REPORTING UNIT: Economic Development Unit  
RESPONSIBLE DIRECTORATE: Economic Development & Activation  
DATE: 19 October 2016  
MAP / SCHEDULE: Schedule 1 – Target market of startups compared to top WA industries

Unearthed Solutions Pty Ltd, based in Perth, was established in 2014 to improve the efficiency and competitiveness of the resources sector by driving sustainable technology and innovation. Unearthed Solutions Pty Ltd is a for-profit organisation that receives funding support for its events from the resource and technology sectors as well as the government sector. The company hosts open innovation *Hackathon* events where resource companies host challenges supported by proprietary data, providing an environment where entrepreneurs and innovators can build prototype solutions that solve particular industry challenges. Unearthed also runs an Accelerator Program which invests in early-stage companies that will deliver efficiency gains in the resource sector.

*Hackathons* bring together software developers, designers and industry insiders to develop prototype solutions to real-world resources sector problems over the space of a weekend. To date, these solutions have been adopted by resource companies such as BHP Billiton, Rio Tinto, Anglo American, Newcrest and Woodside.

Unearthed engages with these organisations and other key stakeholders and policy-makers that play a part in influencing the future of Australia's resources sector.

Unearthed also acts as a facilitator between new technologies and industry, and assists in providing opportunities to start-up businesses hoping to break into the resources sector. This has been identified as a key area of opportunity in the 2016 Start-up WA Ecosystem Report, as mining and resources comprise over 30 per cent of WA's Gross State Product (GSP), but has yet to attract significant numbers of tech companies to focus on the sector. (See Schedule 1)

The 2016 Start-Up WA report detailed that technology start-ups have increased by 235% over the last two years, playing an important role in alleviating vacancy rates in the city.

Unearthed's Directors all have significant experience in the resources and oil and gas industry, and have contributed to the growth in Perth's creative industries network through their contributions to initiatives such as Start-up Weekend, GovHack, West Tech Fest and Morning Start-up.

### **Summary of Event:**

The City has received a request for \$25,000 corporate sponsorship (excluding GST) from Unearthed Solutions Pty Ltd to support the following key activities in Perth during the 2016/17 financial year:

### Unearthed Demo Day

First held in December 2015, the Demo Day celebrates and showcases the results of the previous years' worth of Uearthed challenges and the solutions that have been developed. The event includes keynote speakers, panel discussions and presentations from representatives of startup companies that are focused on the resources and energy sector.

The Demo Day will be held on 7 December 2016 at the Perth Town Hall and is a featured event within the 2016 West Tech Fest program.

### Uearthed Hackathon Perth

The next scheduled Uearthed Perth *Hackathon* event is scheduled to be held in May 2017.

An Uearthed *Hackathon* is a 54 hour open-innovation event where software developers, engineers, designers, data scientists and entrepreneurs gather together to produce prototype solutions to challenges faced by global resources companies. Unlike other *Hackathon* events the City of Perth supports, Uearthed *Hackathons* are specifically related to the mining and resources sector and have been well received from industry and participants previously.

In 2015, Uearthed hosted *Hackathon* events in Perth, Brisbane, Sydney, Adelaide and Melbourne. So far this year, Uearthed has held *Hackathons* around Australia as well as in Cape Town, South Africa, prior to Africa's largest mining conference, Mining Indaba and more recently in San Francisco prior to the MINExpo Conference.

### **Previous Sponsorship Provided**

The City has previously provided the following sponsorship amounts to Uearthed:

Year	Amount (ex GST)	Purpose
2015	\$10,000	2015 Uearthed Perth Hackathon
2015	\$5,000	2015 Uearthed Demo Day as part of the 2015 West tech Fest
<b>2016</b>	<b>\$5,000</b>	<b>2016 Uearthed Perth Hackathon</b>

The City's sponsorship funding will be used to support the development and execution of these two events, as well as any additional events that may be held within Perth over the 2016-17 financial year. The City will look to leverage its financial contribution by also providing promotional support for Uearthed events across the City's various communication channels.

The recommended increase in funding relates to an increase in the size and quality of the scheduled events, the increased ongoing recognition the City will receive for its

support and recognises the strategic value the City places on its relationship with Uearthed and the work that they undertake.

The proposed change in sponsorship model to cover activities over the course of the financial year will result in greater promotion and acknowledgement of the City and its role in supporting Uearthed.

The event also promotes and encourages young entrepreneurs in forming their own businesses, which is great outcome for the Western Australian economy as well as assisting in reducing office vacancy rates in the city.

The Hellenic Community of Western Australia Inc., located at 20 Parker Street, Northbridge, is a not-for-profit organisation that has operated since 1921. The organisation relies mainly on volunteers to provide a range of services that include a play group, social event coordination, aged care, education and other charitable activities.

The Hellenic Community of Western Australia Inc. has provided the following aims and objectives:

- To promote the religious, moral and intellectual education and learning of the members of the community;
- To do and perform all acts, manners and things as are charitable and/or benevolent purposes having public benefit;
- To render assistance for the promotion of welfare and relief of persons of Greek origin and/or Greek Orthodox Faith in necessitous circumstances, whether such circumstances are caused by social or psychological problems, old age, poverty, illness, disease or otherwise; and
- To promote and maintain a closer friendship between the members of the Community and other Australians generally and for that purpose support any national, patriotic or community purpose.

The organisation states that City of Perth residents benefit from services provided by the Hellenic Community of Western Australia through:

1. The celebration of a significant religious event within their Council (estimated to be 15,000 Greek Orthodox in Perth);
2. The commercial trade from the influx of parishioner families who reside in other Council areas;
3. The event is observed by other persons in Northbridge as Eastern Orthodox and non-Orthodox Easters coincide every few years and serves to promote inter-faith awareness through the public display of an important religious ritual; and
4. Assists the community at large through the Homeless Connect Program collecting food and clothing for the disadvantaged as well as offering the community hall free of charge for the Homeless Connect Program.
