;
- Not for profit; and
- Office.

With each of these, it was considered that none were entirely appropriate at the present time when considering the street from an activation perspective in terms of the opening hours, required level of investment in fit-out and accompanying rent free period. Rental levels and also the € presentation were also considered.

With each of the above alternatives it was considered that a subsidy would be required against the achievable level of rent which has been offered and matches the current market valuation which is held by the City. The precise level of rent subsidy that may be required in order to encourage occupation by another is not known, but may be as much as 100% if community or not for profit uses were to be considered, equating to forgone income of \$118,000 per annum.

The current market for attracting new tenancies is also not vibrant at present. Data from Economic Development shows us that vacancy rates in the office market space are anecdotally headed towards 20% or higher by February 2016 and rents will continue to drop (Property Council information).

There is anecdotal evidence regarding the perceived clientele of the TAB, and in order to help improve this image the Administration can work with the TAB to ascertain details around their proposed refit of the unit to try and give it some

increased kerb appeal. It is understood however that in order for the TAB to invest in the property that a security of tenure for at least ten years, would be sought.

An invitation for Expressions of Interest to lease the premises was advertised in The West Australian on 5 August 2015 and closed on 20 August 2015.

Economic Development provided names of parties who had expressed interest in leasing the premises and these were notified of the advertisement.

Only one submission was received from the existing tenant.

Racing and Wagering Western Australia have occupied Shop 1 at 129 James Street, Northbridge since 2000. They have proven to be an excellent tenant and have always met their obligations under the terms of the lease.

It is proposed to enter into a new lease under the terms and conditions contained in Schedule 3, for a period of five years with two options for further terms of five years each at a commencement rental of \$118,000 per annum.

The proposed tenant plans to undertake major refurbishment works to the premises including painting, new carpets, all new furniture and fixtures and state of the art electronic technology.

FINANCIAL IMPLICATIONS:

The City holds a market rental valuation dated 17 April 2015 determining the rent to be \$118,000 per annum. Racing and Wagering Western Australia are currently paying \$122,518 per annum. The determined rent is 3.6% below the current rent and is indicative of the declining rental rates in Northbridge.

The budgeted income for the premises in the 2015/16 financial year is \$125,275 per annum. This equates to a shortfall of \$7,275.

All figures quoted in this report are exclusive of GST.

COMMENTS:

Although the market valuation is lower than the budgeted income for the premises for the 2015/16 financial year, the proposal is supported.

Moved by Cr Butler, seconded by Cr Yong

That Council:

- 1. approves the advertising of a new lease for Shop 1 at the Roe Street Car Park (129 James Street, Northbridge) to Racing and Wagering Western Australia (TAB) under the terms and conditions detailed in Schedule 3 and in accordance with Section 3.58 of the Local Government Act 1995; and**
- 2. notes that in the event that no submissions are received, in accordance with Delegation 1.10 – Disposing of Property, the Chief Executive Officer has the authority to finalise the dispositions without further consideration by Council.**

The motion was put and carried

FA191/15 RECOMMENCEMENT OF LOCAL LAW MAKING PROCEDURE – CITY OF PERTH FENCING LOCAL LAW 2015

BACKGROUND:

FILE REFERENCE:	P1015922-2
REPORTING UNIT:	Governance Services
RESPONSIBLE DIRECTORATE:	Corporate Services
DATE:	21 September 2015
MAP / SCHEDULE:	Schedule 4 – Proposed City of Perth Fencing Local Law 2015. Schedule 5 – Advertised City of Perth Fencing Local Law 2015 with comparison of changes. Schedule 6 – Suggestions from the Department of Local Government and Communities and City of Perth Responses.

At its meeting held on **21 June 2005**, Council resolved to make the original *City of Perth Fencing Local Law 2005*.

At its meeting held on **29 January 2008**, Council resolved to make the *City of Perth Amendment Local Law 2007* to amend various clauses in a number of the City's existing local laws including the *City of Perth Fencing Local Law 2005*. The subsequent amendments, together with the originally made local law, constitute the Principal Local Law. The majority of the modified penalties within the Principal Local Law have remained unchanged since 2005.

Given the significant number of drafting changes required within the Principal Local Law which was affecting its application and interpretation, in accordance with Sections 3.12(3) of the *Local Government Act 1995*, Council at its meeting held on **21 July 2015** resolved to repeal the *City of Perth Fencing Local Law 2005* and in accordance with Section 3.12(3) of the *Local Government Act 1995*, give state-wide public notice of its intention to make the proposed *City of Perth Fencing Local Law 2015*.

The state-wide public notice was published in The West Australian on Friday, 31 July 2015, and displayed on the City's notice boards and the City of Perth website, seeking public submissions on the proposed local law. A copy of the public notice and the proposed local law were also provided to the Minister for Local Government, the Minister for Planning and the Minister for Commerce.

In accordance with Section 3.12(4) of the *Local Government Act 1995*, after the last day for submissions, Council is required to consider any submissions received and may resolve by an absolute majority to make the local law or to make a local law that is not significantly different from the proposed local law.

LEGISLATION / STRATEGIC PLAN / POLICY:

Legislation Sections 3.12, 3.13 and 3.16 of the *Local Government Act 1995*
City of Perth Thoroughfares and Public Places Local Law 2007

**Integrated Planning
and Reporting
Framework
Implications**

Corporate Business Plan

Council Four Year Priorities: Community Outcome
Capable and Responsive Organisation
A capable, flexible and sustainable organisation with a strong effective governance system to provide leadership as a capital city and deliver efficient and effective community centred services.

DETAILS:

At the close of the public notice period on Friday, 18 September 2015, no submissions were received from the public.

The Department of Local Government and Communities (DLGC) on behalf of the Minister for Local Government provided comments on the advertised local law on Thursday, 17 September 2015.

The majority of the DLGC comments relate to minor adjustments to the drafting to ensure alignment with current legislative practices and standards. There was however, a proposed change to Clause 6.1 Offences and Penalties to include wording to the effect that exists in the Principal Local Law in relation to unmodified penalties for offences which prescribes the maximum total limit for a penalty and a maximum daily penalty limit.

As instructed by the Department of Local Government and Communities this change is likely to be considered by Parliament's Joint Standing Committee on Delegated Legislation as a "significantly different" change to the proposed local law that was originally advertised and in accordance with Section 3.12 of the *Local Government Act 1995*, the City of Perth is therefore required to recommence the local law making procedure by re-issuing state-wide public notice of its intention to make the newly proposed City of Perth Fencing Local Law 2015.

The DLGC also queried whether the public can access the Australian Standards and Building Codes referenced within the proposed local law and which are protected by copyright. The State Library of Western Australia provides computer access to view these publications upon request by members of the public and the City will provide a note to this effect in the administrative version of the local law on the City's website.

The DLGC suggestions and Officer responses are detailed in Schedule 6 along with an indicative comparison of the changes to the originally advertised local law detailed in Schedule 5.

FINANCIAL IMPLICATIONS:

The recommencement of the local law making process will require a nominal sum of \$500 for local public notice.

The gazettal and final public notice requirements for the proposed local law, once resolved by Council, are estimated to be \$2,500.

These costs can be accommodated within existing operating budgets.

All figures quoted in this report are exclusive of GST.

COMMENTS:

Application of the Caretaker Policy

The decision the Council may make in relation to this item could constitute a 'Major Policy Decision' within the context of the City of Perth Caretaker Policy, however, an exemption should be made because, the process relating to the amendment local law being made had been initiated prior to the 2015 Caretaker Period taking effect

and a delay would impact legislative timeframes as noted in Section 5.8 of the DLGC's "Local Government Operational Guidelines – Number 16 – November 2011 – Local Laws."

Given the change to Clause 6.1 of the proposed local law it is recommended that Council resolve to recommence the local law making process in accordance with Section 3.13 of the *Local Government Act 1995* by reissuing state-wide public notice of its intention to make the newly proposed City of Perth Fencing Local Law 2015.

Moved by Cr Yong, seconded by Cr Butler

That Council:

- 1. in accordance with Section 3.13 of the Local Government Act 1995, approves the recommencement of the local law making procedure for the City of Perth Fencing Local Law 2015 due to the proposed change to clause 6.1 which is considered a significantly different proposal from the originally advertised local law;***
- 2. in accordance with Section 3.12 of the Local Government Act 1995, gives State-wide public notice of its intention to make the City of Perth Fencing Local Law 2015, as detailed in Schedule 4, the purpose and effect being:***
 - 2.1 Purpose: to prescribe a sufficient fence and the standard for the construction of fences throughout the district of the City of Perth;***
 - 2.2 Effect: to establish the requirements for fencing within the district of the City of Perth;***
- 3. notes that the suggestions received from the Department of Local Government and Communities in response to the original public notice period have been considered and incorporated into the proposed City of Perth Fencing Local Law 2015 (Schedule 4).***

The motion was put and carried

The votes were recorded as follows:

For: Crs Davidson, Butler and Yong

**SCHEDULES
FOR THE MINUTES OF THE
FINANCE AND
ADMINISTRATION
COMMITTEE MEETING
HELD ON
6 OCTOBER 2015**

**FINANCIAL ACTIVITY STATEMENT FOR THE ONE MONTH TO
31 JULY 2015**

REPORT OF VARIANCES TO BUDGET

This report compares the actual performance for the one month to 31 July 2015 with the annual budget approved by Council on 9 June 2015.

Operating Revenue

- Parking revenue was (\$466,000) under budget and is being affected by the prevailing economic conditions and resultant lower levels of patronage in the City. The shortfall occurred in all areas with undercover car parks finishing (\$146,000) lower, kerbside parking (\$189,000) and open air car parks (\$131,000). The primary car parks impacted were the Cultural Centre (\$38,000), Alexander Library (\$56,000), the Convention Centre (\$55,000) and Queens Gardens (\$41,000).
- Fines and Costs were (\$86,000) below the budget for the month. A combination of factors contributed to this, including a number of vacant parking officer positions and fewer parking bays being available in the City owing to ongoing construction activity.
- Investment income achieved \$111,000 better return than the budget, largely attributable to a good return from balanced funds and strong cash flows since the start of the year. There were also some longer dated term deposits returning higher than 3%.
- Rubbish Collections exceeded budget by \$606,000 owing to the offering of co-mingled recycling bins to commercial customers and an increase in the transitioning of services from 240L to 660L bins following the re-pricing strategy adopted in the budget
- Rental and Hire Charges fell below budget by (\$44,000) mainly in Affordable Housing (\$41,000). Other areas experienced smaller variances, the highest being Parks and Gardens (\$9,000) below budget which was offset by revenue from banners \$8,000.
- Recurrent Grants were (\$66,000) under the budget owing to the advance payments received during June for Local Government Road and General Assistance Grants.

Operating Expenditure

- Employee Costs were \$336,000 below budget primarily as a result of timing of filling vacancies and with some budgeted termination payments being accrued into the previous financial year.
- Materials and Contracts were \$1,298,000 under spent compared to budget mainly in the areas of Property Maintenance \$248,000, Infrastructure Contractors \$152,000, Professional Fees \$149,000 and Consultancy \$118,000. Smaller variances were spread generally throughout the organisation.

**FINANCIAL ACTIVITY STATEMENT FOR THE ONE MONTH TO
31 JULY 2015**

REPORT OF VARIANCES TO BUDGET

- Utilities fell short of the estimates for higher power costs by \$75,000 which included the Perth City Library \$12,000, Street Lighting \$14,000 and Parks and Reserves \$10,000. These variances are partly due to timing differences.
- Depreciation fell \$247,000 below the budget, predominantly in Infrastructure by \$398,000, and which was offset by higher charges in other accounts such as Fixed Plant (\$66,000). The main Infrastructure areas were Roads and Kerbs amounting to \$103,000 and Footpaths \$286,000. These charges are dependent on the uptake of revalued amounts, timing of completion of projects and purchases of assets.
- The variance in Loss on Disposal of Assets \$129,000 was the result of higher proceeds from sale of vehicles due to earlier than expected change overs and disposals. The budget also allowed for phasing of asset write-offs throughout the year which actually occurs only as capital projects progress.
- Other Expenditure savings of \$39,000 occurred mainly in Incentives and Contributions for Heritage \$30,000 and Other Environment Protection \$50,000, offset by Donations and Sponsorships (\$23,000) and Statutory Fees and Charges (\$16,000).

Investing Activities

- Capital expenditure was \$3.7 million under budget due to timing of works programs on current projects. On-going large projects include the City of Perth Library and Public Plaza, the Barrack Street 2-Way Conversion project and Treasury Footpath projects. A figure of \$7.7 million of capital works was carried over into the current financial year and will be included in the October Budget Review, increasing the budgeted total of carry forwards to \$21.7 million.
- Transfers to Reserves will align with budget in the coming months in accordance with the budget program.

Financing Activities

- Transfers from Reserves are below the level expected in the budget by (\$312,000) owing to delays in the capital projects.
- Funding from carry forwards estimated in the budget is also dependant on the progress of the capital works program.
- Proceeds from Disposal of Assets were \$159,000 over the budget due to the earlier replacement of vehicles than forecasted.

**FINANCIAL ACTIVITY STATEMENT FOR THE ONE MONTH TO
31 JULY 2015**

REPORT OF VARIANCES TO BUDGET

Amounts sourced from Rates

- Rates revenue raised fell marginally below the budget.

EXPLANATORY NOTES – FINANCIAL ACTIVITY STATEMENT

BACKGROUND

- Regulation 34 of the Local Government (Financial Management) Regulations 1996 was amended effective from 1 July 2005.
- The amendment prescribes a monthly Financial Activity Statement (FAS) reporting the sources and application of funds, as set out in the Rate Setting Statement which is included in the Annual Budget.

PURPOSE

- The FAS reports the actual financial performance of the City in relation to its adopted budget, which has been structured on financial viability and sustainability principles.
- The FAS is intended to act as a guide to Council of the impact of financial activities and the reasons for major variances to the annual budget estimates.

PRESENTATION

- Regulation 34 prescribes the minimum detail to be included in the FAS. These are listed below.
 - Annual Budget estimates, and approved revisions to these, are to be included for comparison purposes.
 - Actual amounts of income and expenditure to the end of the month of the FAS.
 - Material variances between the comparable amounts and commentary on reasons for these.
 - The net current assets at the end of the month to which the FAS relates.
- An explanation of the composition of the net current assets at the end of the month to which the FAS relates; less committed and restricted assets.
- Councils are given the option of adopting a format which is considered most appropriate to their needs. These options are listed below.
 - According to nature and type classification,
 - by program, or
 - by business unit.
- It is recommended that while the information presented by cost objects (programs and activities) or by cost centres (business units) are useful for expense allocation and cost centre accountability purposes, they are less informative and difficult to comprehend in matters of disclosure and less effective in cost management and control.
- The FAS has therefore been presented in the format using nature and type classification as the most meaningful disclosure to the Council and public.

FORMAT

- The FAS is formatted to align with the Rate Setting Statement.
- The first part deals with operating income and expenditure, excluding rate revenue.
- The next classification is the amount spent on capital expenditure and debt repayments.
- The classification 'Financing Activities' provides a statement of sources of funds other than from operating or rates revenue, which are usually associated with capital expenditure.
- Attached to the FAS is a statement of 'Net Current Assets' for the budget and actual expenditure to the end of the month to which the FAS relates.
- Opening and closing funds represent the balance of 'Net Current Assets', not including any funds which are committed or restricted.
- "Committed assets" means revenue unspent but set aside under the annual budget for a specific purpose.
- "Restricted assets" means those assets the uses of which are restricted, wholly or partially, by regulations or other externally imposed requirements", e.g. reserves set aside for specific purposes.
- To avoid duplication in calculating 'Closing Funds on hand', certain balances, such as provisions and borrowings, are also deducted.
- The total Closing Funds on hand are to be taken into account when calculating the amount to be raised by rates each year.
- The classification "Net Cash on Hand" represents the balances of funds held in cash or invested and the analysis into those funds reserved, carried forward or remaining unspent at the end of the month to which the FAS relates.

**FINANCIAL ACTIVITY STATEMENT FOR THE TWO MONTHS TO
31 AUGUST 2015****REPORT OF VARIANCES TO BUDGET**

This report compares the actual performance for the two months to 31 August 2015 with the Annual Budget approved by Council on 9 June 2015.

Operating Revenue

- Parking revenue was (\$862,000) under budget across all areas resulting from a combination of factors. The prevailing economic conditions are causing lower patronage generally, which is also being exacerbated by current disruption through ongoing construction activity in the City. Also the budget estimates were based on more optimistic assumptions for revenue from changes in the pricing structure.
- Undercover car parks were (\$283,000) lower than the budget, open air car parks (\$275,000) and kerbside parking (\$303,000). Revenue shortfalls were spread across most car parks, with more significant variances being in the Convention Centre (\$90,000), Alexander Library (\$85,000) and Cultural Centre (\$67,000) car parks.
- Fines and Costs were (\$274,000) below the budget for the two months due to a combination of factors including a number of vacant parking officer positions, a lower level of parking generally in the City and the current construction work reducing the number of available bays.
- Investment income fell short of the budget for the period due mainly to a negative return on the Colonial Share Index investment fund following the recent fall in the ASX 200 index. The current fixed interest rate market is expected to continue at lower levels for the foreseeable future.
- Rubbish Collections are running at \$430,000 above budget forecasts with higher than expected uptake of the extension of co-mingled recycling services for commercial ratepayers and an increase in the transitioning of services from 240L to 660L bins following the re-pricing strategy adopted in the budget.
- Other Revenue was (\$354,000) under the budget predominantly due to phasing of Outdoor Eating License receipts (\$142,000) and Food Premises inspection fees (\$120,000), plus lower than expected Planning and Building inspection fees (\$99,000).

**FINANCIAL ACTIVITY STATEMENT FOR THE TWO MONTHS TO
31 AUGUST 2015**

REPORT OF VARIANCES TO BUDGET

Operating Expenditure

- Employee costs were \$1 million below the budget primarily as a result of the timing of \$777,000 in termination payments expected in the new financial year that were accrued into the 30 June 2015 accounts. The result is also affected by the period required for recruitment of new staff replacements. The adjustments will be reflected in the October Budget Review.
- Materials and Contracts were \$1.4 million under the budget for the period spread generally throughout the organisation. Major areas were timing of work in Council House \$203,000 and the Raine Square Bridge demolition \$210,000 plus the City of Perth Library \$194,000, including security services, cleaning and maintenance. Consultancy \$744,000, Other Professional Fees \$457,000 and Infrastructure Contractors \$250,000 were also under spent. The remaining areas underspent are largely the result of budget phasing where work is still to be scheduled, for example Drainage and Footpath programs, the River Wall, Community Arts Program, plus property and car park maintenance.
- Utilities were below budget by \$77,000 attributable to power costs being below estimates due to timing. Particular areas include the Perth City Library \$20,000 and Council House \$12,000.
- Depreciation compared to budget gave a favourable variance of \$521,000, where Infrastructure assets are below estimates by \$799,000 in Roads and Kerbs and Footpaths. These are dependent on the timing of completion and capitalisation of works. The other areas were over budget with the highest being Fixed Plant (\$115,000) and Buildings (\$48,000).
- The variance in Loss on Disposal of Assets of \$265,000 was the result of higher proceeds from sale of assets due to earlier than predicted change over and disposal of vehicles. The budget also allowed for phasing of asset write-offs throughout the year which only occurs as capital projects progress.

Investing Activities

- Capital expenditure was \$3.5 million under budget due to the timing of the program of works on current projects. On-going large projects include the City of Perth Library and Public Plaza, the Barrack Street 2-Way Conversion project and Treasury Footpath projects. A higher than expected figure of \$7.7 million of capital works carried over into the current financial year will impact the delivery of the planned works compared with the budget schedule.
- Transfers to Reserves will accelerate in the coming months in accordance with the budget program.

**FINANCIAL ACTIVITY STATEMENT FOR THE TWO MONTHS TO
31 AUGUST 2015**

REPORT OF VARIANCES TO BUDGET

Financing Activities

- Transfers from Reserves are below those expected in the annual budget and reflect the lower level of capital expenditure.
- Funding from carry forwards estimated in the budget is dependent upon the progress of the capital works program.
- Capital Grants and Contributions were (\$625,000) below the budget pending receipt of the State Government's tied grant for the Roe Street Shared Path project from Fitzgerald to Thomas Streets.

Amounts sourced from Rates

- Rates revenue raised was in line with budget predictions however, there have been some recent successful objections to property valuations and the timing of interim rates for a number of large buildings still being processed through Landgate Services.

EXPLANATORY NOTES – FINANCIAL ACTIVITY STATEMENT

BACKGROUND

- Regulation 34 of the Local Government (Financial Management) Regulations 1996 was amended effective from 1 July 2005.
- The amendment prescribes a monthly Financial Activity Statement (FAS) reporting the sources and application of funds, as set out in the Rate Setting Statement which is included in the Annual Budget.

PURPOSE

- The FAS reports the actual financial performance of the City in relation to its adopted budget, which has been structured on financial viability and sustainability principles.
- The FAS is intended to act as a guide to Council of the impact of financial activities and the reasons for major variances to the annual budget estimates.

PRESENTATION

- Regulation 34 prescribes the minimum detail to be included in the FAS. These are listed below.
 - Annual Budget estimates, and approved revisions to these, are to be included for comparison purposes.
 - Actual amounts of income and expenditure to the end of the month of the FAS.
 - Material variances between the comparable amounts and commentary on reasons for these.
 - The net current assets at the end of the month to which the FAS relates.
- An explanation of the composition of the net current assets at the end of the month to which the FAS relates; less committed and restricted assets.
- Councils are given the option of adopting a format which is considered most appropriate to their needs. These options are listed below.
 - According to nature and type classification,
 - by program, or
 - by business unit.
- It is recommended that while the information presented by cost objects (programs and activities) or by cost centres (business units) are useful for expense allocation and cost centre accountability purposes, they are less informative and difficult to comprehend in matters of disclosure and less effective in cost management and control.
- The FAS has therefore been presented in the format using nature and type classification as the most meaningful disclosure to the Council and public.

FORMAT

- The FAS is formatted to align with the Rate Setting Statement.
- The first part deals with operating income and expenditure, excluding rate revenue.
- The next classification is the amount spent on capital expenditure and debt repayments.
- The classification 'Financing Activities' provides a statement of sources of funds other than from operating or rates revenue, which are usually associated with capital expenditure.
- Attached to the FAS is a statement of 'Net Current Assets' for the budget and actual expenditure to the end of the month to which the FAS relates.
- Opening and closing funds represent the balance of 'Net Current Assets', not including any funds which are committed or restricted.
- "Committed assets" means revenue unspent but set aside under the annual budget for a specific purpose.
- "Restricted assets" means those assets the uses of which are restricted, wholly or partially, by regulations or other externally imposed requirements", e.g. reserves set aside for specific purposes.
- To avoid duplication in calculating 'Closing Funds on hand', certain balances, such as provisions and borrowings, are also deducted.
- The total Closing Funds on hand are to be taken into account when calculating the amount to be raised by rates each year.
- The classification "Net Cash on Hand" represents the balances of funds held in cash or invested and the analysis into those funds reserved, carried forward or remaining unspent at the end of the month to which the FAS relates.

Premises	Shop 1, Roe Street Car Park (129 James Street, Northbridge WA)
Area	182 square metres
Permitted Use	Totalizer Agency Board (TAB)
Commencement	1 September 2015
Term	5 years
Option	2 X 5 years
Rent	\$118,000 per annum
Outgoings	Rates and taxes as assessed against the premises
Payment Date	First day of each month
Reviews	5 % annually with a market rent review on exercise of option
Insurance	Not less than \$10,000,000
Costs	Each party is responsible for their own costs

Local Government Act 1995

CITY OF PERTH

FENCING LOCAL LAW 2015

Under the powers conferred by the *Local Government Act 1995*, and under all other powers enabling it, the Council of the City of Perth resolved on (Insert Council Meeting Date) to make the following local law.

PART 1 – PRELIMINARY

1.1 Citation

This local law may be cited as the *City of Perth Fencing Local Law 2015*.

1.2 Commencement

This local law comes into operation 14 days after the date of its publication in the *Government Gazette*.

1.3 Purpose and Effect

- (1) The purpose of this local law is to prescribe a sufficient fence and the standard for the construction of fences throughout the district of the City of Perth.
- (2) The effect of this local law is to establish the requirements for fencing within the district of the City of Perth.

1.4 Application

This local law applies throughout the district of the local government.

1.5 Repeal

The *City of Perth Fencing Local Law 2005* as published in the *Government Gazette* on 14 July 2005, and as amended on 29 February 2008, is repealed.

1.6 Definitions

In this local law unless the context requires otherwise—

“Applicant” means a person who makes an application for approval under this local law;

“AS or AS/NZS” means an Australian or Australian/New Zealand Standard as published by Standards Australia as amended from time to time;

“authorised person” means a person appointed by the City of Perth under section 9.10 of the *Local Government Act 1995* to perform any of the functions of an authorised person under this local law;

“barbed wire fence” means a wire or strand of wires having small pieces of sharply pointed wire twisted around it at short intervals;

“boundary fence” means a fence, other than a dividing fence, that separates private land from land that is local government property of a thoroughfare;

“Building Code” means the latest edition of the Building Code of Australia published from time to time by or on behalf of, the Australian Building Codes Board, as amended from time to time, but not including any explanatory information published with that Code;

“building permit” has the meaning given to it in the *Building Act 2011*;

“Building Surveyor” means a Building Surveyor of the local government;

“CEO” means the Chief Executive Officer of the local government;

“Council” means the Council of the local government;

“dangerous” in relation to any fence means, with the exception of electrified, barbed and razor wire fences as separately specified under this local law—

- (a) a fence containing exposed broken glass, asbestos fibre or any other potentially harmful projection or material; or
- (b) a fence which is likely to collapse or fall, or part of which is likely to collapse or fall, from any cause;

“district” means the district of the local government;

“district planning scheme” means a local planning scheme of the local government made under the *Planning and Development Act 2005*;

“dividing fence” has the meaning given to it by the *Dividing Fences Act 1961*;

“electrified fence” means a fence carrying or designed to carry an electric charge;

“fence” means any structure, not including a retaining wall, used or functioning as a barrier, irrespective of where it is located and includes any gate;

“front boundary” means the boundary line between a lot and the thoroughfare upon which that lot abuts, or in the case of a lot abutting on more than one thoroughfare, the boundary line between the lot and the primary thoroughfare;

“front fence” means a fence erected on the front boundary of a lot or on a line

adjacent to the front boundary;

“front setback area” means the area between the building line of a lot and the front boundary of that lot;

“height” in relation to a fence means the vertical distance between—

- (a) the top of the fence at any point; and
- (b) the ground level or, where the ground levels on each side of the fence are not the same, the higher ground level, immediately below that point;

“local government” means the local government of the City of Perth;

“local government property” means anything except a thoroughfare—

- (a) which belongs to the local government;
- (b) of which the local government is the management body under the *Land Administration Act 1997*; or
- (c) which is an “otherwise unvested facility” under section 3.53 of the *Local Government Act 1995*;

“lot” has the meaning given to it and for the purposes of the *Planning and Development Act 2005*;

“Non-Residential Lot” means any lot situated in the district that is not defined as a residential lot under this local law;

“notice of breach” means a notice referred to in clause 5.1 of this local law;

“occupier” has the meaning given to it in the *Local Government Act 1995*;

“owner” has the meaning given to it in the *Local Government Act 1995*;

“person” means any person, company, employer and includes an owner, occupier and licensee;

“razor wire fence” means a coiled strong wire with pieces of sharp cutting edges set across it at closes intervals;

“Residential Lot” means a lot where a residential use—

- (a) is or may be permitted under the district planning scheme; and
- (b) is or will be the predominant use of the lot;

“retaining wall” means any structure which prevents the movement of soil or retains soil or structures in order to allow ground levels of different elevations to exist adjacent to one another;

“Schedule” means a Schedule to this local law;

“sufficient fence” means a fence described in clause 2.1 of this local law, but

does not include a retaining wall;

“**thoroughfare**” has the meaning given to it by the *Local Government Act 1995*, but does not include a private thoroughfare which is not under the management or control of the local government.

1.7 Relationship with other laws

- (1) In the event of any inconsistency between the provisions of a district planning scheme and the provisions of this local law, the provisions of the district planning scheme are to prevail.
- (2) Nothing in this local law affects the need for compliance, in respect of a fence, with—
 - (a) any relevant provisions of a district planning scheme; and
 - (b) any relevant provisions that apply if a building permit is required for that fence under the *Building Act 2011* or *Building Regulations 2012*.

1.8 Licence fees and charges

All licence fees and charges applicable under this local law shall be determined by the Council from time to time in accordance with section 6.16 of the *Local Government Act 1995*.

PART 2 – FENCES

Division 1 – Sufficient Fences

2.1 Sufficient fences

- (1) A person shall not erect a dividing fence or a boundary fence that is not a sufficient fence, unless otherwise approved or required by the local government.
- (2) Subject to subclause (3) and (4), a sufficient fence—
 - (a) on a Residential Lot is a dividing fence or a boundary fence constructed and maintained in accordance with the specifications and requirements of Schedule 2;
 - (b) on a Non-Residential Lot is a dividing fence or a boundary fence constructed and maintained in accordance with the specifications and requirements of Schedule 3;
- (3) An application must be made to the local government for grant of consent to any variation to the specifications in Schedules 2 and 3.
- (4) Unless an authorised person determines otherwise, a sufficient fence on a boundary between lots other than those specified in subclause (2) is a dividing fence constructed in accordance with the specifications and requirements of Schedule 2 or Schedule 3, whichever is appropriate.
- (5) Notwithstanding any other provision in this local law, a dividing fence or boundary fence constructed of masonry, stone or concrete shall be a sufficient fence only if it is designed by a professional engineer and constructed in accordance with that design where—
 - (a) it is greater than 750 millimetres in height; or
 - (b) the Building Surveyor so requires.
- (6) Notwithstanding any other provision in this local law, a dividing fence or boundary fence shall not exceed 1,800 millimetres height unless the approval of the local government has been obtained for such a fence.

Division 2 – General

2.2 Fences within front setback areas

- (1) A person shall not, without the written consent of the Building Surveyor, erect a free-standing fence greater than 1,200 millimetres in height, within the front setback area of a Residential Lot within the district.

- (2) The Building Surveyor may approve the erection of a fence of a height greater than 1,200 millimetres in the front setback area of a Residential Lot only if the fence on each side of the driveway into the lot across the front boundary is to be angled into the lot for a distance of not less than 1,500 millimetres along the frontage to a distance of not less than 1,500 millimetres from the frontage in order to provide appropriate splayed lines of vision for a motorist using the driveway for access to a thoroughfare.
- (3) The provision of subclause (2) shall not apply to a fence—
- (a) of open construction that does not obscure the lines of vision of a motorist using the driveway for access to a thoroughfare; or
 - (b) that does not adjoin a footpath.

2.3 Gates in fences

A person shall not erect a gate in a fence which does not—

- (a) open into the lot; or
- (b) open by sliding parallel and on the inside of the fence, which it forms part of, when closed.

without first obtaining the written approval of the local government.

2.4 Depositing fencing material on public place

A person shall not deposit or permit the deposit of any materials whatsoever used in the construction or maintenance of any fence, on any thoroughfare, public place or local government property unless the approval of the local government has been obtained.

2.5 Maintenance of fences

An owner of a lot or any person undertaking work on a lot on which a fence is erected shall maintain the fence in good condition so as to prevent it from becoming dangerous, dilapidated, or unsightly to the amenity of the locality.

2.6 Fences across rights-of-ways, public access ways or thoroughfares

A person must not, without the approval of the local government, erect or maintain a fence or obstruction of a temporary or permanent nature across any right-of-way, public access way or thoroughfare so as to impede or prevent use of those facilities in the manner for which they are intended and constructed.

2.7 Fences and Sightlines

Unless otherwise approved by the local government—

- (a) front fences or boundary fences that are adjacent to a vehicle access point or a thoroughfare shall be truncated with the minimum dimension of the truncation being 2,000 millimetres or the fence reduced in height to no more than 750 millimetres, unless—
 - (i) the fence is an open fence that does not obscure the lines of vision of a motorist using the vehicle access point or thoroughfare; or
 - (ii) there is a distance of 3,500 millimetres between the fence and a carriageway or footpath.
- (b) where a dividing fence is closer than 2,000 millimetres from a vehicle access point and connects to a thoroughfare, the dividing fence shall be reduced to 750 millimetres in height for the first 2,000 millimetres from the thoroughfare back into the lot.
- (c) a corner Lot without the standard street corner truncation, with a front fence height that exceeds 750 millimetres in height of solid material is not permitted within the 6,000 millimetres by 6,000 millimetres corner sightline area.
- (d) where two right of ways or laneways intersect, a 3,000 millimetres by 3,000 millimetres sightline is required so that a fence height that exceeds 750mm in height of solid material is not permitted.

2.8 Dividing Fences

- (1) Notwithstanding the provisions of clause 2.1, an authorised person may approve the erection or repair of a dividing fence which is not a sufficient fence where all of the owners of the lots to be separated by the dividing fence make an application for approval for that purpose.
- (2) In determining whether to grant approval under subclause (1), an authorised person may consider, in addition to any other matter they are authorised to consider, where the erection or retention of the fence would have an adverse effect on—
 - (a) the safe or convenient use of any land;
 - (b) the safety or convenience of any person; or
 - (c) the visual amenity of the locality.

Division 3 – Fencing Materials

2.9 Fencing Designs

Where required by an authorised person, fencing designs are to be certified by a professional engineer as being suitable for wind loadings found in Region D Category 2 areas in accordance with the current edition of AS/NZS 1170.0:2002 Structural design actions – General principles.

2.10 Pre-used fencing materials

- (1) Notwithstanding clause 2.1, a person shall not construct a fence on a Residential Lot or a Non-Residential Lot from pre-used materials without the approval of the local government.
- (2) Where the local government approves the use of pre-used materials in the construction of a fence under subclause (1), that approval shall be conditional on the applicant painting or treating the pre-used material as directed by the Building Surveyor.

2.11 Barbed wire fences and spiked or jagged materials

- (1) An owner or occupier of a Residential Lot or a Non-Residential Lot shall not erect, affix or allow to remain on any fence on such a lot any barbed wire or other material with spiked or jagged projections, unless the prior written approval of the local government has been obtained.
- (2) Any fence bounding a lot that has barbed wire or other materials with spiked or jagged projections affixed to it may only be approved if the wire or other materials are carried on posts at an angle of 45 degrees, with the bottom row being a minimum of 2,000 millimetres from the ground level.
- (3) If the posts which carry the barbed wire or other materials referred to in subclause (2) are angled towards the outside of the lot bounded by the fence, the face of the fence must be set back from the lot boundary a sufficient distance to ensure that the angled posts, barbed wire or other materials do not encroach on adjoining land.
- (4) An owner or occupier of a lot shall not erect, affix or allow to remain as part of any fence or wall, whether internal or external, on that lot any broken glass.

2.12 Electrified and razor wire fences

- (1) An owner or occupier of a lot shall not—
 - (a) construct or use an electrified fence on that lot without obtaining the approval of the local government in the form prescribed in Schedule 4; or
 - (b) construct a fence wholly or partly of razor wire on that lot without obtaining the approval of the local government in the form prescribed in Schedule 5.

- (2) The local government shall not approve an application for the purpose of subclause (1)(a)—
 - (a) in respect of a lot which is or which abuts a Residential Lot;
 - (b) unless the fence will comply with “AS/NZS 3016:2002 Electrical installations – Electricity security fences”; and
 - (c) unless provision is made so as to enable the fence to be rendered inoperable during the hours of business operations, if any, on the lot where it is erected.
- (3) The local government shall not approve an application for the purpose of subclause (1)(b)—
 - (a) if the fence is within 3,000 millimetres of the boundary of the lot; or
 - (b) where any razor wire used in the construction of the fence is less than 2,000 millimetres or more than 2,400 millimetres above the ground level.
- (4) An application for approval for the purpose of subclauses (1)(a) or (1)(b) shall be made by the owner of the lot on which the fence is or is to be erected, or by the occupier of the lot with the written consent of the owner.

2.13 Prohibited fencing materials

In constructing a fence a person must not use—

- (a) broken glass or any other potentially harmful projections or material;
- (b) asbestos fibre;
- (b) material that is likely to collapse or fall, or part of which is likely to collapse or fall, from any cause; and
- (d) pre-used materials unless the material is painted or treated to the satisfaction of an authorised person.

2.14 Building Code

- (1) Subject to subclauses (2) and (3), a fence shall be constructed in accordance with the relevant provisions of the Building Code.
- (2) Where there is inconsistency between the standards or requirements of this local law and those specified in the Building Code, the standards and requirements of the Building Code shall prevail.
- (3) Subclause (1) shall not apply to an existing fence, except where the existing fence is demolished, pulled down or removed and re-erected, or in some

substantial way structurally altered or amended, in which case subclause (1) shall apply to the re-erection, alteration or amendment.

PART 3 – APPROVALS

3.1 Application for approval

- (1) Where a person is required to obtain the approval of the local government under this local law, that person shall apply for approval in accordance with subclause (2).
- (2) An application for approval under this local law shall—
 - (a) be in the form determined by the local government;
 - (b) be signed by the applicant and the owner of the lot;
 - (c) provide the information required by the form; and
 - (d) be forwarded to the local government together with any fee imposed and determined by the local government under and in accordance with section 6.19 of the *Local Government Act 1995*.
- (3) An authorised person may require an applicant to provide additional information reasonably related to an application before an application is considered for approval.
- (4) An authorised person may refuse to consider an application for approval which is not in accordance with subclauses (2) and (3).

3.2 Decision on application for approval

- (1) The local government may—
 - (a) approve an application for approval unconditionally or subject to any conditions; or
 - (b) refuse to approve an application for approval.
- (2) If the local government approves an application for approval, it is to issue to the applicant an approval in the form determined by the local government.
- (3) If the local government refuses to approve an application for approval, it is to give written notice of that refusal to the applicant.
- (4) Where a clause of this local law refers to conditions which may be imposed on an approval or which are to be taken to be imposed on an approval, the clause does not limit the power of the local government to impose other conditions on the approval under subclause (1)(a).

3.3 Compliance with approval

Where an application for approval has been approved, the applicant and the owner or occupier of the lot to which the approval relates, shall comply with the terms and any conditions of that approval.

3.4 Duration of approval

Unless otherwise stated in the form of approval, an approval granted under this local law—

- (a) runs with the lot to which it relates;
- (b) may be relied upon by any subsequent occupier or owner of the lot; and
- (c) may be enforced by the local government against a subsequent occupier or owner of the lot.

PART 4 – MISCELLANEOUS

4.1 False or misleading statement

A person shall not make a false or misleading statement in connection with any application, requirement or request under this local law.

PART 5 – NOTICES OF BREACH

5.1 Notices of breach

- (1) Where a breach of any provision of this local law has occurred in relation to a fence on a lot, an authorised person may give a notice in writing to the owner of that lot.
- (2) A notice of breach shall—
 - (a) specify the provision of this local law which has been breached;
 - (b) specify the particulars of the breach; and
 - (c) state that the owner is required to remedy the breach within the time specified in the notice.
- (3) Should an owner fail to comply with a notice of breach, the local government may, by its employees, agents or contractors enter upon the lot to which the notice relates and remedy the breach, and may recover the expenses of so doing from the owner of the lot in a court of competent jurisdiction.

- (4) The provisions of this clause are subject to section 3.25 and item 12 of Division 1 of Schedule 3.1 of the *Local Government Act 1995* and any entry on to land will be in accordance with Part 3, Division 3 of that Act.

PART 6 – OFFENCES

6.1 Offences and penalties

- (1) A person who fails to comply with a notice of breach commits an offence.
- (2) A person who commits an offence under this local law is liable, on conviction, to a penalty not exceeding \$5000, and if the offence is of a continuing nature, to an additional penalty not exceeding \$500 for each day or part of a day which the offence has continued.

6.2 Modified penalties

- (1) An offence against any provision of this local law is a prescribed offence for the purposes of section 9.16(1) of the *Local Government Act 1995*.
- (2) The amount appearing in the final column of Schedule 1, directly opposite a prescribed offence in that Schedule, is the modified penalty for that prescribed offence.
- (3) For the purpose of guidance only, before giving an infringement notice to a person in respect of the commission of a prescribed offence, an authorised person should be satisfied that—
- (a) commission of the prescribed offence is a relatively minor matter; and
 - (b) only straightforward issues of law and fact are involved in determining whether the prescribed offence was committed, and the facts in issue are readily ascertainable.

6.3 Form of notices

For the purposes of this local law—

- (a) the form of the infringement notice referred to in sections 9.16 and 9.17 of the *Local Government Act 1995* is to be in the form of Form 2 of Schedule 1 of the *Local Government (Functions and General) Regulations 1996*; and
- (b) the form of the withdrawal of infringement notice referred to in section 9.20 of the *Local Government Act 1995* is to be in the form of Form 3 in Schedule 1 of the *Local Government (Functions and General) Regulations 1996*.

PART 7 – OBJECTIONS AND REVIEW

7.1 Objections and review

When the local government makes a decision under clause 3.2, the provision of Part 9 Division 1 of the *Local Government Act 1995*, and regulation 33 of the *Local Government (Functions and General) Regulations 1996*, apply to that decision.

SCHEDULE 1

OFFENCES AND MODIFIED PENALTIES

[Clause 6.2(2)]

Item No.	Clause No.	Modified penalties \$
1	2.1(1)	250
2	2.2(1)	250
3	2.3(a)	200
4	2.3(b)	200
5	2.4	250
6	2.5	250
7	2.6	250
8	2.10(1)	250
9	2.11(1)	250
10	2.11(4)	250
11	2.12(1)	250
12	3.3	250
13	6.1(1)	250

SCHEDULE 2

SPECIFICATIONS FOR A SUFFICIENT FENCE ON OR ABUTTING A LOT DEVELOPED FOR RESIDENTIAL USES

[Clause 2.1(2)(a)]

Each of the identified categories in this Schedule is a sufficient fence on a Residential Lot and the fence design being certified by a professional engineer.

Timber fence

- (a) corner posts to be 125mm x 125mm x 2,400mm and intermediate posts to be 125mm x 75mm x 2,400mm spaced at 2,400mm centres;
- (b) corner posts to be strutted two ways with 100mm x 50mm x 450mm sole plates and 75mm x 50mm struts;
- (c) intermediate posts to be doubled yankee strutted with 150mm x 25mm x 450mm struts; (d) all posts to have tops with a 60mm weather cut and to be sunk at least 600mm into the ground;
- (d) rails to be 75mm x 50mm with each rail spanning 2 bays of fencing double railed or bolted to each post with joints staggered;
- (e) the fence to be covered with 75mm x 20mm sawn pickets, 1 800mm in height placed 75mm apart and affixed securely to each rail; and
- (f) the height of the fence to be 1,800mm except with respect to the front set back area for which there is no minimum height but which is subject to clause 2.2.

Corrugated fence

A fence constructed of corrugated fibre reinforced pressed cement or steel sheeting constructed to manufacturer's specifications or which satisfies the following specifications—

- (a) a minimum in-ground length of 25 per cent of the total length of the sheet, but in any case shall have a minimum in-ground depth of 600mm;
- (b) the total height and depth of the fence to consist of a single continuous fibre reinforced cement or steel sheet;
- (c) the sheets to be lapped and capped with extruded "snap-fit" type capping in accordance with the manufacturers written instructions; and
- (d) the height of the fence to be 1,800mm except with respect to the front set back area for which there is no minimum height but which is subject to clause 2.2.

Brick, stone or concrete fence

A fence constructed of brick, stone or concrete, which satisfies the following requirements and specifications—

- (a) a site classification is to be provided by a professional engineer and the footing is to be designed in accordance with AS 2870-2011 Residential slabs and footings as amended;
- (b) footings of minimum 225mm x 150mm concrete 15MPa or 300mm x 175mm brick laid in cement mortar;

- (c) fences to be offset a minimum of 200mm at maximum 3,000mm centres or 225mm x 100mm engaged piers to be provided at maximum 3,000mm centres;
- (d) expansion joints in accordance with the manufacturer's written instructions; and
- (e) the height of the fence to be 1,800mm except with respect to the front set back area for which there is no minimum height but which is subject to clause 2.2.

Composite fence

A composite fence which satisfies the following specifications for the brick construction—

- (1)
 - (a) brick piers of minimum 345mm x 345mm at 1,800mm centres bonded to a minimum height base wall of 514mm;
 - (b) each pier shall be reinforced with one R10 galvanised starting rod 1 500mm high with a 250mm horizontal leg bedded into a 500mm x 200mm concrete footing and set 65mm above the base of the footing. The top of the footing shall be 1 course (85mm) below ground level;
 - (c) the minimum ultimate strength of brickwork shall be 20MPa. Mortar shall be a mix of 1 part cement, 1 part lime and 6 parts sand;
 - (d) the ground under the footings is to be compacted to 6 blows per 300mm and checked with a standard falling weight penetrometer; and
 - (e) control joints in brickwork shall be provided with double piers at a maximum of 6,000mm centres;

or

- (2)
 - (a) brick piers of a minimum 345mm x 345mm x 2,700mm centres bonded to the base wall; and
 - (b) each pier shall be reinforced with two R10 galvanised starting rods as previously specified.
-

SCHEDULE 3
SPECIFICATIONS FOR A SUFFICIENT FENCE ON OR ABUTTING A LOT
DEVELOPED FOR NON-RESIDENTIAL USES

[Clause 2.1(2)(b)]

Each of the identified categories in this Schedule, with minimum and maximum specifications where stated, is a sufficient fence on a Non-Residential Lot and the fence design being certified by a professional engineer.

Galvanised or PVC fence and gate

A fence constructed of galvanised or PVC coated non-rail link mesh, chain mesh or steel mesh which satisfies the following specifications—

- (a) corner posts to be minimum 50mm nominal bore x 3.5mm and with footings of a 225mm diameter x 900mm;
- (b) intermediate posts to be minimum 37mm nominal bore x 3.15mm at maximum 3,500mm centres and with footings of a 225mm diameter x 600mm;
- (c) struts to be minimum 30mm nominal bore x 3.15mm fitted at each gate and 2 at each corner post and with footings 225mm x 600mm;
- (d) cables to be affixed to the top, centre and bottom of all posts and to consist of 2 or more 3.15mm wires twisted together or single 4mm wire;
- (e) non-rail link, chain or steel mesh is to be to a height of 2,000mm on top of which are to be 3 strands of barbed wire carrying the fence to a height of 2,400mm in accordance with the requirements and standards of the local planning schemes; and
- (f) galvanised link mesh wire to be 2,000mm in height and constructed of 50mm mesh 2.5mm galvanised iron wire and to be strained, neatly secured and laced to the posts and affixed to cables. Vehicle entry gates shall provide an opening of not less than 3.6m and shall be constructed of 25mm tubular framework with 1 horizontal and 1 vertical stay constructed of 20mm piping and shall be covered with 50mm x 2.5mm galvanised link mesh strained to framework. Gates shall be fixed with a drop bolt and locking attachment.

Other fences

- (a) a fence of cement sheet or steel sheeting constructed to the minimum specifications referred to in Schedule 2;
 - (b) a fence constructed of aluminium sheeting when supported on posts and rails provided that it is used behind a building line and is of a minimum height of 1,800mm but no greater than 2,400mm; or
 - (c) a fence of timber, brick, stone or concrete constructed to the minimum specifications referred to in Schedule 2.
-

SCHEDULE 4
ELECTRIFIED FENCE PERMIT

[Clause 2.12(1)(a)]

This is to certify that:

[Name] of [Address]

is permitted, subject to the conditions set out below, to have and use an electrified fence on:

[Address]

from _____ 20 _____ and until this permit is transferred or cancelled.

Approved By:

Name: _____

Position _____

Date: ____/____/____

Conditions of Permit—

The holder of the permit must—

- (b) display the permit in a prominent position on the land or premises on which the electrified fence has been erected;
- (c) upon the request of a Building Surveyor produce to him or her the permit;
- (d) within 14 days of a change in the ownership or occupation of the land or premises in respect of which the permit has been granted, notify the CEO in writing of the details of that change or those changes;
- (e) obtain the written consent of the local government prior to the commencement of any alteration, addition or other work relating to or affecting the electrified fence; and
- (f) comply with AS/NZS 3016:2002 Electrical installations – Electric security fences.

Transfer by Endorsement

This permit is transferred to [Name] of [Address]

from and including the date of this endorsement.

Approved By:

Name: _____

Position _____

Date: ____/____/____

**SCHEDULE 5
RAZOR WIRE FENCE PERMIT**

[Clause 2.12(1)(b)]

This is to certify that

[Name] of [Address]

Is permitted, subject to the conditions set out below, to have a fence constructed wholly or partially of razor wire on:

[Address]

From _____ 20__ and until this permit is transferred or cancelled.

Approved By:

Name: _____

Position _____

Date: ____/____/____

Conditions of Permit—

- (a) display the permit in a prominent position on the land or premises on which the fence has been erected;
- (b) upon the request of a Building Surveyor produce to him or her the permit;
- (c) within 14 days of a change in the ownership or occupation of the land or premises in respect of which the permit has been granted, notify the CEO in writing of the details of that change or those changes; and
- (d) obtain the written consent of the local government prior to the commencement of any alteration, addition or other work relating to or affecting the fence.

Transfer by Endorsement

This permit is transferred to [Name] of [Address]

[Name] of [Address]

from and including the date of this endorsement.

Approved By

Name: _____

Position _____

Date: ____/____/____

SCHEDULE 5

Local Government Act 1995

CITY OF PERTH

FENCING LOCAL LAW 2015

Under the powers conferred by the *Local Government Act 1995*, and under all other powers enabling it, the Council of the City of Perth resolved on (Insert Council Meeting Date) to make the following local law.

PART 1 – PRELIMINARY

1.1 Citation

This local law may be cited as the *City of Perth Fencing Local Law 2015*.

1.2 Commencement

This local law comes into operation 14 days after the date of its publication in the *Government Gazette*.

1.3 Purpose and Effect

- (1) The purpose of this local law is to prescribe a sufficient fence and the standard for the construction of fences throughout the district of the City of Perth.
- (2) The effect of this local law is to establish the requirements for fencing within the district of the City of Perth.

1.4 Application

This local law applies throughout the district of the ~~*local government City of Perth*~~.

1.5 Repeal

The *City of Perth Fencing Local Law 2005* as published in the *Government Gazette* on 14 July 2005, and as amended on 29 February 2008, is repealed.

1.6 Definitions

In this local law unless the context requires otherwise—

“**Applicant**” means a person who makes an application for approval under this local law;

“**AS or AS/NZS**” means an Australian or Australian/New Zealand Standard as published by Standards Australia as amended from time to time;

“authorised person” means a person appointed by the City of Perth under section 9.10 of the *Local Government Act 1995* to perform any of the functions of an authorised person under this local law;

“barbed wire fence” means a wire or strand of wires having small pieces of sharply pointed wire twisted around it at short intervals;

“boundary fence” means a fence, other than a dividing fence, that separates private land from land that is local government property of a thoroughfare;

“Building Code” means the latest edition of the Building Code of Australia published from time to time by or on behalf of, the Australian Building Codes Board, as amended from time to time, but not including any explanatory information published with that Code;

“building permit” has the meaning given to it in the *Building Act 2011*;

“Building Surveyor” means a Building Surveyor of the local government;

“CEO” means the Chief Executive Officer of the local government;

“Council” means the Council of the local government;

“dangerous” in relation to any fence means, with the exception of electrified, barbed and razor wire fences as separately specified under this local law—

- (a) a fence containing exposed broken glass, asbestos fibre or any other potentially harmful projection or material; or
- (b) a fence which is likely to collapse or fall, or part of which is likely to collapse or fall, from any cause;

“district” means the district of the local government;

“district planning scheme” means a local planning scheme of the local government made under the *Planning and Development Act 2005*;

“dividing fence” has the meaning given to it by the *Dividing Fences Act 1961*;

“electrified fence” means a fence carrying or designed to carry an electric charge;

“fence” means any structure, not including a retaining wall, used or functioning as a barrier, irrespective of where it is located and includes any gate;

“front boundary” means the boundary line between a lot and the thoroughfare upon which that lot abuts, or in the case of a lot abutting on more than one thoroughfare, the boundary line between the lot and the primary thoroughfare;

“front fence” means a fence erected on the front boundary of a lot or on a line

adjacent to the front boundary;

“front setback area” means the area between the building line of a lot and the front boundary of that lot;

“height” in relation to a fence means the vertical distance between—

- (a) the top of the fence at any point; and
- (b) the ground level or, where the ground levels on each side of the fence are not the same, the higher ground level, immediately below that point;

“local government” means the local government of the City of Perth;

“local government property” means anything except a thoroughfare—

- (a) which belongs to the local government;
- (b) of which the local government is the management body under the *Land Administration Act 1997*; or
- (c) which is an “otherwise unvested facility” under section 3.53 of the *Local Government Act 1995*;

“lot” has the meaning given to it and for the purposes of the *Planning and Development Act 2005*;

“Non-Residential Lot” means any lot situated in the district that is not defined as a residential lot under this local law;

“notice of breach” means a notice referred to in clause 5.1 of this local law;

“occupier” has the meaning given to it in the *Local Government Act 1995*;

“owner” has the meaning given to it in the *Local Government Act 1995*;

“person” means any person, company, employer and includes an owner, occupier and licensee;

“razor wire fence” means a coiled strong wire with pieces of sharp cutting edges set across it at closes intervals;

“Residential Lot” means a lot where a residential use—

- (a) is or may be permitted under the district planning scheme; and
- (b) is or will be the predominant use of the lot;

“retaining wall” means any structure which prevents the movement of soil or retains soil or structures in order to allow ground levels of different elevations to exist adjacent to one another;

“Schedule” means a Schedule to this local law;

“sufficient fence” means a fence described in clause 2.1 of this local law, but

does not include a retaining wall;

“**thoroughfare**” has the meaning given to it by the *Local Government Act 1995*, but does not include a private thoroughfare which is not under the management or control of the local government.

1.7 Relationship with other laws

- (1) In the event of any inconsistency between the provisions of a district planning scheme and the provisions of this local law, the provisions of the district planning scheme are to prevail.
- (2) Nothing in this local law affects the need for compliance, in respect of a fence, with—
 - (a) any relevant provisions of a district planning scheme; and
 - (b) any relevant provisions that apply if a building permit is required for that fence under the *Building Act 2011* or *Building Regulations 2012*.

1.8 Licence fees and charges

All licence fees and charges applicable under this local law shall be determined by the Council from time to time in accordance with section 6.16 of the *Local Government Act 1995*.

PART 2 – FENCES

Division 1 – Sufficient Fences

2.1 Sufficient fences

~~2.1~~ **Meaning of “sufficient fence”**

- (1) A person shall not erect a dividing fence or a boundary fence that is not a sufficient fence, unless otherwise approved or required by the local government.
- (2) Subject to subclause (3) and (4), a sufficient fence—
 - (a) on a Residential Lot is a dividing fence or a boundary fence constructed and maintained in accordance with the specifications and requirements of Schedule 2;
 - (b) on a Non-Residential Lot is a dividing fence or a boundary fence constructed and maintained in accordance with the specifications and requirements of Schedule 3;
- (3) An application must be made to the local government for grant of consent to any variation to the specifications in Schedules 2 and 3.
- (4) Unless an authorised person determines otherwise, a sufficient fence on a boundary between lots other than those specified in subclause ~~(2)~~(3) is a dividing fence constructed in accordance with the specifications and requirements of Schedule 2 or Schedule 3, whichever is appropriate.
- (5) Notwithstanding any other provision in this local law, a dividing fence or boundary fence constructed of masonry, stone or concrete shall be a sufficient fence only if it is designed by a professional engineer and constructed in accordance with that design where—
 - (a) it is greater than 750 millimetres in height; or
 - (b) the Building Surveyor so requires.
- (6) Notwithstanding any other provision in this local law, a dividing fence or boundary fence shall not exceed 1,800 millimetres height unless the approval of the local government has been obtained for such a fence.

Division 2 – General

2.2 Fences within front setback areas

- (1) A person shall not, without the written consent of the Building Surveyor, erect a free-standing fence greater than 1,200 millimetres in height, within the front set-

back area of a Residential Lot within the district.

- (2) The Building Surveyor may approve the erection of a fence of a height greater than 1,200 millimetres in the front setback area of a Residential Lot only if the fence on each side of the driveway into the lot across the front boundary is to be angled into the lot for a distance of not less than 1,500 millimetres along the frontage to a distance of not less than 1,500 millimetres from the frontage in order to provide appropriate splayed lines of vision for a motorist using the driveway for access to a thoroughfare.
- (3) The provision of subclause (2) shall not apply to a fence—
 - (a) of open construction that does not obscure the lines of vision of a motorist using the driveway for access to a thoroughfare; or
 - (b) that does not adjoin a footpath.

2.3 Gates in fences

~~(1)~~ A person shall not erect a gate in a fence which does not—

- (a) open into the lot; or
- (b) open by sliding parallel and on the inside of the fence, which it forms part of, when closed.

without first obtaining the written approval of the local government.

2.4 Depositing fencing material on public place

A person shall not deposit or permit the deposit of any materials whatsoever used in the construction or maintenance of any fence, on any thoroughfare, public place or local government property unless the approval of the local government has been obtained.

2.5 Maintenance of fences

An owner of a lot or any person undertaking work on a lot on which a fence is erected shall maintain the fence in good condition so as to prevent it from becoming dangerous, dilapidated, or unsightly to the amenity of the locality.

2.6 Fences across rights-of-ways, public access ways or thoroughfares

A person must not, without the approval of the local government, erect or maintain a fence or obstruction of a temporary or permanent nature across any right-of-way, public access way or thoroughfare so as to impede or prevent use of those facilities in the manner for which they are intended and constructed.

2.7 Fences and Sightlines

~~Unless otherwise approved by the local government—~~

- ~~(a)(4)~~ Front fences or boundary fences that are adjacent to a vehicle access point or a thoroughfare shall be truncated with the minimum dimension of the truncation being 2,000 millimetres or the fence reduced in height to no more than 750 millimetres, unless—
- ~~(i)(a)~~ the fence is an open fence that does not obscure the lines of vision of a motorist using the vehicle access point or thoroughfare; or
 - ~~(ii)(b)~~ there is a distance of 3,500 millimetres between the fence and a carriageway or footpath.
- ~~(b)(2)~~ Where a dividing fence is closer than 2,000 millimetres from a vehicle access point and connects to a thoroughfare, the dividing fence shall be reduced to 750 millimetres in height for the first 2,000 millimetres from the thoroughfare back into the lot.
- ~~(c)(3)~~ A corner Lot without the standard street corner truncation, with a front fence height that exceeds 750 millimetres in height of solid material is not permitted within the 6,000 millimetres by 6,000 millimetres corner sightline area.
- ~~(d)(4)~~ Where two right of ways or laneways intersect, a 3,000 millimetres by 3,000 millimetres sightline is required so that a fence height that exceeds 750mm in height of solid material is not permitted.

~~Or unless otherwise approved by the local government.~~

2.8 Dividing Fences

- (1) Notwithstanding the provisions of clause 2.1, an authorised person may approve the erection or repair of a dividing fence which is not a sufficient fence where all of the owners of the lots to be separated by the dividing fence make an application for approval for that purpose.
- (2) In determining whether to grant approval under subclause (1), an authorised person may consider, in addition to any other matter they are authorised to consider, where the erection or retention of the fence would have an adverse effect on—
 - (a) the safe or convenient use of any land;
 - (b) the safety or convenience of any person; or
 - (c) the visual amenity of the locality.

Division 3 – Fencing Materials

2.9 Fencing Designs

Where required by ~~the~~ *an authorised person*, fencing designs are to be certified by a professional engineer as being suitable for wind loadings found in Region D Category 2 areas in accordance with the current edition of AS/NZS 1170.0:2002 Structural design actions – General principles.

2.10 Pre-used fencing materials

- (1) Notwithstanding clause 2.1, a person shall not construct a fence on a Residential Lot or a Non-Residential Lot from pre-used materials without the approval of the local government.
- (2) Where the local government approves the use of pre-used materials in the construction of a fence under subclause (1), that approval shall be conditional on the applicant painting or treating the pre-used material as directed by the Building Surveyor.

2.11 Barbed wire fences and spiked or jagged materials

- (1) An owner or occupier of a Residential Lot or a Non-Residential Lot shall not erect, affix or allow to remain on any fence on such a lot any barbed wire or other material with spiked or jagged projections, unless the prior written approval of the local government has been obtained.
- (2) Any fence bounding a lot that has barbed wire or other materials with spiked or jagged projections affixed to it may only be approved if the wire or other materials are carried on posts at an angle of 45 degrees, with the bottom row being a minimum of 2,000 millimetres from the ground level.
- (3) If the posts which carry the barbed wire or other materials referred to in subclause (2) are angled towards the outside of the lot bounded by the fence, the face of the fence must be set back from the lot boundary a sufficient distance to ensure that the angled posts, barbed wire or other materials do not encroach on adjoining land.
- (4) An owner or occupier of a lot shall not erect, affix or allow to remain as part of any fence or wall, whether internal or external, on that lot any broken glass.

2.12 Electrified and razor wire fences

- (1) An owner or occupier of a lot shall not—
 - (a) construct or use an electrified fence on that lot without obtaining the approval of the local government in the form prescribed in Schedule 4; or

- (b) construct a fence wholly or partly of razor wire on that lot without obtaining the approval of the local government in the form prescribed in Schedule 5.
- (2) The local government shall not approve an application for the purpose of subclause (1)(a)—
- (a) in respect of a lot which is or which abuts a Residential Lot;
 - (b) unless the ~~prohibited~~ fence will comply ~~complies~~ with “AS/NZS 3016:2002 Electrical installations – Electricity security fences”; and
 - (c) unless provision is made so as to enable the fence to be rendered inoperable during the hours of business operations, if any, on the lot where it is erected.
- (3) The local government shall not approve an application for the purpose of subclause (1)(b)—
- (a) if the fence is within 3,000 millimetres of the boundary of the lot; or
 - (b) where any razor wire used in the construction of the fence is less than 2,000 millimetres or more than 2,400 millimetres above the ground level.
- (4) An application for approval for the purpose of subclauses (1)(a) or (1)(b) shall be made by the owner of the lot on which the fence is or is to be erected, or by the occupier of the lot with the written consent of the owner.

2.13 Prohibited fencing materials

- ~~(1)~~ In constructing a fence a person must not use—
- (a) broken glass or any other potentially harmful projections or material;
 - (b) asbestos fibre;
 - (b) material that is likely to collapse or fall, or part of which is likely to collapse or fall, from any cause; and
 - (d) pre-used materials unless the material is painted or treated to the satisfaction of an authorised person.

2.14 Building Code

- (1) Subject to subclauses (2) and (3), a fence shall be constructed in accordance with the relevant provisions of the Building Code.
- (2) Where there is inconsistency between the standards or requirements of this local law and those specified in the Building Code, the standards and requirements of the Building Code shall prevail.

- (3) Subclause (1) shall not apply to an existing fence, except where the existing fence is demolished, pulled down or removed and re-erected, or in some substantial way structurally altered or amended, in which case subclause (1) shall apply to the re-erection, alteration or amendment.

PART 3 – APPROVALS

3.1 Application for approval

- (1) Where a person is required to obtain the approval of the local government under this local law, that person shall apply for approval in accordance with subclause (2).
- (2) An application for approval under this local law shall—
 - (a) be in the form determined by the local government;
 - (b) be signed by the applicant and the owner of the lot;
 - (c) provide the information required by the form; and
 - (d) be forwarded to the local government together with any fee imposed and determined by the local government under and in accordance with section 6.19 of the *Local Government Act 1995*.
- (3) An authorised person may require an applicant to provide additional information reasonably related to an application before an application is considered for approval.
- (4) An authorised person may refuse to consider an application for approval which is not in accordance with subclauses (2) and (3).

3.2 Decision on application for approval

- (1) The local government may—
 - (a) approve an application for approval unconditionally or subject to any conditions; or
 - (b) refuse to approve an application for approval.
- (2) If the local government approves an application for approval, it is to issue to the applicant an approval in the form determined by the local government.
- (3) If the local government refuses to approve an application for approval, it is to give written notice of that refusal to the applicant.
- (4) Where a clause of this local law refers to conditions which may be imposed on

an approval or which are to be taken to be imposed on an approval, the clause does not limit the power of the local government to impose other conditions on the approval under subclause (1)(a).

3.3 Compliance with approval

Where an application for approval has been approved, the applicant and the owner or occupier of the lot to which the approval relates, shall comply with the terms and any conditions of that approval.

3.4 Duration of approval

Unless otherwise stated in the form of approval, an approval granted under this local law—

- (a) runs with the lot to which it relates;
- (b) may be relied upon by any subsequent occupier or owner of the lot; and
- (c) may be enforced by the local government against a subsequent occupier or owner of the lot.

PART 4 – MISCELLANEOUS

4.1 False or misleading statement

A person shall not make a false or misleading statement in connection with any application, requirement or request under this local law.

PART 5 – NOTICES OF BREACH

5.1 Notices of breach

- (1) Where a breach of any provision of this local law has occurred in relation to a fence on a lot, an authorised person may give a notice in writing to the owner of that lot.
- (2) A notice of breach shall—
 - (a) specify the provision of this local law which has been breached;
 - (b) specify the particulars of the breach; and
 - (c) state that the owner is required to remedy the breach within the time specified in the notice.
- (3) Should an owner fail to comply with a notice of breach, the local government may, by its employees, agents or contractors enter upon the lot to which the

notice relates and remedy the breach, and may recover the expenses of so doing from the owner of the lot in a court of competent jurisdiction.

- (4) The provisions of this clause are subject to section 3.25 and item 12 of Division 1 of Schedule 3.1 of the *Local Government Act 1995* and any entry on to land will be in accordance with Part 3, Division 3 of that Act.

PART 6 – OFFENCES

6.1 Offences and penalties

- (1) ~~*A person who fails to comply with a notice of breach commits an offence, and is liable upon conviction to a penalty as prescribed in Schedule 1 and if the offence is a continuing offence, to a maximum daily penalty as prescribed in Schedule 1.*~~
- (2) ~~*A person who commits an offence under fails to comply with or who contravenes any provision of this local law commits an offence and is liable, on conviction, to a penalty not exceeding \$5000, and if the offence is of a continuing nature, to an additional penalty not exceeding \$500 for each day or part of a day which the offence has continued. as prescribed in Schedule 1 and if the offence is a continuing offence, to a maximum daily penalty as prescribed in Schedule 1.*~~

6.2 Modified penalties

- (1) An offence against any provision of this local law is a prescribed offence for the purposes of section 9.16(1) of the *Local Government Act 1995*.
- (2) The amount appearing in the final column of Schedule 1, directly opposite a prescribed offence in that Schedule, is the modified penalty for that prescribed offence.
- (3) For the purpose of guidance only, before giving an infringement notice to a person in respect of the commission of a prescribed offence, an authorised person should be satisfied that—
 - (a) commission of the prescribed offence is a relatively minor matter; and
 - (b) only straightforward issues of law and fact are involved in determining whether the prescribed offence was committed, and the facts in issue are readily ascertainable.

6.3 Form of notices

For the purposes of this local law—

- (a) the form of the infringement notice referred to in sections 9.16 and 9.17 of the *Local Government Act 1995* is to be in the form of Form 2 of

Schedule 1 of the *Local Government (Functions and General) Regulations 1996*; and

- (b) the form of the withdrawal of infringement notice referred to in section 9.20 of the *Local Government Act 1995* is to be in the form of Form 3 in Schedule 1 of the *Local Government (Functions and General) Regulations 1996*.

PART 7 – OBJECTIONS AND REVIEW

7.1 Objections and review

When the local government makes a decision under clause 3.2, the provision of Part 9 Division 1 of the *Local Government Act 1995*, and regulation 33 of the *Local Government (Functions and General) Regulations 1996*, apply to that decision.

SCHEDULE 1

OFFENCES AND MODIFIED PENALTIES

[Clause 6.2(2)]

Item No.	Clause No.	Modified penalties \$
1	2.1(1)	250
2	2.2(1)	250
3	2.3(a)	200
4	2.3(b)	200
5	2.4	250
6	2.5	250
7	2.6	250
8	2.10(1)	250
9	2.11(1)	250
10	2.11(4)	250
11	2.12(1)	250
12	3.3	250
13	5.1 6.1(1)	250

SCHEDULE 2

SPECIFICATIONS FOR A SUFFICIENT FENCE ON OR ABUTTING A LOT DEVELOPED FOR RESIDENTIAL USES

[Clause 2.1(2)(a)]

Each of the identified categories in this Schedule is a sufficient fence on a Residential Lot and the fence design being certified by a professional engineer.

Timber fence

- (a) corner posts to be 125mm x 125mm x 2,400mm and intermediate posts to be 125mm x 75mm x 2,400mm spaced at 2,400mm centres;
- (b) corner posts to be strutted two ways with 100mm x 50mm x 450mm sole plates and 75mm x 50mm struts;
- (c) intermediate posts to be doubled yankee strutted with 150mm x 25mm x 450mm struts; (d) all posts to have tops with a 60mm weather cut and to be sunk at least 600mm into the ground;
- (d) rails to be 75mm x 50mm with each rail spanning 2 bays of fencing double railed or bolted to each post with joints staggered;
- (e) the fence to be covered with 75mm x 20mm sawn pickets, 1 800mm in height placed 75mm apart and affixed securely to each rail; and
- (f) the height of the fence to be 1,800mm except with respect to the front set back area for which there is no minimum height but which is subject to clause 2.2.

Corrugated fence

A fence constructed of corrugated fibre reinforced pressed cement or steel sheeting constructed to manufacturer's specifications or which satisfies the following specifications—

- (a) a minimum in-ground length of 25 per cent of the total length of the sheet, but in any case shall have a minimum in-ground depth of 600mm;
- (b) the total height and depth of the fence to consist of a single continuous fibre reinforced cement or steel sheet;
- (c) the sheets to be lapped and capped with extruded "snap-fit" type capping in accordance with the manufacturers written instructions; and
- (d) the height of the fence to be 1,800mm except with respect to the front set back area for which there is no minimum height but which is subject to clause 2.2.

Brick, stone or concrete fence

A fence constructed of brick, stone or concrete, which satisfies the following requirements and specifications—

- (a) a site classification is to be provided by a professional engineer and the footing is to be designed in accordance with AS 2870-2011 Residential slabs and footings as amended;
- (b) footings of minimum 225mm x 150mm concrete 15MPa or 300mm x 175mm brick laid in cement mortar;

- (c) fences to be offset a minimum of 200mm at maximum 3,000mm centres or 225mm x 100mm engaged piers to be provided at maximum 3,000mm centres;
- (d) expansion joints in accordance with the manufacturer's written instructions; and
- (e) the height of the fence to be 1,800mm except with respect to the front set back area for which there is no minimum height but which is subject to clause 2.2.

Composite fence

A composite fence which satisfies the following specifications for the brick construction—

- (1) (a) brick piers of minimum 345mm x 345mm at 1,800mm centres bonded to a minimum height base wall of 514mm;
- (b) each pier shall be reinforced with one R10 galvanised starting rod 1 500mm high with a 250mm horizontal leg bedded into a 500mm x 200mm concrete footing and set 65mm above the base of the footing. The top of the footing shall be 1 course (85mm) below ground level;
- (c) the minimum ultimate strength of brickwork shall be 20MPa. Mortar shall be a mix of 1 part cement, 1 part lime and 6 parts sand;
- (d) the ground under the footings is to be compacted to 6 blows per 300mm and checked with a standard falling weight penetrometer; and
- (e) control joints in brickwork shall be provided with double piers at a maximum of 6,000mm centres;

or

- (2) (a) brick piers of a minimum 345mm x 345mm x 2,700mm centres bonded to the base wall; and
 - (b) each pier shall be reinforced with two R10 galvanised starting rods as previously specified.
-

SCHEDULE 3
SPECIFICATIONS FOR A SUFFICIENT FENCE ON OR ABUTTING A LOT
DEVELOPED FOR NON-RESIDENTIAL USES

[Clause 2.1(2)(b)]

Each of the identified categories in this Schedule, with minimum and maximum specifications where stated, is a sufficient fence on a Non-Residential Lot and the fence design being certified by a professional engineer.

Galvanised or PVC fence and gate

A fence constructed of galvanised or PVC coated non-rail link mesh, chain mesh or steel mesh which satisfies the following specifications—

- (a) corner posts to be minimum 50mm nominal bore x 3.5mm and with footings of a 225mm diameter x 900mm;
- (b) intermediate posts to be minimum 37mm nominal bore x 3.15mm at maximum 3,500mm centres and with footings of a 225mm diameter x 600mm;
- (c) struts to be minimum 30mm nominal bore x 3.15mm fitted at each gate and 2 at each corner post and with footings 225mm x 600mm;
- (d) cables to be affixed to the top, centre and bottom of all posts and to consist of 2 or more 3.15mm wires twisted together or single 4mm wire;
- (e) non-rail link, chain or steel mesh is to be to a height of 2,000mm on top of which are to be 3 strands of barbed wire carrying the fence to a height of 2,400mm in accordance with the requirements and standards of the local planning schemes; and
- (f) galvanised link mesh wire to be 2,000mm in height and constructed of 50mm mesh 2.5mm galvanised iron wire and to be strained, neatly secured and laced to the posts and affixed to cables. Vehicle entry gates shall provide an opening of not less than 3.6m and shall be constructed of 25mm tubular framework with 1 horizontal and 1 vertical stay constructed of 20mm piping and shall be covered with 50mm x 2.5mm galvanised link mesh strained to framework. Gates shall be fixed with a drop bolt and locking attachment.

Other fences

- (a) a fence of cement sheet or steel sheeting constructed to the minimum specifications referred to in Schedule 2;
 - (b) a fence constructed of aluminium sheeting when supported on posts and rails provided that it is used behind a building line and is of a minimum height of 1,800mm but no greater than 2,400mm; or
 - (c) a fence of timber, brick, stone or concrete constructed to the minimum specifications referred to in Schedule 2.
-

SCHEDULE 4
ELECTRIFIED FENCE PERMIT

[Clause 2.12(1)(a)]

This is to certify that:

[Name] of [Address]

is permitted, subject to the conditions set out below, to have and use an electrified fence on:

[Address]

from _____ 20 _____ and until this permit is transferred or cancelled.

Approved By:

Name: _____

Position _____

Date: ____/____/____

Conditions of Permit—

The holder of the permit must—

- (b) display the permit in a prominent position on the land or premises on which the electrified fence has been erected;
- (c) upon the request of a Building Surveyor produce to him or her the permit;
- (d) within 14 days of a change in the ownership or occupation of the land or premises in respect of which the permit has been granted, notify the CEO in writing of the details of that change or those changes;
- (e) obtain the written consent of the local government prior to the commencement of any alteration, addition or other work relating to or affecting the electrified fence; and
- (f) comply with AS/NZS 3016:2002 Electrical installations – Electric security fences.

Transfer by Endorsement

This permit is transferred to [Name] of [Address]

from and including the date of this endorsement.

Approved By:

Name: _____

Position _____

Date: ____/____/____

**SCHEDULE 5
RAZOR WIRE FENCE PERMIT**

[Clause 2.12(1)(b)]

This is to certify that

[Name] of [Address]

Is permitted, subject to the conditions set out below, to have a fence constructed wholly or partially of razor wire on:

[Address]

From _____ 20__ and until this permit is transferred or cancelled.

Approved By:

Name: _____

Position _____

Date: ____/____/____

Conditions of Permit—

- (a) display the permit in a prominent position on the land or premises on which the fence has been erected;
- (b) upon the request of a Building Surveyor produce to him or her the permit;
- (c) within 14 days of a change in the ownership or occupation of the land or premises in respect of which the permit has been granted, notify the CEO in writing of the details of that change or those changes; and
- (d) obtain the written consent of the local government prior to the commencement of any alteration, addition or other work relating to or affecting the fence.

Transfer by Endorsement

This permit is transferred to [Name] of [Address]

[Name] of [Address]

from and including the date of this endorsement.

Approved By

Name: _____

Position _____

Date: ____/____/____

SCHEDULE 6

The DLGC's main comments and the City of Perth Office responses are summarised below and have been incorporated into the proposed City of Perth Fencing Local Law 2015.

Clause	DLG Suggestions	Officer Response
Clause 1.3 – Purpose and Effect	While section 3.12 of the <i>Local Government Act 1995</i> requires the purpose and effect of a local law to be included in public notices, there is no requirement for the purpose and effect to be mentioned in the local law itself. The City may delete this clause if it so wishes.	It is standard drafting for the City of Perth to retain the Purpose and Effect within local laws as it provides clarity for the the community.
Australian Standards and Building Codes referenced throughout the local law	Ongoing accuracy of, and public access to, Australian Standards and Building Codes referenced with the local law should be considered.	All Australian Standards that have been referenced within this Local Law are accurate. The Interpretation of these AS or AS/NZS in the local law means a standard published by Standards Australia as amended from time to time. Public access to these documents is available at the State Library of Western Australia. This will be included in the administrative version of the local law published on the City's website.
Clause 2.7 - Fences and Sightlines	At the end of subclause (4), delete the statement " <i>Or unless otherwise approved by the local government</i> " or redesignate as subclause (5), whichever is applicable.	This statement is relevant to the entire Clause 2.7 and this statement has therefore has been relocated to the beginning of the Clause for clarity.
Clause 2.9 – Fencing Designs	Clause 2.9 does not specify who the " <i>person</i> " might be.	Noted and amended to read "authorised person"
Clause 2.12 – Electric fences	In subclause (2)(b), delete the words " <i>prohibited</i> " and amend the word " <i>complies</i> " to " <i>will comply</i> "	Noted and amended in the proposed Local Law.
Clause 6.1 – Offences and Penalties	Simplify Clause 6.1(1) and (2) to read: " <i>A person who fails to comply with a notice of breach commits an offence.</i> " " <i>A person who commits an offence under this local law is liable, on conviction, to a penalty not exceeding \$5000, and if the offence is of a continuing nature, to an additional penalty not exceeding \$500 for each day or part of a day which the offence has continued.</i> "	Noted and amended in proposed local law. <i>(It is noted that this amendment will be considered a significantly different proposal to the previously advertised local law)</i>
Minor Edits to Clauses 1.4, 2.1, 2.3, 2.13, Schedule 1	Minor amendments to various clauses as follows: Clause 1.4: Replace " <i>City of Perth</i> " with " <i>local government</i> ";	Noted and amended in proposed Local Law.

Clause	DLG Suggestions	Officer Response
	<p>Clause 2.1: Deleted one of the two titles in this Clause.</p> <p>In subclause (4) replace “<i>subclause (3)</i>” with “<i>subclause (2)</i>”.</p> <p>Clause 2.3 and 2.13: The designation “(1)” can be removed, as the clause has no other subclauses.</p> <p>Schedule 1: Item 2 – Change clause number to “2.2(1)”; Item 13 – Change clause number to “6.1(1)”.</p>
