

City of **Perth**

Agenda

Ordinary Council Meeting

24 November 2020

Notice of Meeting

To the Lord Mayor and Councillors

The next Ordinary Council Meeting will be held on Tuesday, 24 November 2020 in the Council Chamber, Level 9, 27 St Georges Terrace, Perth commencing at 5pm.

Michelle Reynolds

Chief Executive Officer

20 November 2020

Information

This information is provided on matters which may affect members of the public. If you have any queries on procedural matters, please contact a member of the City's Governance team via governance@cityofperth.wa.gov.au

Question Time for the Public

An opportunity is available at Council meetings for members of the public to ask a question about any issue relating to the City. This time is available only for asking questions and not for making statements. Complex questions requiring research should be submitted as early as possible to allow the City time to prepare a response.

The Presiding Person may nominate a member of staff to answer the question and may also determine that any complex question requiring research be answered in writing. No debate or discussion can take place on any question or answer.

To ask a question, please complete the Public Question Time form available on the City's website www.perth.wa.gov.au/council/council-meetings.

Deputations

To submit a deputation request, please complete the Deputation Request form available on the City's website www.perth.wa.gov.au/council/council-meetings.

Disclaimer

Members of the public should note that in any discussion regarding any planning or other applications that any statement or intimation of approval made by any Commissioner or officer of the City during the course of any meeting is not intended to be, and is not to be taken as, notice of approval from the City. No action should be taken on any item discussed at a Council meeting prior to written advice on the resolution of the Council being received.

Any plans or documents contained in this agenda may be subject to copyright law provisions (*Copyright Act 1968, as amended*) and the express permission of the copyright owner(s) should be sought prior to their reproduction.

9. Correspondence

10. Petitions

11. Planning and Economic Development Alliance Reports

11.1 Signing of Memorandum of Understanding with Denpasar City, Indonesia

Responsible Officer	Jayson Miragliotta General Manager Planning and Economic Development
Voting Requirement	Simple Majority
Attachments	Attachment 11.1A – Memorandum of Understanding between the City of Perth and Denpasar City Attachment 11.1B – Letter of Intent between the City of Perth and Denpasar City

Purpose

To seek Council's approval to execute a Memorandum of Understanding (MOU) between the City of Perth and Denpasar City regarding collaboration of economic development activities related to creative and digital economies.

Recommendation

That Council APPROVES the City signing and executing of a Memorandum of Understanding with Denpasar City, Indonesia, regarding cooperation between the two cities on the development of their creative and digital economies.

Background

1. In April 2017, the Australian Consul General in Bali, Dr Helena Studdert, met with representatives from the City of Perth to discuss the Consulate's role in Bali and to identify opportunities for possible collaborations between Perth and Bali.
2. Following initial discussions, Dr Studdert advised of an opportunity to progress a cooperative arrangement with Denpasar City around digital startups, and creative and digital economy exchanges. A six-person delegation from Denpasar City, including Mayor Ida Bagus Ria Mantra, visited Perth from 22-26 November 2018 to sign a Letter of Intent (Attachment 11.1B). As part of this visit, City Officers also coordinated a visit program that showcased the City's co-working spaces, business incubators, universities and digital ecosystem, as well as tourism and liveability aspects of Perth.
3. Council previously approved the signing of the MOU with Denpasar at its meeting on 29 October 2019, but due to the effects of COVID-19 and other issues, the MOU has not yet been executed. Given the recent election, it is considered appropriate for the newly elected Council to have visibility of the proposed MOU and to progress execution of the document.
4. A Memorandum of Understanding (MOU) (Attachment 11.1A) between the City of Perth and Denpasar City will include collaborations and exchange programs between startups, co-working spaces, universities and other related stakeholders over the next five years.

Discussion

5. The MOU (Attachment 11.1A) will establish a formal mechanism for Perth to collaborate with Denpasar City on initiatives related to the development of the digital and creative economy ecosystems within their respective cities. For this purpose, the term 'ecosystem' is regarded to mean the interrelation and activity between stakeholders, programs, workspaces, etc. within a specific location.
6. The MOU will be for a five-year period and cover areas such as training and development, business incubator programs, knowledge sharing and technology development. The MOU will establish connections and relationships between the ecosystems in each city, help facilitate exchange programs, give startup companies and entrepreneurs opportunities to learn more from experts in counterpart cities and provide potential market entry opportunities for local businesses to leverage the \$1.69 trillion-dollar Indonesian economy.
7. Progressing this MOU between Perth and Denpasar is in strong alignment with the City's economic development and international engagement objectives, which prioritise supporting emerging industries such as innovation and startup companies to increase economic diversification and increased engagement and economic activities with cities within the Indian Ocean Rim region.
8. Initiatives such as this will help to position Perth as a key destination for future Indonesian investment, which is timely given the rising middle class within Indonesia and the country's increasing economic

strength, with the nation pursuing an agenda of becoming one of the world's five largest economies by 2045.

9. The MOU is also in strong alignment with the WA State Government's Asian Engagement Strategy and the recently enacted Indonesia-Australia Comprehensive Economic Partnership Agreement (IA-CEPA).
10. The MOU will increase the level of collaboration and knowledge exchange related to startups and innovation between Perth and Denpasar which will benefit the stakeholders and residents of each of the respective cities. The City's role as a facilitator in helping to foster and encourage this collaboration will also strengthen connections and relationships between the City and local innovation sector stakeholders.
11. The current Mayor of Denpasar, Mayor Ida Bagus Ria Mantra, and his administration have been instrumental in the development of this opportunity. Regional elections will take place in Indonesia in December 2020 and as such, there is some time sensitivity around the commitment of the City of Perth to the MOU. The timely commitment of the City to the MOU will afford the Mayor the opportunity to realise this partnership whilst still in office.

Stakeholder Engagement

12. The City has liaised with various stakeholders involved in the local startup and innovation ecosystem regarding the collaboration opportunities with Denpasar including, but not limited to:
 - a. Startup WA.
 - b. Local co-working spaces and innovation centres.
 - c. Curtin University.
 - d. University of Western Australia.
 - e. Australia Indonesia Business Council.
 - f. Office of the Minister for Asian Engagement.
 - g. Department of Jobs, Tourism, Science and Innovation.
 - h. Australian Consulate-General in Bali.
 - i. Consulate-General of the Republic of Indonesia (WA).
 - j. Department of Foreign Affairs and Trade WA State Office.
13. All have expressed support for the City's relationship with Denpasar and are positive about the opportunities this collaboration may create.

Decision Implications

14. Following the City's previous support for the proposed MOU, a failure to approve and execute the MOU at this time may result in the City losing the opportunity for a positive economic development outcome.
15. The proposed MOU language has been developed over several months, with parties requiring feedback and multiple approvals from their respective levels of government. Any further changes to the current wording will need to be negotiated with all parties and will cause considerable delays to the execution of the document.

Strategic, Legal and Policy Implications

Strategic	
Strategic Community Plan Aspiration:	Prosperity A city with a diverse and resilient economy capitalising upon its unique competitive advantages and creative reputation, attracting sustainable investment in education, tourism, entertainment, commerce, technology and trade.
Strategic Community Plan Objective:	Objective 4.7 Strategic investment and development driven by key opportunities such as direct international flights, student education, higher education and technology research and development.
Issue Specific Strategies and Plans:	Not Applicable

Legal and Policy	
Legislation:	Section 8 (g) of the City of Perth Act 2016 The proposed MOU with Denpasar City is in strong alignment with the objectives of the <i>City of Perth Act 2016</i> and the role the City has in representing the broader Perth area both nationally and internationally.
Legal advice:	Not Applicable
Policy	10.9 – City of Perth Common Seal and document Signing Authority, details the requirements for documents signed on behalf of the City. Clause 3.2 - Specific Document Signing (Execution) Authorities in Accordance with Section 9.49A of the Act outlines the signatory required for specific documents to ensure requirements of section 9.49A of the <i>Local Government Act 1995</i> are met.

Financial Implications

The financial implications of the recommendation(s) are accommodated within the existing budget.

Account Number	1096-100-50-10117-7268	Operating
Account Description	Economic Development – International Engagement	
Total Budget	\$75,000	
Budget – This report	\$7,000	
Remaining Budget	\$68,000	
Budget Impact	Accommodated in existing approved budget

Further information

Resulting from discussion and questions raised from the Agenda Briefing Session on 17 November 2020, the following additional information is provided:

16. Pending Council approval of the MOU, the City will look to immediately leverage this by:
 - a. Organising a signing ceremony and inviting local stakeholders from both the Indonesian business community and startup community to attend;
 - b. In light of COVID-19 and related travel restrictions, potentially livestreaming this ceremony to Denpasar; and
 - c. Continuing to discuss the MOU and potential opportunities with all relevant local stakeholders.

17. The City intends on inviting representatives from various stakeholder organisations (e.g. co-working spaces, Startup WA, universities etc.) to attend the signing ceremony to understand the opportunity that exists as a result of the MOU. There has been strong support for the initiative, with many stakeholders considering launching potential programs under the auspices of the MOU.

**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE CITY OF PERTH
AND
THE CITY GOVERNMENT OF DENPASAR
BALI PROVINCE, THE REPUBLIC OF INDONESIA
CONCERNING
CREATIVE ECONOMY ECOSYSTEMS**

The City of Perth and the City Government of Denpasar, Bali Province, the Republic of Indonesia hereinafter singularly referred to as "the Party" and collectively referred to as "the Parties";

RECOGNIZING the existence of friendly partnership and cooperation between the Republic of Indonesia and the Commonwealth of Australia;

NOTING the Letter of Intent between the City Government of Denpasar, Bali Province, the Republic of Indonesia and the City of Perth concerning Creative Economy Ecosystems signed by the Parties on November, 26th 2018 in Perth;

DESIRING to improve friendly relationship and cooperation between the Parties through the establishment of intergovernmental and inter-social relationship;

CONSIDERING the importance of equality and mutually beneficial principle;

PURSUANT to the prevailing laws and regulations in respective countries;

Have agreed as follows:

Article 1

Objective

The objective of this Memorandum of Understanding (MoU) is to establish cooperation between the Parties to collaborate in initiatives that support the development of creative economy ecosystem through exchanges and collaboration of skills, knowledge and resources between the two cities.

Article 2

Scope of Cooperation

The Parties have agreed the scope of cooperation of this MoU is as follows:

- a. Creative Economy;
- b. Business incubator program and curriculum; and
- c. Knowledge sharing and technology development.

Article 3

Technical Arrangement

1. To facilitate the implementation of this MoU, the Parties shall conclude arrangements within the terms of this MoU, which shall cover the scope of cooperation as provided in Article 2 (two);
2. Such arrangements shall be in conformity with this MoU, and shall specify the programs or project schedule, personnel involved, financial arrangement, responsibilities undertaken by the Parties and other necessary details;
3. Subject to mutual written consent of the Parties, either Party may invite relevant third parties to take part in the implementation of the MoU as stated in Article 2 (two) as well as to arrange the involvement of third parties in each program to create the mutually beneficial cooperation in both cities;
4. The Action Plan as referred in the paragraph 1 (one) should be signed no later than 6 (six) months after the signing of this MoU.

Article 4

Funding

Expenses arising out of the implementation of this MoU shall be borne by each Party and subject to the availability of funds and personnel.

Article 5

Intellectual Property Rights

1. Each Party shall respect the intellectual property rights of the other Party;
2. Each Party shall be liable for any claim made by any third party on the ownership and legality of the use of the intellectual property rights which is brought in by the aforementioned Party for the implementation of the cooperation activities under this MoU;
3. The Parties agree that any intellectual property developed by the Parties and arising under the implementation of this MoU will be jointly owned and:
 - a. Each Party shall be allowed to use such intellectual property for the purpose of maintaining, adapting, and improving the relevant property;
 - b. In the event the relevant intellectual property is used by the Party for commercial purposes, the other Party shall be entitled to obtain equitable portion of royalty.

Article 6

Joint Working Group

1. The Parties shall establish a Joint Working Group to plan, prepare and recommend programs as well as to monitor and evaluate the progress of cooperation under this MoU;
2. The members of the Joint Working Group will consist of representatives of the Parties and related government institutions. When needed, the Joint Working Group

may invite participation of representatives of the private sector subject to mutual written consent of the Parties;

3. The Joint Working Group will meet annually or otherwise as agreed, alternately in Denpasar or Perth. If the annual meeting cannot be held in certain circumstances, documents shall be exchanged in lieu of such meeting.

Article 7

Confidentiality

If either Party wishes to disclose confidential data and/or information provided by the other Party for the implementation of this MoU, the disclosing Party shall obtain written consent from the other Party prior to the disclosure of such data and/or information.

Article 8

Limitation of Personnel Activities

1. The Parties shall ensure that their personnel engaged in activities under this MoU shall comply with the laws and regulations and respect the sovereignty of both countries by refraining from conducting activities inconsistent with the objectives of this MoU.
2. In the event of each Party's staffs or experts violating paragraph 1 (one) of this Article, the other Party may terminate this MoU and its programs under the scope of cooperation.

Article 9

Settlement of Differences

Any differences arising out of the interpretation or implementation of this MoU shall be settled amicably through diplomatic channel by means of consultation and/or negotiation between the Parties

Article 10

Amendment

1. This MoU may be amended at any time in writing by mutual consent of the Parties. Concerned Party shall notify the other Party concerning the amendment through diplomatic channel. Such amendments shall enter into force on such date as may be determined by the Parties and shall form an integral part of this MoU;
2. Any amendment shall not prejudice the rights and obligations arising from or based on this MoU prior to the date of such amendment.

Article 11

Entry into Force, Duration and Termination

1. This MoU shall enter into force on the date of its signing;
2. This MoU shall be in force for a period of 5 (five) years and may be extended by mutual written consent of the Parties through diplomatic channel;

3. This MoU may be terminated by either party by giving 6 (six) months prior notice in writing to the other Party. Should this MoU be terminated, all arrangements or ongoing programs and activities made under this MoU shall remain in effect until their completion unless agreed otherwise by the Parties.

IN WITNESS WHEREOF, the undersigned, have signed this MoU.

DONE AND SIGNED duplicate in Denpasar on _____ 2020 in Indonesian and English languages, all texts being equally authentic. In case of any difference in interpretation of this MoU, the English text shall prevail.

**FOR THE CITY GOVERNMENT OF
DENPASAR,

12.1 COVID-19 Rebound Economic Development Sponsorship – Australasian Oil & Gas Exhibition & Conference

Responsible Officer	Anne Banks-McAllister, General Manager, Community Development
Voting Requirement	Simple Majority
Attachments	Nil

Purpose

To recommend that an Economic Development Sponsorship be awarded to Diversified Communication Australia Pty Ltd, under the COVID-19 Grants and Sponsorship Program.

Recommendation

That Council APPROVES an Economic Development Sponsorship of \$50,000 (ex GST) to Diversified Communication Australia Pty Ltd for the Australasian Oil & Gas Exhibition & Conference 2021.

Background

1. This request for sponsorship is for the Australasian Oil & Gas Exhibition & Conference 2021 (AOG), presented by Diversified Communication Australia Pty Ltd. AOG is Australia's largest and most international oil and gas industry event. The event has been staged in Perth annually for the past 39 years supported by the City through sponsorship since 2009. The City's contribution is a key factor in retaining the event in Perth, as it is highly attractive in terms of profile, visitation and economic impact. Other markets (Queensland in particular) have shown strong interest in attracting this event to move to their city.
2. As part of the City's economic development activities, the City seeks to strategically engage with key industry sectors to assist in nurturing a thriving, diverse and competitive business environment.
3. Mining, resources and energy are identified in the COVID-19 Rebound Grants and Sponsorship Program Guidelines as a sector of key strategic importance for the Perth economy. Funding is available to projects that:
 - a. promote Perth as an international energy and resources city (including emerging renewable energy technologies)
 - b. promote and showcase local expertise in resource and energy, (particularly regarding technological innovation, research and development)
 - c. foster and strengthen exports, international networks and collaboration in resources and energy, including knowledge exchange opportunities.

Energy and Resources Sector – WA Context

4. Western Australia has a natural endowment of minerals and energy resources and Perth has established itself as a global energy city. Perth is the resource and energy capital of the Indo-Pacific Region. The city is home to many international resource and energy companies, with eight of the world's 14 largest international energy companies having offices in Perth.

The Economic Value of the Energy and Resources Sector in WA

5. The energy and resource sector is a major contributor to the WA economy through revenue, investment and employment. In a statement¹ by the State Government published on the 25 September 2020, in 2019/20 WA's resources industry recorded \$172 billion in sales, \$19 billion in investment and 135,000 people employed in the resources sector. There are currently more than \$100 billion worth of projects under development.

Total project cost	\$1,222,000
Total amount requested	\$50,000 (4% of the total project cost)
Recommendation	Approval
Recommendation amount	\$50,000 (4% of the total project cost)
Assessment score	58.3 out of 65 (90%)

Australasian Oil & Gas Exhibition & Conference

7. AOG is Australia's largest and most international oil and gas industry event. The event has been staged in Perth annually for the past 39 years and has grown to be the largest oil and gas event of its type in the southern hemisphere. The City of Perth has supported AOG through sponsorship since 2009.
8. AOG highlights Perth's significance as a major oil and gas city and showcases its local expertise, capability, desirability, opportunities in investment, supply chain, research and education. AOG connects the entire oil and gas supply chain – fostering opportunity and facilitating the promotion of WA as a global leader.
9. AOG fosters and strengthens international networks and collaboration in resources and energy, including knowledge exchange opportunities. AOG informs and connects Perth's energy and resource sector with opportunities via the Operator Forward Work Plan² briefings, Industry Supply Forum and networking events.

10. In 2021, AOG will be rebranded “AOG Energy” to reflect the energy transition in the oil and gas industry and will have an increased focus on new energies such as hydrogen, renewables, emission reduction technology, and the importance of local capabilities in driving the industry forward.
11. The travel restrictions resulting from the COVID-19 pandemic have had a profound impact on tourism, including business travel, and have required AOG to review their event delivery mode.
12. To maintain engagement with international and interstate clients/attendees, the AOG conference will be delivered both in-person and virtually. All conference sessions will be recorded and repackaged for virtual access. Presenters will have an opportunity to present a more condensed presentation and be available for live Q&A sessions virtually via the Event Air platform. AOG will demonstrate to the international audience that WA is still open for business, thus ensuring the energy and resources sector in Perth is well-positioned to emerge strongly from COVID-19.
13. The event will feature an expected 100 company exhibition, 80 speaker conference, and a host of educational and networking events. Border restrictions currently in place will create more of a local focus on COVID recovery, job opportunities and local content.
14. In 2020, AOG was attended by 5987 industry professionals consisting of: 721 from overseas, 685 from interstate, 1465 from the City of Perth local government area and 3115 from the rest of Western Australia.
15. Event components comprise the following:
 - a. Exhibition

An opportunity for the local industry to showcase its operations and to meet exhibitors from around the world and network with attendees. Four specialised industry zones showcase the latest products and innovations across the oil and gas sectors. These industry zones are: Subsea & Marine, Automation & Digital Technology, Asset Integrity and Health & Safety.
 - b. Conference Forums

A platform for WA companies to present their capability and network with delegates from specific industry sectors. Leading thinkers share their knowledge and expertise, discuss trends and challenges across dedicated forums - Industry Supply, Knowledge and Subsea.

In 2021, organisers will introduce an Oil & Gas Industry Supplier Forum where major operators such as Woodside, Chevron and Shell will engage with local suppliers to provide information and better access to projects to increase local content by way of presenting their Forward Work Plans.
 - c. Education and Networking Events

Dedicated networking functions provide a platform for oil and gas professionals to celebrate the industry, connect with clients and develop relationships, including:
 - i. Subsea Welcome Drinks: a welcome event for Subsea industry exhibitors and delegates at Tiny’s Bar.

- ii. AOG Diversity & Inclusion Breakfast: convened by the AOG Diversity & Inclusion Committee, this breakfast explores issues relevant to D&I in the oil and gas industry including issues of gender, LGBTI+, race, ability, religion and ages.
 - iii. AOG Opening Party: the major networking event of AOG welcoming all speakers, delegates, exhibitors and visitors.
16. AOG receives major sponsorship from the State Government of Western Australia and Woodside Energy and is supported by the Federal Government-funded National Energy Resources Australia (NERA) Industry Growth Centre, Society for Underwater Technology, Subsea Energy Australia, Subsea UK, Engineers Australia, UWA, Curtin University, Institute of Instrumentation Control & Automation, Australian Institute for Non-destructive Testing, Royal Institution of Naval Architects, UK Trade & Industry, Scottish Development International, NORWEP Norway and the Petroleum Club of WA.

AOG's Support for the Energy and Resources Sector

17. AOG supports the growth and development of the industry supply chain by showcasing WA capability and business opportunities via the exhibition, conference presentations and networking; leading to investment from organisations outside of WA, including setting up local operations, joint ventures and partnerships with local companies.
18. In 2020, AOG engaged Audit Media Association of Australia to conduct an impact report. Key insights from the AOG 2020 post-event report, included:
- a. AOG 2020 had a direct economic impact of over \$20 million from attendee spend on travel, accommodation, meals, hospitality, stand construction, equipment hire, staffing, promotion and tourism;
 - b. AOG generated significant investment in WA with 19% of exhibitors and 14.9% of visitors surveyed reported making an investment in WA as a result of the event. This is a 10.7% and 3.9% increase respectively on 2019.
 - c. 89.3% of exhibitors surveyed consider exhibiting at AOG important for their business; and
 - d. 92% of exhibitors and 81% of visitors surveyed would recommend Perth as a business or investment destination to friends or colleagues.

Previous Support and Acquittals (5 year period)

Year	Amount	Project
2015-16	\$50,000	AOG 2016
2016-17	\$50,000	AOG 2017
2017-18	\$50,000	AOG 2018
2018-19	\$50,000	AOG 2019
2019-20	\$50,000	AOG 2020
TOTAL	\$250,000	

19. The City of Perth has received an acquittal for the previous support and City Officers can confirm that all previous funding has been satisfactorily acquitted.

Sponsorship Recognition

20. In addition to the broader benefits of the sponsorship outlined above, the applicant will provide the following opportunities for acknowledgement of the City's support:
- a. Recognition as a Principal Sponsor, with logo recognition on promotional material including:
 - i. The AOG website and registration page;
 - ii. Four(4) page lift out feature in the West Australian Newspaper;
 - iii. Electronic direct mails (includes a link) to over 30,000 industry contacts;
 - iv. Event promotional collateral – over 60,000 will be distributed by direct mail pieces, EDM, inserts, activations and by exhibitor distribution;
 - v. Trade magazine advertisements in leading Australian and international journals including (based on AOG 2020 media deals): Oil and Gas Australia, Australasian Oil and Gas, Business News, Australian Energy Review, Gas Today, LNG Industry, OE Magazine, Safety Solutions, What's New in Process Technology, Upstream, World Pipelines, Oilfield Technology; and
 - vi. Event signage.
 - b. The opportunity to host the City of Perth 'Recharge Lounge' in the exhibition including the ability to meet the delegates and distribute promotional literature;
 - c. Opportunity to contribute two questions for the post event exhibitor and visitor survey; and
 - d. An advertisement in the official AOG Show Guide and an advertisement in the official AOG Map Guide.

Economic Development Sponsorship - Assessment Scorecard

21. The application was assessed by a panel of three staff from across the Community Development and Planning and Economic Development Alliances, in accordance with Policy 18.13 Grants and Sponsorship Policy.
22. The application has received an assessment score well above the 65% minimum threshold required for support. The assessment score of 90% is considered very high when benchmarked against other applications in this program and indicates a strong alignment with the objectives of the program.

Essential Assessment Criteria	Score (max 5)
<i>All applicants are assessed on the following criteria:</i>	
Alignment with a Key Sector	
To what extent does the project support the growth and development of an established or emerging key sector, that represents strategic importance to the City of Perth's economy?	5
To what extent does the project assist the City of Perth in developing a compelling narrative on our unique selling points and raise the profile and reputation of the City of Perth as a premier Capital City to do business within the relevant sector?	5
Prestige and Significance	
To what extent does the applicant demonstrate prestige and significance through the quality of proposed speakers, participants, sponsors, media or the involvement or endorsement from international federations and organisations?	5
Project Plan and Other Funding Sources	
Has the applicant provided evidence of a robust project plan?	4.3

Has the applicant included a budget detailing investment through a variety of funding sources, illustrating that the project is not reliant on City of Perth funding to be delivered?	4.5
Has the applicant demonstrated what specific elements the City of Perth funding is supporting and what extra capacity the funding will enable?	4
Sponsorship Benefits	
Please rate the level of benefits and recognition provided to the City	4.2
Sub-total 32 out of 35	
Additional Project Outcomes	Score (max 5)
<i>Applicants must address at least two of the following six outcome areas. Applicants can address as many outcome areas as are relevant to the project or initiative.</i>	
Outcome 1. Investment Attraction	4.3
Outcome 2. International Business Development	4.5
Outcome 3. Short term Direct Economic Benefits	4.3
Outcome 4. Long term Economic Development	4.2
Outcome 5. Professional Development, Training and Skill Development	4.3
Outcome 6. Linkages and Knowledge Exchange	4.7
Sub-total 26.3 out of 30	
TOTAL ASSESSMENT SCORE: 58.3 out of 65 (90%)	

23. An Economic Development Sponsorship of \$50,000 is recommended. City funding will enable AOG to present the conference at no cost to attendees, promote the show internationally (subject to COVID restrictions being lifted) and provide virtual access to international and interstate participants who are not able to attend in person due to border restrictions.

Stakeholder Engagement

Not applicable

Decision Implications

24. If the sponsorship is not approved at the recommended level or declined, this is likely to have a significant impact on the success of AOG 2021. Other markets (Queensland in particular) have shown strong interest in attracting this event to move to their city in the past. The City's support is important for keeping the event in Western Australia.

Strategic, Legal and Policy Alignment

Strategic	
Strategic Community Plan Aspiration:	Prosperity A city with a diverse and resilient economy capitalising upon its unique competitive advantages and creative reputation, attracting sustainable investment in education, tourism, entertainment, commerce, technology and trade.
Strategic Community Plan Objective:	Objective 4.1 A sustained increase in leisure and business tourism visitation. Objective 4.7 Strategic investment and development driven by key opportunities such as direct international flights, student education, higher education and technology research and development.
Issue Specific Strategies and Plans:	COVID-19 Economic Rebound Strategy 6.2 Re-invent and Revive, Table 4.
Legal and Policy	
Legislation:	Not applicable
Legal advice:	Not applicable
Policy:	18.13 – Sponsorship and Grants The policy directs that there be a consistent and transparent assessment process and criteria to guide recommendations to Council. An eligibility check has been conducted on this application to ensure it is compliant with the Policy and the necessary assessment process has been followed.

Financial Implications

The financial implications of the recommendation are accommodated within the existing budget.

Account Number	SP 1066 100 50 10095 7901	Operating
Account Description	Economic Development Sponsorship	
Total Budget	\$690,000	
Budget – This report	\$50,000	
Existing commitments previously approved by Council	\$385,000	
Remaining Budget	\$255,000	
Budget Impact	Accommodated in existing approved budget

Further information

Resulting from discussion and questions raised from the Agenda Briefing Session on 17 November 2020, the following additional information is provided:

25. The City has worked collaboratively with the event organisers to support this event and ensure it continues to be held successfully in Perth and positions the city as an ideal business and investment destination.
26. In response to the COVID-19 pandemic, the event has been adapted to include presenting elements of the event online in addition to the physical event. The 2021 event is being planned in accordance with all restrictions and guidance from the Federal and State Governments and the Department of Health around COVID safe and general event practices, to ensure the health and safety of attendees and staff. The applicant had a comprehensive COVID Safe Plan for the 2020 event (with social distancing protocols, hand sanitiser stations etc.) and plan to replicate this with changes based on the current environment.
27. In addition to financial support through sponsorship, the City also assists with international promotion of AOG through the World Energy Cities Partnership (WECP) network and through other international energy events attended by the WA European Trade Office such as Offshore Europe, Offshore Northern Seas and the annual Aberdeen Gateway.
28. As part of its sponsorship, the City is provided with a space within the exhibition hall during AOG for City staff to meet with attendees. The City of Perth's 'Recharge Lounge' provides a space for delegates to meet with City staff to discuss their businesses and how the City may be able to assist them. In 2020, the City of Perth spent \$8,612 on the setup of the Recharge Lounge.

12.2 Event Sponsorship Variations – West Coast Fever and Open House Perth 2020

Responsible Officer	Anne Banks-McAllister, General Manager Community Development
Voting Requirement	Simple Majority
Attachments	Attachment 12.2A – Event Sponsorship Variation – West Coast Fever Attachment 12.2B – Event Sponsorship Variation – Open House Perth

Purpose

To recommend variations to existing contracts to decrease sponsorship contributions to:

- West Coast Fever Netball Club Ltd from \$150,000 to \$20,000
 - Open House Perth from \$40,000 to \$20,000
-

Recommendation

That Council APPROVES the recommended variations to Sponsorship Contracts for:

- a. West Coast Fever Netball Club Ltd for the West Coast Fever 2020 season to be decreased from an existing sponsorship value of \$150,000 to a new total sponsorship value of \$20,000 excl GST
 - b. Open House Perth for Open House Perth 2020 to be decreased from an existing sponsorship value of \$40,000 to a new total sponsorship value of \$20,000 excl GST
-

Background

1. The COVID-19 pandemic is having a significant impact on the City's arts, events, community and business sectors. Following the onset of the pandemic in March 2020, restrictions on public gatherings, physical distancing and travel have resulted in many events being cancelled, postponed or changing their mode of delivery.
2. As part of the City's response to COVID-19, the City has worked closely with funded organisations to develop alternative ways of achieving grant and sponsorship outcomes. The aim has been to work flexibly with organisations to support realistic variations to delivery outcomes in existing funding contracts.
3. Requests for variations to funding contracts have been assessed on the following criteria:
 - a. Alignment to the intended outcomes of the funding program and original proposal
 - b. Support to the organisation and industry / sector during this time
 - c. Contractual benefits already delivered or activities already undertaken
 - d. Demonstration of financial hardship
 - e. Alignment with the key priorities of the City's COVID-19 Economic Rebound Strategy.
4. Organisations have also been asked to include alternative sponsorship benefits for any contracted benefit that may no longer be able to be delivered.

Discussion

5. Part funding is recommended for both projects due to a significant reduction in benefits and outcomes to the City of Perth community.
6. Details on the proposed variations and officer comments are included at Attachment 12.2A and Attachment 12.2B.

Stakeholder Engagement

Not applicable

Decision Implications

7. The City currently has a legally binding contract with both proponents. Due the reasons outlined in the attachments, neither have been able to fulfil all the obligations under their agreements. The recommended variations are proportionate to the benefits already delivered.
8. Should the variations be approved for an amount higher than the recommended level, community and stakeholder perceptions of value-for-money and return-on investment of the City's funding programs may be reduced.

Event	Original Funding approved by Council	Recommendation for Variation
West Coast Fever 2020 Season	\$140,000 - Cash contribution \$10,000 – In-Kind contribution	\$20,000 – Cash contribution
Open House Perth 2020	\$40,000 – cash contribution	\$20,000 – Cash contribution
TOTAL	\$190,000	\$40,000

Strategic, Legal and Policy Implications

Strategic	
Strategic Community Plan Aspiration:	People A safe, activated and welcoming city that celebrates its diversity and sense of community, providing unique educational, cultural, sporting and lifestyle offerings.
Strategic Community Plan Objective:	Objective 1.6 Thriving and sustainable cultural, artistic and heritage industries, activities and events that encourage locals and visitors to come back for more.
Issue Specific Strategies and Plans:	COVID-19 Economic Rebound Strategy 6.2 Re-invent and Revive, Table 4
Legal and Policy	
Legislation:	Not applicable
Legal advice:	Not applicable
Policy:	18.13 – Sponsorship and Grants The policy directs that there be a consistent and transparent assessment process and criteria to guide recommendations to Council.

Financial Implications

- This Report relates only to already committed sponsorships approved by a Council Resolution, and which have an existing funding contract with the City. No new sponsorships or additional financial commitments are proposed in this report.
- The \$150,000 reduction in sponsorship commitment would be returned to the Event Sponsorship budget to support other events in the 2020/21 Financial Year.

Event Sponsorship Variation – West Coast Fever

Event Name	West Coast Fever's 2020 Home Season at Perth Arena
------------	--

Applicant Details

Applicant Name	West Coast Fever Netball Club Limited
Entity Type	Australian Public Company
ABN	14 617 497 702
ABN status	Active
ATO Endorsed Charity type	Not endorsed

Applicant Description

1. West Coast Fever (WCF) is Western Australia's premier professional netball team in the domestic netball competition, Suncorp Super Netball.

Variation Details

Original event delivery date	May – August 2020
Revised event delivery date	August – October 2020
Original venue	RAC Arena, Perth
Revised venue	Nissan Arena, Brisbane
Original estimated attendance at Perth Arena	45,000 (across seven home games at Perth Arena)
Actual attendance at Perth Arena	0 (as all seven home games played in Brisbane)
Original amount approved by Council resolution on 30 October 2018 (three year Agreement)	2020 Season: <ul style="list-style-type: none"> • \$140,000 – cash contribution (\$20,000 per home game) • \$10,000 – in-kind support for banner hire.
Recommended amount for Variation	2020 Season: <ul style="list-style-type: none"> • \$20,000 – cash contribution (for the benefits already delivered) <p><i>Note: This is a \$120,000 reduction in cash contribution and \$10,000 reduction in in-kind support for the 2020 season.</i></p>

2. The City of Perth has a three-year (2019 - 2021) strategic sponsorship agreement with West Coast Fever (Fever).
3. The purpose of the sponsorship is to support the Fever in making the full transition to RAC Arena from HBF Stadium in Claremont and stage all seven homes games in the city each year.

4. The 2020 West Coast Fever netball season was originally planned to commence in April however the start of the season was postponed as a result of COVID-19.
5. The National League announced at the end of July that the Queensland Government secured 50 of the 60 regular season matches that were to be played across Brisbane, Sunshine Coast, and some regional centres. This announcement meant that all national teams had to relocate to Queensland and the first six rounds of the season were to be played out of a Queensland “hub”.
6. Following completion of round six, Fever were hopeful to return to Perth. The tentative schedule for September 2020 was five games in Perth; including three West Coast Fever home games and two additional games between visiting teams over three days.
7. At the end of August, it was announced by the Suncorp Super Netball League that the WA Hub had been rejected and Fever’s full season would be played in Queensland with all seven “home” games delivered at the Nissan Arena, Brisbane.

	Original Proposal	Actual / Delivered
Games played in Perth city	<ul style="list-style-type: none"> • Delivery of all seven (7) Fever home games at the RAC Arena, Perth, with anticipated attendance of 49,000 in the City. 	<ul style="list-style-type: none"> • Delivery of zero (0) Fever home games in Perth. • An exhibition game between Fever and a WA All Stars team held on 15 July 2020 at the RAC Arena and attracted 4,200 fans into the city.
Come and Try Clinics	<ul style="list-style-type: none"> • Nine (9) West Coast Fever Come and Try Clinics 	<ul style="list-style-type: none"> • Six (6) West Coast Fever Come and Try Clinics were held in Yagan Square in January 2020.
Complementary events and activations	<ul style="list-style-type: none"> • Annual program of activities including pre-season matches and corporate events such as the Corporate Netball Challenge and Centre Circle Lunch. • Annual Awards Night. 	<ul style="list-style-type: none"> • Game day viewing parties at Perth venues for corporate and (approximately 100 – 150 people) at six city locations. • Fan Engagement Days with family activations <ul style="list-style-type: none"> ○ 15 August – Yagan Square ○ 22 August – Yagan Square ○ 5 September – Yagan Square • Grand Final Viewing Party at RAC Arena. • Annual Awards Night

Previous Support and Acquittals (5-year period)

Year	Amount	Project
2014/15	Nil	
2015/16	Nil	
2016/17	\$85,000 – cash contribution; and \$25,000 – in-kind support for banner hire	West Coast Fever 2017 Season (4 home games at the RAC Arena)
2017/18	\$120,000 – cash contribution	West Coast Fever 2018 Season (5 home games at the RAC Arena)
2018/19	\$140,000 – cash contribution, and \$10,000 – in-kind support for banner hire	West Coast Fever 2019 Season (7 home games at the RAC Arena)
TOTAL	\$380,000	

Comments

8. Due to the relocation of the entire 2020 Suncorp Super Netball season to Queensland, Fever were unable to deliver on their contractual obligations of delivering seven home games at the RAC Arena.
9. A contractual Key Performance Indicator (KPI) is 7,000 spectators in attendance at each home game at the RAC Arena. Based on the original seven home games, this would mean 49,000 visitors to the city, with an estimated \$2.8 million total direct economic impact to the city. The decrease to zero home games in Perth city resulted in a minimal impact from the sponsorship for city businesses and the local community.
10. The corporate partner events and fan engagement days support local businesses by providing opportunities for engagement and increased patronage. However, due to small attendance numbers, the economic benefit is not considered significant.
11. It is recommended that the funding for the 2020 Season be reduced due to the significantly reduced outcomes expected for the community across visitation, economic impact, opportunities for community connection and vibrancy.
12. It is noted that some contractual benefits, such as six 'Come and Try Clinics' have already been delivered and this is reflected in the recommendation to support the Fever with a \$20,000 sponsorship.
13. The City's contracted commitment to support the Fever in 2021 will continue as agreed:
 - \$105,000 – cash contribution (\$15,000 per home game); and
 - \$10,000 – in-kind support for banner hire.

Event Sponsorship Variation – Open House Perth

Event Name	Open House Perth 2020
------------	-----------------------

Applicant Details

Applicant Name	Open House Perth
Entity Type	Australian Public Company
ABN	48160158467
ABN status	Active
ATO Endorsed Charity type	Not endorsed

Applicant Description

1. Open House Perth is a not-for-profit organisation that runs the annual Open House Perth (OHP) event.
2. The event is an annual architecture, design and built environment event, giving access to normally inaccessible locations to the general public for free over two days. The event has been running in Perth for 8 years.
3. OHP aims to create better awareness and demand for good design and help position Perth as a destination for world-class design.

Variation Details

Original event delivery date	November 2020
New event delivery date	Commencing online November 2020
Original venue	Perth city and surrounds
New venue	Online
Original estimated attendance	75,000
New estimated attendance	0 (as the event will be delivered online)
Original amount approved by Council resolution on 30 October 2018	2020 event: <ul style="list-style-type: none"> • \$40,000 – cash contribution
Recommended amount for Variation	2020 Event: <ul style="list-style-type: none"> • \$20,000 – cash contribution (specifically for the event website development) <p><i>Note: This is a \$20,000 reduction in cash contribution for the 2020 event.</i></p>

Original Proposal

1. The City of Perth has a two-year (2019 and 2020) event sponsorship commitment to Open House Perth to support the annual delivery of the two-day event across Perth city and the surrounds, free of charge to the general public.
2. The 2020 event planned to showcase design across the Perth metropolitan area, with an emphasis on Perth city, through the opening of a wide range of normally inaccessible venues.
3. When the sponsorship was approved by Council in July 2019 it had been assessed as having the following benefits for the City of Perth community:
 - a. An estimated 75,000 visitors to Perth over the OHP weekend;
 - b. Showcasing approximately 100 destinations across the Perth metropolitan area (of which 40 to 50 of these destinations were anticipated to be within the City of Perth local government area); and
 - c. Act as a catalyst for positive change in the WA built environment. With the Perth CBD as the core of the annual event, OHP showcases the city as a global leader, provides activation of city spaces and assists in generating interest in the local design, architecture and construction industries.

Revised Proposal

4. Due to COVID-19 Open House Perth considers there is too much risk in staging a physical event in 2020. This is based on perceived risks to public safety and an uncertain funding environment (The City of Perth sponsorship of \$40,000 represents approximately 19% of the total budget of \$210,000 in a normal event year).
5. Open House Perth plan to develop an online program for 2020.
6. This alternative proposal for the online program includes:
 - a. Digital Annual Event (14-15 November 2020)
Video/pictorial tours of projects online via their website, Instagram, Facebook and YouTube.
 - b. 'What if Perth' (14, 28 October and 11 November 2020)
Online (via webinar) presentations of unbuilt projects by 6 different design practices; promoting local business places and key learning objectives / inspirational outcomes.
 - c. Open House Worldwide (14-15 November 2020)
Working with more than 50 other international Open House cities to promote Perth through a small selection of locations, video interviews and presentations. The festival will be broadcasted digitally from the Open House Worldwide website in a non-stop stream over the course of 48 hours.
 - d. Design Matters (25 November, 10 December and 4 talks in 2021)
Online presentation of local design industry experts and key interstate invitees, presented via the website, YouTube and other social media platforms. The 4th December event will take place at the Rechabite.
7. Open House Perth note that the highest costs (up to \$30,000) for the new online format include upgrading the website infrastructure to handle the increased complexity in uploading and hosting the information.

Previous Support and Acquittals (5-year period)

Year	Amount	Project
2015/16	\$40,000	Open House Perth 2015
2016/17	\$45,000	Open House Perth 2016
2017/18	\$37,500	Open House Perth 2017
2018/19	\$50,000	Open House Perth 2018
2019/20	\$40,000	Open House Perth 2019
TOTAL	\$212,500	

Comments

8. The variation submitted by Open House Perth was reviewed by subject matter experts at the City of Perth who provided the following comments:
 - a. The variation application lacked detail, which made it difficult to fully understand how the proposed program would benefit the City, its ratepayers and community.
 - b. An online event will have significantly reduced benefits for the Perth local businesses and community as the event traditionally has an attendance of 75,000 across the City of Perth and wider metropolitan area over the event weekend.
 - c. An online event is also likely to have no direct economic benefit to the local community and the value-for-money for the City's investment was not clearly demonstrated.
 - d. The Panel recognised that the digital platform proposed by Open House Perth has been successfully employed by other Open House cities during COVID-19, including Open House Melbourne in July (<https://www.openhousemelbourne.org/melbourne/the-weekend-july-2020/>).
9. The sponsorship variation is recommended at a reduced rate of \$20,000 for the online program. It is recommended that this is specifically tied to the development of the Open House Perth website to facilitate the online programming which would result in ongoing engagement, promotional benefits for Perth and the local design and architecture sectors.
10. It is recognised that Open House Perth provides a valuable platform to engage with the design sector and Perth's public to discuss issues and how the built environment can improve our lives. The City's continued sponsorship, albeit a 50% reduction, should assist Open House Perth to survive the disruption of the COVID-19 pandemic.

12.3 Lord Mayor's Distress Relief Fund – Appointment of Honorary Secretary and Honorary Treasurer

Responsible Officer	Anne Banks-McAllister, General Manager Community Development
Voting Requirement	Simple Majority
Attachments	Not applicable

Purpose

To appoint the Chief Executive Officer and the General Manager Community Development to the Lord Mayor's Distress Relief Fund roles, Honorary Secretary and Honorary Treasurer, respectively.

Recommendation

That Council:

1. NOMINATES the Chief Executive Officer to the role of Honorary Secretary to the Lord Mayor's Distress Relief Fund
 2. NOMINATES the General Manager Community Development to the role of Honorary Treasurer to the Lord Mayor's Distress Relief Fund
-

Background

1. The Lord Mayor's Distress Relief Fund (the Fund) was established in conjunction with the State Government in 1961 to provide financial assistance to individuals for the alleviation and relief of distress, suffering and personal hardships, brought about by any disaster or emergency within Western Australia declared by the Western Australia Government or for which the Board considers warrants assistance.
2. The Fund is incorporated under the *Associations and Incorporations Act 2015* and is a registered charity under *WA's Charitable Collections Act 1946* and the national *Australian Charities and Not-for-profits Commission (ACNC)*. It has Deductible Gift Recipient (DGR) status under the Australian Taxation Office.
3. The Fund is overseen by an independent board which meet on an 'as required' basis, but at least twice annually. The Board comprises:
 - Lord Mayor (Presiding Person)
 - Noelene Jennings
 - Robert Gillam
 - Rob Rowell
 - Ian Taylor
 - Michael Wallwork, PSM
 - Sue Ash, AO
 - WALGA President (new President to be invited)
4. The City of Perth provides all administrative functions for the Fund, including coordination of all appeals.

Discussion

5. As set out in the Lord Mayor's Distress Relief Fund's constitution, the positions of Honorary Secretary and Honorary Treasurer are held by ex-officio City of Perth officers as nominated by the City of Perth and appointed by a majority of the Lord Mayor's Distress Relief Fund Board.
6. Currently, the position of Honorary Secretary is performed by the Alliance Manager Community Services and the Honorary Treasurer role is fulfilled by the General Manager Community Development.
7. As all executive roles at the City are now permanently filled it is proposed the Alliance Manager Community Services steps down and the Chief Executive Officer be appointed to the role of Honorary Secretary.
8. It is proposed the Honorary Treasurer role continues to be fulfilled by the City of Perth's General Manager Community Development.
9. The terms of both positions will be until they are replaced by notice from the City of Perth or resign from their positions at the City.

Stakeholder Engagement

10. Once Council has confirmed its nominees, the City will formally advise the Board of the Lord Mayor's Distress Relief Fund and the Chief Executive Officer and the General Manager Community Development will be formally appointed to the respective positions of Honorary Secretary and Honorary Treasurer at the Fund's next Board meeting.

Decision Implications

11. If Council does not approve the proposed appointments, the Honorary Secretary and Honorary Treasurer positions will continue to be fulfilled by the Alliance Manager Community Services and General Manager Community Development, respectively.

Strategic, Legal and Policy Implications

Strategic	
Strategic Community Plan Aspiration:	Performance A city led by a Council and supported by an administration that is committed to sound strategy and governance, excellence in customer service and effective and sincere engagement with stakeholders
Strategic Community Plan Objective:	Objective 5.6 Decision making that is informed and inclusive
Issue Specific Strategies and Plans:	Not applicable
Legal and Policy	
Legislation:	Not applicable
Legal Advice:	Not applicable
Policy:	Not applicable

Financial Implications

There are no direct financial implications with this report.

Relevant Documents

Not applicable.

Further information

Resulting from discussion and questions raised from the Agenda Briefing Session on 17 November 2020, the following additional information is provided:

12. The Lord Mayor's Distress Relief Fund will launch an appeal to raise funds by donations collected from the public. These funds are then disbursed to individuals impacted by the disaster.
13. An appeal is launched based on the level impact of a natural disaster to Western Australian communities and always in discussion with the State Government.
14. The City of Perth provides all administrative functions of the Fund, which enables 100% of all money raised to go directly to those who need it.

12.4 Australia Day Program of Activities

Responsible Officer	Anne Banks-McAllister General Manager Community Development
Voting Requirement	Absolute Majority
Attachments	Not applicable

Purpose

The purpose of this report is to recommend an indicative program of alternative activities following the cancellation of Skyworks 2021. The report also outlines budget adjustments to account for confirmed project income and the cancellation of Skyworks 2021.

Recommendation

That Council:

1. APPROVES the alternative program of activities to celebrate Australia Day in lieu of Skyworks 2021 as listed in Section 4 to the value of \$1,492,291 and noting estimated irrecoverable costs from Skyworks as \$263,000
 2. APPROVES a sole supplier application for Auspire – Australia Day Council WA to deliver an Immersive Storytelling Activation to the maximum value of \$345,820 subject to City of Perth Elders Advisory Group support
 3. APPROVES a budget adjustment to reflect the following:
 - 3.1 Receipt of \$435,000 Skyworks Grant Revenue to be offset against the existing Skyworks operating budget.
 - 3.2 Receipt of a further \$846,266 Skyworks Grant Revenue to be offset against the existing Skyworks operating budget.
 - 3.3 Reallocation of the Skyworks operating budget to an Australia Day Program of Activities budget.
-

Background

1. Western Australia is currently in Phase 4 of the COVID-19 WA Roadmap, with Phase 5 being delayed indefinitely. The WA Government released updated Event Directions on 16 September 2020 which included the introduction of COVID Event Guidelines and the requirement of a COVID Event Plan for events involving more than 500 persons. A COVID Event Plan outlines the public health measures that will be put in place to reduce the potential risk of COVID-19 transmission.
2. A COVID Event Plan was developed and reviewed by Department of Health for Skyworks 2021. On 13 November 2020 the City was advised by the Chief Health Officer that he had recommended to the Premier that Skyworks 2021 not proceed based on public health grounds. Based on this advice, later that day the City of Perth announced that Skyworks 2021 will not proceed.
3. An alternative program of family activities, music, entertainment and neighbourhood celebrations are proposed to be delivered in lieu of Skyworks 2021. This program can be delivered in a COVID safe manner, each with its own COVID Event Plan, and provides opportunities for the community and residents to still celebrate Australia Day.

Discussion

Program of Activities

4. An alternative program of activities is proposed for Australia Day 2021 in lieu of Skyworks. These activities aim to:
 - a. Bring the community together to celebrate Australia Day in a COVID safe manner whilst in Phase 4 of the COVID-19 WA Roadmap.
 - b. Provide family friendly entertainment that will drive visitation into the city and provide economic benefits to local businesses.
 - c. Provide localised entertainment for residents in the city's neighbourhoods.
 - d. Repurpose existing entertainment planned for Skyworks.
5. The indicative program of activities is as follows and may be subject to change:

Proposed Activity	Proposed Location	Description
Birak Concert	Supreme Court Gardens	A concert celebrating Aboriginal and Torres Strait Islander culture through music, dance, food and art
Carnival	Langley Park	Amusement rides and activities
Water Playground	Langley Park	Water slides and activities
Motocross and BMX Shows	Langley Park	Motocross stunt shows and BMX tricks

Proposed Activity	Proposed Location	Description
Water Pistol Park	Yagan Square	Water pistol activity on a playing field
Family Concert	Yagan Square	Children shows and multi-cultural performances
Markets	Forrest Place	Hawker-style food market mixed with farmer's market favourites
Roving entertainment	Murray St Mall and Hay St Mall	Colourful performers roaming the malls to entertain city shoppers
Immersive Storytelling Activation	Elizabeth Quay	Immersive cultural experience projecting on water screens and surrounding built form for Dreamtime storytelling
Community Concert	Victoria Gardens	A community concert hosted in East Perth
Community Concert	Harold Boas Gardens	A community concert hosted in West Perth
Community Concert	JH Abrahams Reserve	A community concert hosted in Crawley
Community Concert	Northbridge Piazza / Perth Cultural Centre	A community concert hosted in Northbridge

6. The Birak Concert, Carnival, Water Playground, Motocross and BMX Shows, Water Pistol Park and Family Concert will repurpose entertainment currently procured for Skyworks. Markets and roving entertainment will be new additions in the Malls precinct.
7. An Immersive Storytelling Activation has been proposed by Auspire – Australia Day Council WA to provide a cultural experience focused on the Elizabeth Quay inlet using projections that create holographic effects on water screens. Ongoing engagement and consultation with the City of Perth Elders Advisory Group will be essential to the delivery of this activation with their support required to proceed. Subject to approval from the Elders Advisory Group, a culturally inclusive story of Australia will be told by curating images and video building a self-navigational immersive display of light, sound, dance and colour. If approved, multiple shows per night will be available for six nights in total from Thursday 21 January to Tuesday 26 January 2021.
8. It is recommended to appoint Auspire – Australia Day Council WA as a sole supplier to deliver the Immersive Storytelling Activation, should the City of Perth Elders Advisory Group support the concept. This is due to the intellectual property attached to the creative proposal developed by Auspire which does not allow scope for a request for tender process to be undertaken for the same proposal. A broader request for tender scope is not possible to be achieved in the timeframe available between Skyworks being cancelled on 13 November 2020 and 21 January 2021.

9. A series of Community Concerts and other initiatives are proposed for the city's neighbourhoods to provide an entertainment option for residents to come together on Australia Day. Consultation is underway with the relevant neighbourhood community groups.
10. A \$10 gift card spend incentive program is proposed for activities based on Langley Park to encourage attendees to also visit the CBD and surrounds to redeem their gift cards in local businesses, stimulating broader economic benefits. Similar incentives have been successful previously in association with ticketed events delivered by the City, for example Spring 2019 School Holidays "Little Green Thumb" workshops resulted in a 94% redemption rate, seeing 1,409 cards going towards purchases in the city.
11. The estimated budget required to deliver the above program of activities in a COVID safe manner, including marketing the activities and appropriate COVID safe messaging, is \$1,492,291. Skyworks is currently estimated to cost \$263,000 in irrecoverable costs. This totals \$1,755,291 (excluding staff costs).

COVID Safe Events

12. The alternative program of activities can be delivered in a COVID safe way, including the following considerations being implemented (not exhaustive):
 - A COVID Event Plan for every activity.
 - Most venues will have a fenced perimeter to manage entry/exit and restrict patron attendance to a pre-approved number.
 - Most activities will include a free, registration system to manage capacity and to enable contact tracing.
 - Some activities will include 'session times' that can be pre-booked while others will be 'registration upon entry' to enable a more flexible approach but still meet contact tracing requirements.
 - All concerts to be seated.
 - Trained COVID Marshals will be present at every activity.
 - Hand sanitiser stations available throughout each activity.
 - An increased cleaning disinfection regime for all 'high touch' areas.
 - All staff and contractors to undertake the 'COVID-19 Infection Control Training' course.
 - Marketing and communications to convey COVID messages, including expectations of physical distancing requirements, hand hygiene, cough/sneeze behaviour and staying home if unwell. These messages are to be communicated pre-event in event promotions and during the event via various methods including signage.

Grants

13. The City was successful in securing a Lotterywest grant for Skyworks 2021 to the value of \$435,000 under the COVID-19 Relief Fund grant program for 'Building Community'. This grant program aims to create opportunities for the whole community to come together as a means of enhancing community connection, strengthening social capital and encouraging community to repair and rebuild itself from the pandemic. As the alternative program of activities remains in line with the original purpose of the grant, Lotterywest has confirmed that this grant can be applied to the new program.

14. The City was also invited to apply for a grant under the 'Australia Day Iconic Events Program' by the National Australia Day Council (NADC) and Auspire – Australia Day Council WA, with support from the Australian Government. NADC aims to encourage large state and territory Australia Day iconic events to proceed in a COVID-safe manner. NADC also seeks to promote a new message of *Reflect. Respect. Celebrate. We're all part of the story.* A grant to the value of up to \$846,266 had been approved for Skyworks 2021. The City has been informed by the NADC CEO that the NADC board sub-group has considered the alternative program of activities proposed and approve proceeding with the grant in this format.

Stakeholder Engagement

15. Following the cancellation of Skyworks, consultation has taken place with Lotterywest, National Australia Day Council and Auspire – Australia Day Council WA on the approved grants for Skyworks and to renegotiate funding agreements.
16. Neighbourhood Groups West Perth Local, East Perth Community Group and Northbridge Common met with the Lord Mayor and the City's Administration on Friday 20 November 2020 to discuss the alternative program of activities. This meeting was to ensure that the City and community aspirations for the activities in their neighbourhoods are aligned and commenced consultation around opportunities.

Decision Implications

17. If Council supports the recommendation, then planning and engagement with the neighbourhood groups will commence to develop the proposed program of Australia Day entertainment, subject to Western Australia remaining in Phase 4 of the COVID-19 WA Roadmap. In the scenario that WA retreats to Phase 3 or lower before Australia Day, the alternative program of activities will need to be revised with significantly less capacity, with some not able to proceed. Other ways of engaging the community, such as online would be explored.
18. If Council does not support the recommendation, then there will be no entertainment in the city to celebrate Australia Day 2021, or an alternative program will need to be developed, which would become difficult if not impossible to implement given the short timeframe.

Strategic, Legal and Policy Implications

Strategic	
Strategic Community Plan Aspiration:	People Prosperity
Strategic Community Plan Objective:	Objective 1.6 Thriving and sustainable cultural, artistic and heritage industries, activities and events that encourage locals and visitors to come back for more. Objective 4.8 Iconic signature events positioned strategically to create a vibrancy that attracts intrastate, interstate and international visitors.
Issue Specific Strategies and Plans:	Cultural Development Plan 2019 – 2020 Reference 4.11: Ensure that Australia Day long weekend events are inclusive and acknowledge cultural diversity and multiple histories. Add sentence that describes how your report/recommendation aligns with the related strategy. Include comments on intended public value outcome

Legal and Policy	
Legislation:	Section 6.15(1) of the Local Government Act 1995 This legislation describes a local governments ability to receive income from grants.
Legal advice:	Not Applicable
Policy	9.5 Sponsorship of City of Perth Activities Developing an alternate source of income to facilitate and improve the provision of the City's services. 9.6 Budget Variations Seeking a variation to the Council's budget where new income is received, and no estimate of that income is included in the Council's adopted budget.

Financial Implications

Account Number	1065 100 50 10183 6301	Operating Revenue
Description	Skyworks Grant	
Current Budget	\$0	
Amendment	\$1,281,266	

Revised Budget	\$1,281,266

Revised Budget	\$1,492,291	
Budget Impact	Decrease Budget Surplus	

Account Number	1065 100 50 10183 xxxx	Operating Expenditure
Description	Skyworks Costs	
Current Budget	\$2,007,000	
Amendment	\$1,492,291	
Revised Budget	\$514,709	
Budget Impact	Increase Budget Surplus	

19. The City currently has a budget of \$2,007,000 allocated for Skyworks and will receive \$1,281,266 in grant revenue for a total allocation of \$3,288,266. Proposed expenditure is \$1,492,291 for the new Australia Day Program, plus approximately \$263,000 in irrecoverable Skyworks costs for a total expenditure of \$1,755,291. This leaves the final budget position at an increase to budget surplus of \$1,532,975.

20. The following is a breakdown of costs for the proposed Australia Day Program:

Item	Budget
Birak Concert	\$283,000
Carnival	\$107,500
Water Playground	\$111,500
Motocross and BMX Shows	\$35,000
Water Pistol Park	\$62,500
Family Concert	\$62,771
Markets and roving entertainment	\$24,500
Immersive Storytelling Activation	\$355,820
Community Concerts	\$120,200
Marketing	\$173,000
Auspire promotion	\$63,000
Event Impact Evaluation	\$20,000
Program coordination	\$47,500
Gift card spend incentive	\$26,000
	\$1,492,291

13. Infrastructure and Operations Alliance Reports

'Security Services – Facilities and Car Parks – RFT26-20/21' is presented under Item 17 as it contains confidential attachments.

14. Corporate Services Reports

14.1 Monthly Financial Report for September 2020

Responsible Officer	Michael Kent, Project Director Strategic Finance (CFO)
Voting Requirement	Simple Majority
Attachments	Attachment 14.1A – Financial Activity Statement (Sep 2020) Attachment 14.1B – Net Current Asset Position (Sep 2020) Attachment 14.1C – Financial Report (Sep 2020) Attachment 14.1D (1) and 14.1D(2) – Financial Variance Analysis (Sep 2020)

Purpose

To provide timely, meaningful financial insights regarding the City's operating activities, financial performance and financial position to Council.

Recommendation

That Council RECEIVES the following financial reports for the period ended 30 September 2020:

- a. Financial Activity Statement (Attachment 14.1A)
 - b. Net Current Asset Position (Attachment 14.1B)
 - c. Financial Report (Attachment 14.1C)
 - d. Financial Variance Analysis (Attachment 14.1D (1) and 14.1D (2))
-

Background

1. Presentation of a monthly financial report to Council is both a statutory obligation and good financial management practice that:
 - a. Demonstrates the City's commitment to managing its operations in a financially responsible and sustainable manner.
 - b. Provides timely identification of variances from budget expectations for revenues and expenditures and identification of emerging opportunities or changes in economic conditions.
 - c. Ensures proper accountability to the community for the use of financial resources.
2. Preparation of a monthly Financial Activity Statement (FAS) is the minimal statutory requirement of the *Local Government Act 1995* and regulation 34 of the *Local Government (Financial Management) Regulations 1996*. It is also a responsible financial management practice to allow Council to effectively execute their financial management responsibilities.
3. Financial information that is required to be reported directly to Council monthly includes:
 - a. Operational financial performance against budget expectations
 - b. Explanations for identified variances from expectations
 - c. Financial position of the City at each given month end
4. This statutory financial information may be supported by additional supporting information such as reports on rates or investments performance as determined by the City.
5. Other relevant information may be made available to Council through mechanisms including, but not limited to, a Council Bulletin or the Council Hub.

Discussion

6. The Financial Activity Statement (Attachment A & B) indicates that operating revenue currently sits at \$28.0M versus a budget of \$26.2M to the end of the reporting month (September 2020). This represents a year to date (YTD) favourable variance of 7.2%.
7. The major contributing factors to the favourable revenue variance were:

Revenue Item	Variance	Variance %	Comment
Rates	\$100K	0%	<ul style="list-style-type: none"> • Rates revenues are disclosed as \$98.4M, slightly ahead of the YTD budget of \$98.3M. The first instalment payment date was 27 September. Some 58% of the rates levied were collected by 30 September. This was broadly in line with previous year's collection profiles.

Parking Revenues	\$2.3M	21%	<ul style="list-style-type: none"> Parking revenues for both on-street and off-street parking were \$2.3M ahead of budgeted targets. This was because performance in July saw higher than expected patronage and the phased reintroduction of paid off street parking, resulting in a significantly positive impact. Performance since July has been ahead of budget expectations.
Waste Fees & Charges	\$526K	6.6%	<ul style="list-style-type: none"> Waste fees and charges were \$526K ahead of budget expectations at month end due to incorrect budget phasing. This is a timing difference only that is progressively reversing out and should continue to do so in future months.
Interest Revenue	\$438K	(40%)	<ul style="list-style-type: none"> Interest revenues are \$438K below budget expectations with interest rates having dropped further since the budget was prepared. Also, the later issuing of rates notices this year meant lower investment volumes early in the year.
Rental & Hire Revenues	\$68K	(6.6%)	<ul style="list-style-type: none"> Rental and hire revenues were lower than budget expectations with that shortfall being evenly split between commercial property vacancies and venue hire.
Contributions	\$22K	12.7%	<ul style="list-style-type: none"> Contributions were ahead of budget target.
Other Revenues	-	-	<ul style="list-style-type: none"> Other revenues were not materially different for the year to date.

8. The Financial Activity Statement shows that operating expenditure currently sits at \$42.5M versus a budget of \$47.0M to the end of the reporting month (September 2020). This represents a year to date (YTD) favourable variance of 9.6%.

9. The major contributing factors to the expenditure variances were:

Expenditure Item	Variance	Variance %	Comment
Employee Costs	\$1.1M	6.0%	<ul style="list-style-type: none"> Favourable variance due to vacant positions that now require greater rigour in the staff recruitment process. Favourable variance due to staff on long service leave (funded from long service leave provision). Timing variance for staff development costs.
Contractors and Consultants	\$2.5M	37.1%	<ul style="list-style-type: none"> Timing variance on operating projects including container deposit scheme, core systems consolidation, feasibility studies and safer city initiative. These are anticipated to reverse in later months.
Materials and Services	\$1.1M	11.2%	<ul style="list-style-type: none"> (\$236K) timing variance relating to waste tipping fees. \$523K timing variance relating to capacity issues on facility maintenance. \$251K realised cost savings on parking related activities including security and coin collection. \$320k timing variance for parks maintenance activities that will occur in the summer.
Utilities and Insurances	\$69K	7.6%	<ul style="list-style-type: none"> Under budget as a result of temporarily closed venues in July and some small timing differences.
Depreciation	(\$161K)	(1.8%)	<ul style="list-style-type: none"> Unfavourable non-cash variance is likely to change once the revised building valuations are incorporated into the City's accounts in the next month.
Other Expenses	(\$1M)	(55.8%)	<ul style="list-style-type: none"> Timing differences relating to sponsorships, the budget phasing for this area is not necessarily aligned with the timing of the funding rounds as these are not known with certainty.

10. The aggregation of operating revenues and operating expenses reflects a Net Cash Deficit from Operations of (\$5.1M) compared to a year to date budget of (\$11.7M). This is a favourable variance of \$6.6M.

11. Investing activities reflect a result of (\$7.6M) compared to a year to date budget of (\$14.5M). This is a variance of \$6.9M, attributable to slower than anticipated progress on capital program spending which should ramp up significantly in the next few months. The months early in the year are typically precursor

activities with the major cash flows expected from now onwards. The City is also currently undertaking a reprioritisation of projects to be considered by council in December.

12. The major contributing factors to this variance were:
 - a. Capital expenditure - Property, Plant & Equipment was \$1.96M (66%) behind budget largely due to a timing difference on the supply of Christmas decorations now to be invoiced in November (\$1.2M) and a deferral of spending on the Core Systems Consolidation Project to allow technology architecture discovery work to occur first. Further commentary is provided in Attachment 14.1D (2).
 - b. Capital expenditure - Infrastructure was \$4.97M behind budget at 30 September, due to a \$2.2M timing difference on invoicing on the East End Revitalisation project, \$0.5M Council House Project, on Retail Core Refresh \$200K) and Pier St Solar Panels Project(\$200K).Further commentary is provided in Attachment 14.1D (2).
 - c. Grants for the acquisition of assets reflect a small grant payment received by the City earlier than expected.
13. Adjusting for opening funds (Net Current Asset Position), generates the Budget Deficiency before Rates. This then indicates the Amount Required to be Raised from Rates. The difference between the rates amount and the deficiency before rates is the closing position. The Financial Activity Statement for the period to 30 September shows that a rate yield of \$98.43M was levied on August 21, 2020 compared to the \$98.33M budget.
14. The disclosed year to date closing position of \$129.0M compares favourably to the year to date budgeted closing position of \$115.0M - a variance of 12.1%, reflecting the combined impact of the variances noted in this report for revenues, expenses, financing activity and investing activity.
15. The Net Current Position Report (Attachment 14.1B) indicates a year to date adjusted net assets value of \$132.3M versus the budget of \$129.7M
16. The Financial Report (Attachment 14.1C) contains the statutory format financial information and supporting notes as well as some commentary about the City's financial position.
17. The Financial Variance Analysis (Attachments 14.1D (1) and 14.1D (2)) provide comments on the material variances disclosed relating to core services, operating projects and capital projects for each service area.

Stakeholder Engagement

18. As the contents of this report focus on the organisation's recent past financial performance, only internal consultation is relevant to the preparation of this report.

Decision Implications

19. Council's acknowledgement of receiving the Financial Activity Statement and supporting documents will meet its statutory obligation in respect of overseeing the City's financial resources.

Strategic, Legal and Policy Implications

Strategic	
Strategic Community Plan Aspiration:	Performance A city led by a Council and supported by an administration that is committed to sound strategy and governance, excellence in customer service an effective and sincere engagement with all stakeholders.
Strategic Community Plan Objective:	Objective 5.5 A financial business model underpinned by a culture of cost management, best value and strategic financial analysis that is subject to ongoing oversight, transparency and accountability.
Issue Specific Strategies and Plans:	Not applicable
Legal and Policy	
Legislation:	Section 6.4(1) and (2) of the Local Government Act 1995 Section 34(1) of the Local Government (Financial Management) Regulations 1996 This section of the Act and the related Financial Management Regulation prescribe the requirement to prepare and present to Council (monthly), a Financial Activity Statement (FAS). That FAS should contain: <ul style="list-style-type: none"> • Annual Budget estimates, and approved revisions to these for comparison purposes. • Actual amounts of income and expenditure to the end of the month of the FAS. • Material variances between the comparable amounts and commentary on reasons for these variances. • The net current assets at the end of the month to which the FAS relates. • An explanation of the composition of the net current assets at the end of the month to which the FAS relates.
Legal Advice	Not applicable
Policy	Not applicable

Financial Implications

20. There are no direct financial implications of receiving this report as it reflects a historical accounting of financial transactions. When material variances are noted, appropriate remedial action will be initiated by the administration in a timely and prudent manner.

Relevant Documents

Further information

Resulting from discussion and questions raised from the Agenda Briefing Session on 17 November 2020, the following additional information is provided:

21. Clarification was sought by Elected Members on the terminology used in the statutory format financial statements including 'Health' in the Statement of Comprehensive Income by Program and 'Contributions' in the Statement of Comprehensive Income by Nature and Type. It was explained that these terms are explicitly required by the *Local Government (Financial Management) Regulations 1996*, however they are not 'intuitive' to most readers of Council reports. Examples of each expression were provided verbally at the meeting and it was explained that these classifications are only used by The Australian Bureau of statistics and WA Local Government Grants Commission to compile aggregate sector wide expenditure data.
22. Advice was given that there are currently no prior year comparatives on some financial reports because the City has introduced a new contemporary chart of accounts using service based financial allocations and a suite of financial reporting hierarchies for which there is no one-to-one relationship with the highly aggregated figures that were used in previous years. Once we have a 'baseline year' of data, comparative figures can be provided.
23. Further information was requested on the Budget line item for Borrowings of \$10 million. Both the Long Term Financial Plan and the 2020/21 Annual Budget indicate the intent to borrow \$10 million. There is a detailed explanation of the rationale for this decision at Page 20 of the Annual Budget document. This loan would not be automatically be drawn down – only in the event that organisational cash flow required it. However, it needed to be acknowledged in the budget to allow the City to undertake the borrowing if required. Council would have an approval role in relation to the borrowings if the loan was required.
24. Clarification was sought in relation to the statutory revaluation of the City owned buildings. Advice was given that independent statutory valuation resulted in a net increase of \$3.7 million on a portfolio with a written down value of \$279 million.
25. Clarification was sought regarding Pension Rates deferred. It was explained that this is a legal entitlement to *eligible* pensioners in Western Australia under the *Pension Rebates & Deferrals Act 1992*. Subject to strict criteria, eligible pensioners may defer rates until such time as the property is sold with the debt attaching to the property. The City's exposure under this scheme is minimal. It was also explicitly stated that this is a highly summarised explanation of a complex technical area.
26. Interest revenues are noted as being well below budget expectations, given that there have been several rate reductions since the budget was first formulated. Advice was given that this budget will be adjusted downwards as part of the broader statutory budget review which is completed after 31 December.

27. An explanation was provided of what might constitute an unrecoverable debt and what the appropriate accounting treatment might be.
28. It was explained that the amount shown as a budgeted revenue for disposal of land did not relate to the disposal of any City of Perth land. It was a budget provision for the City's 1/12 share of the estimated proceeds of disposal of land developed by the Mindarie Regional Council (MRC) at Tamala Park. The City does not have discretion in the decision to sell their land as the City has one vote out of twelve with the remainder held by other member local governments. It is expected that this will be the last year that the City might expect to receive any such distribution.
29. Clarification was provided into the City's role in the administration / collection of the Emergency Services Levy (ESL). The ESL appears on the local government rates notice and is collected by the City on behalf of the state government. When rates are levied the Receivable for the ESL is recognised as a debtor in the City's accounts and a liability (Creditor) for the same value is also established. As ratepayers pay the levy the Receivable is progressively reduced. Once each quarter, the City is required to remit the collected ESL monies to the Fire and Emergency Services Agency (FESA). As collections are always ahead of the remittances, the outstanding Receivable amount for ESL will always be less than the Liability until the end of the financial year when they should be equal.
30. Information was provided in relation to the way in which unpaid rates debts are disclosed in the City's financial accounts. It was explained that Rates debts are aggregated into a single consolidated value rather than by individual property category. It was also indicated that in the month following each rates instalment date, supplementary information showing percentages collected and total outstanding balances could be provided in aggregate for each differential rating property category. Individual ratepayer debts will never be provided in any Council forum.
31. In relation to an Operating Project disclosed as Christmas Decorations, it was clarified that this is not associated with the Christmas Light Trail. These items relates to the purchase of new decorations to replace some previously leased items on which the lease had now concluded.
32. Various other technical accounting terminology was provided in the context of relevant questions as was clarifications of the physical locations of certain built structures.

City of Perth Financial Activity Statement

City of Perth Financial Report

1.0 Balance Sheet commentary for the period ending 30 September 2020

Total net assets at 30 September 2020	\$1,326,774,616
Net current assets at 30 September 2020	\$222,157,306
Current Ratio:	3.91

1.01 Cash and Cash Equivalents

This line includes petty cash and floats, balances held in the Municipal bank accounts, On Call funds and Term Deposits of less than 3 months.

The chart below explains the movement in Cash from 1 July 2020 to 30 September 2020.

1.02 Deposits and Prepayments

Significant Prepayments include Parking Levy of \$13,133,335, insurance premiums of \$742,379, Data 3 Microsoft licenses of \$414,472, Technology One Support and Maintenance of \$349,983 and Pathways Annual Maintenance of \$192,546.

1.03 Other financial assets at amortised cost

This line reports funds held in Term Deposits with a maturity of greater than 3 months.

City of Perth Financial Report

1.0 Balance Sheet commentary for the period ending 30 September 2020 (continued)

1.04 Trade and Other Receivables (current)

Current trade and other receivables include rates, rental and events income, GST receivable and fines and infringements.

Debtor days are currently 39.21, an improvement on August (42.28) due to an end of year adjustment for credit notes originally raised in July. In September \$612,930 debts were overdue > 90 days including \$339,851 deemed unrecoverable for which provision has been made in full.

1.05 Other Financial Assets at amortised cost

The City holds Mortgage Backed Securities to the value of \$2,351,502.

1.06 Financial Assets at fair value through profit and loss

This line discloses the City's 10,000 units share of Local Government House. WALGA revalues the units annually and the City makes financial adjustments accordingly.

1.07 Right of Use Assets

Under AASB16 leases must be recognised as liabilities with the corresponding asset also brought on and depreciated over the term of the lease. Currently three assets under lease have been brought on: AMP Access Ramp; Allendale/Trinity underpass and City Arcade/Trinity Underpass.

1.0 Balance Sheet commentary for the period ending 30 September 2020 (continued)

1.08 Trade and Other Payables

Trade and Other Payables include Bonds and retentions held, parking cards, trade creditors, accrued payroll and general accruals.

Average age of creditor invoices due for payment is currently 17.65 days.

1.09 Employee Benefits

Employee benefits includes Annual Leave and Long Service Leave entitlements and are accrued monthly. Long Service Leave is reconciled annually to anticipated probability of entitlement.

1.10 Lease Liabilities

Under AASB16 leases must be recognised as liabilities with the corresponding asset also brought on and depreciated over the term of the lease. Currently only three leases have been brought on in this way and all relate to properties leased.

1.11 Contract Liabilities

Under AASB15 and AASB1058 revenue for which performance obligations have not yet been met must be held as a liability and released when the goods/services relating to the contract have been provided or the asset completed.

Contract liabilities include \$1.425m PTA contract revenue for Moore Street capital works. and \$528,243 Main Roads for Parliament House Street Lighting

14.2 Schedule of Accounts Paid – September 2020

Responsible Officer	Michael Kent, Project Director Strategic Finance (CFO)
Voting Requirement	Simple Majority
Attachments	Attachment 14.2A - Schedule of Accounts Paid (Sep 20)

Purpose

The purpose of this report is to note details of payments made under delegated authority for the month of September 2020.

Recommendation

That Council:

1. RECEIVES the Schedule of Accounts Paid under Delegated Authority 1.2.10, for the period ended 30 September 2020, (Attachment 14.2A)
2. RECORDS in the Ordinary Council Meeting minutes the summary of accounts paid being:

Total Accounts Paid	
Municipal Fund	\$40,579,249.47
Trust Fund	\$0
Total - All Funds	\$40,579,249.47

Background

1. Delegated Authority 1.2.10 has been granted to the Chief Executive Officer to make payments from the Municipal and Trust Funds.
2. This authority has then been on-delegated to the General Manager Corporate Services and Project Director Strategic Finance (CFO).
3. In accordance with Regulation 13.2 and 13.3 of the Local Government (Financial Management) Regulations 1996, where this power has been delegated, a list of payments for each month is to be compiled and presented to Council.
4. Due to the voluminous nature of the list of accounts paid (frequently 300 + pages), and the manner in which this attachment dominates the Council Agenda Papers, the listing of payments with full disclosure of all required information, is presented in electronic format for Council perusal.
5. This summary report then facilitates the acknowledgement of the listing having been received.

Discussion

6. The Schedule of Accounts Paid (Attachment 14.2A) contains the following payments made under Delegated Authority 1.2.10 - Payments from the Municipal and Trust Fund:

Schedule of Accounts Paid - September 2020		
Municipal Fund		
EFT & Cheque Payments	Direct Creditor Payments	35,323,404.74
Sub Total - EFT & Cheques		\$35,323,404.74
Direct Debits	Bank Charges	95,532.08
Sub Total - Direct Debits		\$95,532.08
Payroll	PPE 4/9/2020	1,647,699.34
	PPE 18/9/2020	1,616,393.33
	PPE 30/9/2020	1,884,259.01
Sub Total - Payroll		\$5,148,351.68
Corporate Cards	August 2020	11,960.97
	Note: September 2020 statement is paid in October and will be reported in that month	
Sub Total - Cards		\$11,960.97

New Investments	(Not Rollover Investments)	0
Sub Total Investments		\$0
Total - Municipal Fund		\$40,579,249.47
Trust Fund		
Trust EFT & Cheques		0
Total - Trust Funds		\$0

7. The Grand Total of the Schedule of Accounts Paid for the month is \$40,579,249.47.
8. This report and the detailed schedule made available on the Council Hub are presented for Council's information.

Stakeholder Engagement

9. As the contents of this report focus on the organisation's recent past financial performance, no external consultation is relevant to the preparation of this report.

Decision Implications

10. Council's acknowledgement of receiving the Schedule of Accounts Paid will meet its statutory obligation under Local Government (Financial Management) Regulation 13 (1).

Strategic, Legal and Policy Implications

Strategic	
Strategic Community Plan Aspiration:	<p>Performance</p> <p>A city led by a Council and supported by an administration that is committed to sound strategy and governance, excellence in customer service and effective and sincere engagement with all stakeholders.</p>
Strategic Community Plan Objective:	<p>Objective 5.5</p> <p>A financial business model underpinned by a culture of cost management, best value and strategic financial analysis that is subject to ongoing oversight, transparency and accountability.</p>

Issue Specific Strategies and Plans:	Not applicable
Legal and Policy	
Legislation:	<p>Section 6.10 of the Local Government Act 1995</p> <p>Regulation 13 (1) of the Local Government (Financial Management) Regulations 1996</p> <p>This section of the Act and the related Financial Management Regulation prescribe the requirement to prepare a list of all payments made for each month and to present them to Council. That Schedule of Accounts Paid (the 'list') should contain, for each payment:</p> <ul style="list-style-type: none"> • Payee Name. • Amount of the Payment. • Date of the Payment. • Sufficient information to identify the transaction.
Legal advice:	Not Applicable
Policy	Not Applicable

Financial Implications

There are no direct financial implications of receiving this report as it reflects a historical accounting of financial transactions that were provided for in the adopted budget (as amended).

Relevant Documents

Not Applicable.

Further information

Resulting from discussion and questions raised from the Agenda Briefing Session on 17 November 2020, the following additional information is provided:

11. The City would not experience any additional financial impact by paying small business creditors within 14 days. The City made a decision to pay creditors on 14-day terms in March 2020 as part of its COVID Response, recognising that cash flow in a COVID impacted economy would be challenging for creditors, especially small business.
12. In the interests of providing transparent disclosure of the nature of all the payments within the Schedule of Accounts Paid, the clarity of all transaction descriptions will be subjected to a further senior level review prior to publishing the listing each month.

13. Greater clarity was requested on certain transactions in the September 2020 listing. Details are provided below.
14. The payment to Scotswood Pty Ltd related to preparation of a summary report for the Disability Access and Inclusion Plan.
15. The payment to WSP relates to the September progress claim on the Winthrop Ave Shared Path Design project.
16. The payment to Light Applications relates to an ongoing program of lighting upgrades in Adelaide Terrace.
17. Several carparks across the city have irrigated gardens and/or toilet facilities. Water use at these sites will be greater than those without gardens or toilets. Water use is monitored, and any anomalies are investigated as required.
18. The City's two green walls are managed by the Operations business unit. These works are outsourced via contract to a company called Deep Green. Their current contract is due to expire on 29 November 2020. The Operations team have been working with Deep Green to improve plant density in the lower half of the library green wall by trialling a range of plant species, however, this has had only limited success. Design issues resulting in poor plant performance in the lower half of the wall have been ongoing from the initial maintenance and handover period. The main issues are that the lower half of the wall gets water-logged and wind shears juvenile plants. The Operations team will continue to work with the contractor to resolve the above-mentioned issues and work towards presenting a wall with the desired planting density. The City remains in contractual discussion with the designers of the library on several issues, including the green wall design.
19. Alinta gas bills are unrelated to parks as most city BBQ's are powered by electricity. There are several BBQ's in East Perth that are run on gas bottles but not mains gas supplied by Alinta.
20. This city runs a project within the Planning and Economic Development Alliance which includes air and water pollution monitoring collected by NJH consulting. The results of this monitoring are collated and made publicly available, and can be viewed by following these links:
<https://public.eagle.io/public/dash/djri2y9hyaki7qt>
<https://public.eagle.io/public/dash/8h9np7tdvach8f6>
21. The Supreme Court Gardens inundation project involves the resolution of a persistent stormwater ponding issues which became evident in several locations across the site during the winter of 2017. A series of investigations were undertaken during FY18/19 and FY19/20. A capital project exists in the current financial year to deliver a solution to the ongoing issues, with design consultant Tabec providing documentation required to advertise a tender.

14.3 Process for the Development of the 2021-2031 Strategic Community Plan

Responsible Officer	Bill Parker, General Manager Corporate Services
Voting Requirement	Absolute Majority
Attachments	Not applicable

Purpose

To seek Council approval of the proposed process for the development of the 2021-2031 Strategic Community Plan.

Recommendation

That Council APPROVES the proposed process for the development of the 2021-2031 Strategic Community Plan as follows:

- a) Gather existing engagement data and identify key themes (Nov 2020 – Dec 2020)
 - b) Perform Community and Elected Member Engagement (Nov 2020 – Mar 2021)
 - c) Develop the draft Strategic Community Plan (April 2021 – June 2021)
 - d) Finalise the Strategic Community Plan (July 2021 – Sept 2021)
-

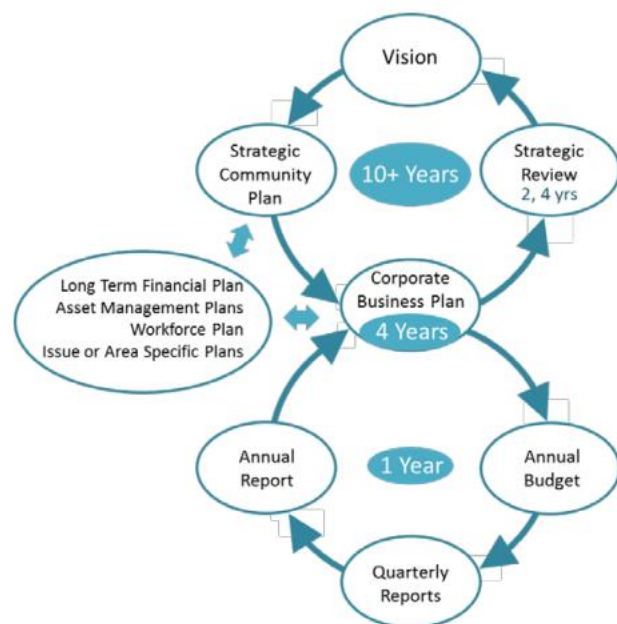

Background

1. Section 5.56 of the *Local Government Act 1995* requires all local governments to plan for the future and Division 3 of the Local Government (Administration) Regulations 1996 stipulates that each local government is to have a Strategic Community Plan and a Corporate Business Plan. Specifically, Regulation 19C indicates that:
 - a. A strategic community plan for a district is to cover the period specified in the plan, which is to be at least 10 financial years.
 - b. A strategic community plan for a district is to set out the vision, aspirations and objectives of the community in the district.
 - c. A local government is to review the current strategic community plan for its district at least once every 4 years.
 - d. In making or reviewing a strategic community plan, a local government is to have regard to:
 - i. *the capacity of its current resources and the anticipated capacity of its future resources*
 - ii. *strategic performance indicators and the ways of measuring its strategic performance by the application of those indicators*
 - iii. *demographic trends.*
 - e. A local government is to ensure that the electors and ratepayers of its district are consulted during the development of a strategic community plan and when preparing modifications of a strategic community plan.
 - f. A strategic community plan for a district is to contain a description of the involvement of the electors and ratepayers of the district in the development of the plan or the preparation of modifications of the plan.

2. In November 2019, Council approved its Integrated Strategic Planning and Reporting Framework (ISPRF) – a cyclical process which begins with the community vision, aspirations and strategic objectives as reflected in the Strategic Community Plan. The identified priorities are implemented through the Corporate Business Plan, with Asset Management Plans guiding capital works commitments. All these plans are mutually informing and informed by resource constraints as modelled in the City’s Workforce and Long Term Financial Plans.

3. The City’s previous major SCP review was performed in 2017. The process cost in excess of \$450,000 and included:
 - a. 40 days of engagement, 20 engagement sessions, 1945 engagement participants
 - b. A Community and Council deliberation process, including five decision making workshops.

Figure 1: The Integrated Strategic Planning and Reporting Cycle

4. Two desktop Reviews were performed of the Strategic Community Plan in 2019 (May and December).

Discussion

5. A key element of the State Government requirements is that true community engagement should take place during the development of a local government's Strategic Community Plan. In this context, "community" refers to a group of people living in the Perth Local Government, as well as businesses and community groups in the locality.
6. Ultimately, following the community consultation period, the Council sets the local government's strategic and policy directions and makes the final judgement call on the best balance between aspirations and affordability.
7. Officers have identified opportunities to reduce the cost and improve the efficiency of the City's engagement process through the identification of key themes from consultation interventions across the city over the past 12 months. Furthermore, it is proposed that the engagement efforts for the development of the Strategic Community Plan and each of the Neighbourhood Plans be combined. Through a combined engagement approach, not only will cost savings be achieved, but also will a good alignment result between the City of Perth Strategic Community Plan and the Neighbourhood Plans. These engagement interactions should also be informative in nature, based on the knowledge of the Elected Members priorities as reflected in their campaigns.
8. The City will aim for the "Advanced Standard" (*as per the Integrated Planning and Reporting Advisory Standards - September 2016*) to be met for the City of Perth Strategic Community Plan (*See in the "Further information" section for a full summary of these standards*). For the purposes of the City, this means in summary that:
 - a. Community engagement must involve at least 500 or 10% of community members, whichever is fewer, and be conducted by more than two documented mechanisms.
 - b. The Strategic Community Plan must connect most of the activities and services delivered with the community's aspirations
 - c. The Strategic Community Plan must take into account a range of relevant external factors, including relevant plans of State and Commonwealth
9. The proposed process for the development of the 2021-2031 Strategic Community Plan is summarised below and incorporates process incorporates all Statutory and Policy requirements. The role of Elected Members in this process is to approve the process, to understand the community aspirations and desired outcomes, and to adopt the Strategic Community Plan. It is anticipated that a draft Strategic Community Plan will be put before Council in accordance with the Strategy Development Policy at the June Council meeting for approval to advertise.

Figure 2: Proposed process for the development of the 2021-2031 Strategic Community Plan

10. Below is a summary of the approaches some of the other Local Governments have followed over past years.
- a. *City of Melbourne*: The last major review of the SCP was conducted in 2016 and followed the same approach as the City of Perth in 2017. 2,000 people were engaged through over 30 face-to-face events and 2,000 were engaged online.
 - b. *City of Sydney*: The major review of the SCP was conducted in 2017. Engagement is deliberative with in all projects and strategic direction initiatives. Outcomes were leveraged from these interventions to refresh the SCP.
 - c. *City of Adelaide*: The major review of the SCP was conducted in 2019 and included online forms, key stakeholder forums and resident participation forums. The program received 300 feedback forms, 200 poll responses and over 3000 recorded interactions.
 - d. *City of Joondalup*: The major review of the SCP was conducted in 2017 and used online and print surveys to gather 414 responses throughout a 21-day consultation period.
11. The Advisory Standards (*as per the Integrated Planning and Reporting Advisory Standards - September 2016*) for the Development of a Strategic Community Plan are as follows:
- a. Achieving Standard is met when A Council has adopted a Strategic Community Plan that meets all of the regulatory requirements:
 - i. *A minimum ten-year timeframe*
 - ii. *States community aspirations - vision, outcomes and priorities*
 - iii. *Developed or modified through engagement with the community, and this is documented*
 - iv. *Has regard to current and future resource capacity, demographic trends and strategic performance measurement*
 - v. *Is adopted, or modifications to it are adopted, by an absolute majority of council*
 - vi. *is subject to a full review scheduled for 4 years from when it is adopted*
 - vii. *The local government has a community engagement policy or strategy*

- viii. *Community engagement involves at least 500 or 10% of community members, whichever is fewer, and is conducted by at least 2 documented mechanisms*
- ix. *A Strategic Review is undertaken every two years, alternating between a Minor Strategic Review and a Major Strategic Review*
- b. Intermediate Standard is met when:
 - i. *The Strategic Community Plan connects most of the activities and services that are delivered by the local government with the community's aspirations - vision, outcomes and priorities*
 - ii. *The Strategic Community Plan takes into account a range of relevant external factors, including relevant plans of State and Commonwealth agencies*
 - iii. *Community engagement involves more than the minimum number of community members as provided for in the Achieving Standard, is inclusive and uses more than the minimum number of documented mechanisms that apply in the Achieving Standard*
- c. Advanced Standard is met when:
 - i. *The Strategic Community Plan meets "Achieving" and "Intermediate Standards"*
 - ii. *The Strategic Community Plan connects all of the activities and services that are delivered by the local government with the community's aspirations - vision, outcomes and priorities*
 - iii. *The Strategic Community Plan demonstrates effectiveness in achieving community objectives*

Stakeholder Engagement

- 12. Community engagement will be outsourced to an external consultant to ensure a contemporary and unbiased approach, and will involve residents living in the Perth Local Government, as well as businesses and community groups in the locality. It will also be extended to include those from other places who visit, work or recreate in Perth.
- 13. Business sector organisations, community sector organisations, and State, Federal and regional agencies also have a vital role to play in meeting community outcomes. Achieving some of the community outcomes will best be achieved through active engagement with these organisations during the engagement process for the development of the Strategic Community Plan.
- 14. The proposed engagement is expected to take place over a 4-6 week period, in February/March. The purpose of the engagement will be focused around the prioritisation of themes identified from current engagement information available, feedback to the community on what has been done around these themes and the identification of gaps. The approach will also involve a consolidation of the engagement required for Strategic Community Plan, Neighbourhood and City Planning projects.

Decision Implications

15. If Council approves the proposed process for the development of the 2021-2031 Strategic Community Plan, the Procurement of a suitable external consultant will commence immediately.

Strategic, Legal and Policy Implications

Strategic	
Strategic Community Plan Aspiration:	<p>Performance</p> <p>A city led by a Council and supported by an administration that is committed to sound strategy and governance, excellence in customer service and effective and sincere engagement with all stakeholders.</p>
Strategic Community Plan Objective:	<p>Objective 5.1</p> <p>An integrated strategic framework with clear line of sight between community vision and operational outcome.</p> <p>Objective 5.2</p> <p>Contemporary community engagement systems that are inclusive, accessible and harness the capabilities of digital technologies.</p>
Issue Specific Strategies and Plans:	All issue Specific Strategies and Plans will be impacted by the community Vision, Aspirations and Strategic Objectives in the 2021-2031 Strategic Community Plan.
Legal and Policy	
Legislation:	<p>Section 5.56 of the Local Government Act 1995 requires all local governments to plan for the future</p> <p>Division 3 (Regulation 19 C) of the Local Government (Administration) Regulations 1996 requires each local government to have a Strategic Community Plan and a Corporate Business Plan</p> <p>The proposed development of the 2021-2031 Strategic Community Plan will ensure that the City adheres to all legislative requirements.</p>
Legal advice:	Not Applicable
Policy	Strategy Development Policy

	The process proposed adheres to the policy requirements, with multiple points for Council inputs and discussion
--	---

Financial Implications

16. Additional expenditure will be required above the \$28,000 that has been budgeted for in the Strategy and Reporting unit as full outsourcing to an external consultant has not previously been considered. A procurement process will be entered into, with anticipated cost of the engagement to be in the order of \$70,000. The additional required funding will be sourced from the other service units who will be benefitting from the consolidated engagement approach. If required, minor financial adjustments can be accommodated within the next budget review process.

14.4 Reserve Transfer Request

Responsible Officer	Bill Parker, General Manager Corporate Services
Voting Requirement	Simple Majority
Attachments	Nil

Purpose

To consider a request from the State Government to relinquish Reserves 30347 and 24668, being the Perth Concert Hall and the Terrace Road car park.

Recommendation

That Council:

1. AGREES to the State Government's request to immediately relinquish the Management Order for Reserve 30347 to the Department of Local Government, Sport and Cultural Industries on the condition that the City of Perth is reimbursed with the equivalent number (416) of comparable parking bays.
 2. AGREES to the State Government's request to relinquish the Management Order for Reserve 24668 to the Department of Local Government, Sport and Cultural Industries on the condition that:
 - 2.1 Reserve 24668 is required by the State Government as part of the Perth City Deal; and
 - 2.2 The City of Perth is reimbursed with the equivalent number (799) of comparable parking bays.
-

Background

1. On 27 July 2020, the City of Perth received correspondence from the Department of Planning, Lands and Heritage. The correspondence outlined that the State Government is considering significant investment in the Perth Central Business District (CBD) as a Part of the Perth City Deal and as a result is seeking to acquire two (2) Crown Reserves currently managed by the City of Perth.
2. To ensure the sites are available for redevelopment, the State Government has requested the City relinquish its Management Orders over the two reserves, enabling the Department of Local Government, Sport and Cultural Industries to assume management responsibility.

Discussion

3. A reserve is Crown land that has been set aside for a particular purpose in the public interest. Reserve 30347 and 24668 have been placed under the care, control and management of the City of Perth by way of a Management Order registered against the relevant parcels.
4. The Management Orders provide the City with a statutory right to manage and control the Crown land in accordance with the Management Order granted under the *Land Administration Act 1997* (LAA).
5. Management Orders may contain conditions on the use and development of the reserve and may grant the management body certain powers to deal with the land, such as the power to lease and/or license.
6. In a letter dated 27 July 2020, it was requested the City relinquish Reserve 30347 and Reserve 24688 to facilitate the delivery of the Perth City Deal.
7. The two reserves in question are detailed below:

a. Reserve 30347 – Perth Concert Hall

Reserve 30347 is currently contained within Lot 853 on Deposited Plan 174436 and being the whole of the land comprised in Crown Land Title Volume LR3062 Folio 782.

Reserve 30347 is vested in the City pursuant to a Management Order for the purpose of 'Concert Hall, Restaurant Tavern, Vehicle Parking & Uses Ancillary thereto' together with the power to lease for any term not exceeding 21 years subject to the consent of the Minister for Lands (Minister) first being obtained as required under section 18 of the LAA.

Lot 853 is currently subject to a registered lease in favour of the Perth Theatre Trust (PTT) and a heritage memorial. The site is currently subject to an easement to the Water Authority of Australia.

The subject site is 11,913m² in area with improvements including the Perth Concert Hall and a City managed carpark comprising 416 parking bays.

b. *Reserve 24668 – Terrace Road Carpark*

Reserve 24688 is currently contained within Lot 478 on Deposited Plan 162097 and being the whole of the land comprised in Crown Land Title Volume LR3062 Folio 376.

Reserve 24688 is vested in the City pursuant to a Management Order E476393 for the purpose of 'Vehicle Park and Gardens Registered'.

The subject site is 31,972m² in area with improvements including a City managed carpark and a small portion of landscaped public open space. The carpark comprises 799 parking bays.

Figure 1: The two reserves being requested by the State Government

2. The delivery of the Perth City Deal will provide significant benefits to the broader Perth economy. There are however direct financial implications associated with relinquishing 1,215 parking bays.
3. As indicated within the Financial Implications, a scenario whereby the City relinquishes both Management Orders, however retains the management of the parking businesses would be an ideal scenario delivering mutually beneficial outcomes for both the City of Perth and broader economy.
4. To understand the legal implications associated with the State Government's request, the City's administration sought legal advice seeking to understand:
 - a. Options around surrendering the Management Orders; and
 - b. The City's entitlement to compensation if the reserves were compulsorily taken.

5. The advice states that Section 50 of the LAA sets out three instances where the State may revoke a management order. They are:
 - a. Where the local government agrees that the management order should be revoked;
 - b. Where the Reserves have not been managed in compliance with the management order or any management plan (which is usually created by the local government in response to State concerns regarding the management of the Reserves); and
 - c. It is in the public interest for the State to revoke the Management Order.
6. The advice confirms that it is likely that the components of the Perth City Deal would fall within the ambit of the 'public interest'. In this instance, the City would be required to surrender the Reserves.
7. In terms of compensation, in the event that the Minister was to determine that the revocation of the Management Orders was in the public interest, s50(3) of the LAA provides that the former management body may claim compensation under Part 10 of the LAA for any improvements made on the relevant reserve in accordance with the management order.
8. Under Part 10, if the State were to issue a taking order for the Reserves, the City is not entitled to compensation for the revocation of the management order itself. However, if the City were to lose the use of any erected structures or improvements on the Reserves, the City would be entitled to compensation from the State for the depreciated value of the structures and improvements.
9. Given that the City is in a reasonable negotiating position, it is recommended that Council relinquish both Management Orders on the condition that the equivalent number of parking bays are returned to the City of Perth for management.

Stakeholder Engagement

10. Stakeholder engagement has been limited to Commissioners, Elected Members, City of Perth employees, State Government employees and the City's nominated consultants.

Decision Implications

11. If Council agrees to the State's request, the City will apply to the Department of Lands for the revocation of the Management Orders. The Management Orders can then be reassigned to the Department of Local Government, Sport and Cultural Industries.
12. If Council declines the State Government's request, the relevant Minister may issue a Taking Order. In this instance, the City may be entitled to compensation from the State for the depreciated value of the structures and improvements.

Strategic, Legal and Policy Implications

Strategic	
Strategic Community Plan Aspiration:	People A safe, activated and welcoming city that celebrates its diversity and sense of community, providing unique educational, cultural, sporting and lifestyle offerings.
Strategic Community Plan Objective:	Objective 1.6 Thriving and sustainable cultural, artistic and heritage industries, activities and events that encourage locals and visitors to come back for more
Issue Specific Strategies and Plans:	Not Applicable

Legal and Policy	
Legislation:	Section 50 and Part 10 (particularly section 204) of the <i>Land Administration Act 1997</i> These sections set out the instances where the State may revoke a management order and the circumstances whereby compensation may be payable to the management body for loss of use.
Legal advice:	To ensure that Council can make an informed decision on this matter, the Administration sought legal advice and commissioned a benefit cost analysis to understand the full legal and financial implications associated with the State's request.
Policy	Not applicable

Financial Implications

13. In terms of the financial implications, the City has approached this issue from two perspectives;
 - a. A budget perspective to understand the budget implications associated with the proposal; and
 - b. A broader economic perspective to understand the implications for both the City and wider economy over a 30 year time horizon.
14. *Budget Perspective* - To understand the budget implications, the City firstly determined the net surplus for both the Perth Concert Hall and Terrace Road Carparks. In 2020/21, both carparks are forecast to generate revenue that will be offset with expenditure associated with operating the facilities. When combined, the net surplus for both carparks has been estimated at \$1.7m for the 2020/21 financial year.
15. Although the City would be foregoing \$1.7m by transferring both reserves, there are also benefits associated with the transfer. By transferring the reserves, the City would not need cover operating costs associated with the Perth Concert Hall (approx. \$330,000).

16. The greatest benefit of transferring the reserves is removing the Perth Concert Hall from the City's asset register. This facility has significant value and consequently depreciates at approximately \$1.5m per annum. From an asset management perspective, the City should be offsetting the annual depreciation with renewal expenditure. By transferring the ownership of this asset, the City would not need to renew the asset saving approximately \$1.0m per annum.
17. When taking the lost income and savings from transferring the assets into consideration, the negative impact of this proposal is estimated at \$370,000 per annum. In saying this and given the timing of the transfers, it is unlikely to have an impact until 2021/22.
18. *Broader Economic Perspective.* Given the significant implications associated with this proposal and their intimate knowledge of the City's parking business, the City engaged ACIL Allen to undertake a financial and economic assessment over a 30 year time horizon.
19. A Benefit Cost Assessment ('BCA') is a commonly used quantitative framework for logically analysing the social and economic costs and benefits of a particular policy, project or investment. The output of a BCA is typically expressed as a Benefit Cost Ratio (BCR) where total benefits are divided by total costs. A BCR of greater than one indicates that the net benefits of the policy, project or investment exceed the costs – this suggests economic value in investing in the option. The reverse applies for BCRs below (1) one.
20. ACIL Allen's BCA investigated two scenarios:
 - a. Under Scenario 1, it was assumed that parking management for the Perth Concert Hall and any development the Terrace Road site will not return to the City of Perth following construction.
 - b. Under Scenario 2, it was assumed that parking management for the Perth Concert Hall and any development on the Terrace Road site would be managed by the City of Perth following construction.
21. Under each scenario the BCA considers the direct implications from the City of Perth's perspective and the broader economic and social implications applicable to the wider economy.
22. **Scenario 1**

Under the set of assumptions used for Scenario 1, ACIL Allen estimated that the State Government's development proposal would come at a financial cost for the City of Perth, but would still generate broader economic benefits for the economy. This is a result of the City not receiving parking revenue for the Perth Concert Hall and Terrace Road Carparks over a 30 year time horizon.
23. From a financial perspective, the net financial cost to the City of Perth is estimated to be \$21.1 million on a discounted basis over the 30 year modelling period, with \$31.5 million in benefits offset by \$52.5 million in costs. This produces a BCR of 0.60, suggesting there are net financial costs associated with the State Government's proposal from the City of Perth's perspective.
24. When considering the net economic impacts, it is estimated that a further \$74.3 million in economic benefits would be generated as a result of the activity associated with the refurbishment of the Perth Concert Hall and the additional visitation to the City once the new facility opens.

25. Adding these additional economic benefits to the financial costs, the proposal realises an overall BCR of 2.01, which under the set of assumptions used for this study, suggests the State Government’s proposal is likely to generate a positive net economic and social benefits.

		<i>Benefits</i>	<i>Costs</i>	<i>Net</i>	<i>BCR*</i>
<i>Scenario 1</i>	Financial	\$31.50m	-\$52.50m	-\$21.00 m	0.60
	Economic	\$74.30m	\$-		
	Total	\$105.80m	-\$52.50m	\$53.30 m	2.01

**Benefit Cost Ratio*

Table 1: The financial and economic implications associated with scenario 1 (\$m)

26. Scenario 2

Under the set of assumptions used for Scenario 2, ACIL Allen estimates that the State Government’s development proposal would generate strong positive economic and financial benefits for the City of Perth relative to the previous scenario. This is due to the City receiving the parking revenue of both the redeveloped Perth Concert Hall and any new facility constructed on the Terrace Road site.

27. From a financial perspective, the net benefit is estimated to be \$25.8 million on a discounted basis over the 30 year modelling period, with \$31.5 million in benefits offset by \$5.7 million in costs. This produces a BCR of 5.52, suggesting there are net financial benefits associated with the State Government’s proposal from the City of Perth’s perspective.
28. When also considering the net economic impacts, the net benefit grows to \$100.1 million on a discounted basis over the 30 year modelling period. This is the result of adding an additional \$74.3 million in net economic benefits with no additional costs, producing a BCR of 18.56. This suggests the State Government’s proposal is likely to generate strongly positive net economic and social benefits.

		<i>Benefits</i>	<i>Costs</i>	<i>Net</i>	<i>BCR*</i>
<i>Scenario 2</i>	Financial	\$31.50m	-\$5.70m	\$25.80 m	5.53
	Economic	\$74.30 m	\$-		
	Total	\$105.80m	-\$5.70m	\$100.10 m	18.56

**Benefit Cost Ratio*

Table 2: The financial and economic implications associated with scenario 2

Relevant Documents

Request from the State Government

Further information

Resulting from discussion and questions raised from the Agenda Briefing Session on 17 November 2020, the following additional information is provided:

29. The recommendation conditionally agrees to relinquish both reserves. From an implementation perspective and prior to formally relinquishing the reserves, the State Government will be required to identify and agree to reimburse the City with the equivalent number of comparable parking bays. The City will only relinquish the reserves once the bays have been identified and an appropriate land tenure agreement has been agreed e.g. lease
30. In terms of location, the bays must be comparable. Comparability will be assessed against location, patronage and revenue generation.

15. Chief Executive Officer Reports

15.1 Appointment of Government Architect to the Design Advisory Committee

Responsible Officer	Michelle Reynolds, Chief Executive Officer
Voting Requirement	Absolute Majority
Attachments	Nil

Purpose

To appoint Rebecca Moore as the state's new Government Architect to the Design Advisory Committee.

Recommendation

That Council APPOINTS Rebecca Moore as Government Architect to the Design Advisory Committee.

Background

1. The City's Design Advisory Committee is established under section 5.8 of the *Local Government Act 1995*, and is subject to the same legislative requirements as other Committees established by Council.
2. The membership of the Committee is confirmed by Council every two years following the Local Government ordinary elections.
3. At its meeting held on 26 November 2019, Council resolved to appoint the following members and deputy members to the Design Advisory Committee:

Organisation	Member	Deputy
Australian Institute of Architects	David Karotkin Warren Kerr	Peter Hobbs
Planning Institute of Australia	Chris Melsom Andrew Howe	Ben De Marchi
Landscape Architects Institute of Australia	Stuart Pullyblank	Tony Blackwell
Office of the Government Architect	Geoff Warn	Melinda Payne
City of Perth	Jayson Miragliotta	Craig Smith

Discussion

4. As part of the Committee's Terms of Reference, a member from the Office of the Government Architect is appointed to the Committee.
5. In 2019, Geoff Warn was re-appointed as the Government Architect and has now completed his term in Western Australia following seven years in the role.
6. Rebecca Moore has been appointed as the State's new Government Architect.

Stakeholder Engagement

Not applicable

Decision Implications

7. If Council does not support the recommendation, the role of the Government Architect will be vacant on the Design Advisory Committee.

17 Matters for which the meeting may be closed

17.1 Security Services – Facilities and Car Parks – RFT26-20/21

Responsible Officer	Chris Kopec, General Manager Infrastructure and Operations Anne Banks-McAllister, General Manager Community Development
Voting Requirement	Simple Majority
Attachments	Confidential Attachment 17.1A – Evaluation Matrix Confidential Attachment 17.1B – Comparative Parking and Facility Pricing Analysis Confidential Attachment 17.1C – Comparative Safe City Pricing Analysis Confidential Attachment 17.1D – Qualitative vs Price Matrix Confidential Attachment 17.1E – Ace Security Schedule of Rates

Purpose

To recommend appointment of a suitably qualified and experienced contractor for the supply of Security Services for City of Perth Facilities, Carparks and Safe City Patrols.

Recommendation

That Council ACCEPTS the most suitable tender, being that submitted by Ace Security for the Security Services for City of Perth Facilities and Car Parks (Tender RFT 000022) for a period of two years with an option to extend for a further period of one year.

Background

1. The City is seeking to continue a trial of the current Safe City Patrols to provide security, customer service and operational assistance throughout the City.
2. The City is seeking to renew an existing contract for the supply of Security patrols assisting with 24/7 operations and customer service through mobile and static guards.
3. The City is seeking to renew current provisions for on call Security services for City facilities responding to after hour alarms and suspicious activities.
4. This request for contract appointment has been considered with current Security needs across all three business areas of the City who utilise security services to provide safe and secure facilities across the City of Perth.
5. Selection criteria for this tender evaluation were
 - a. Resources, Personnel/Equipment 40%
 - b. Demonstrated Track Record and Personnel Experience 30%
 - c. Demonstrated Understanding and Methodology 30%

Discussion

6. Tenderers were required to address the following qualitative selection criteria as set out in the Tender Specifications including –
 - a. Resources – Key personnel and equipment able to be supplied
 - b. Demonstrated experience and track records in similar services
 - c. Demonstrated appreciation and methodology in providing the services.
7. Fourteen total responses were received and measured against the qualitative criteria. Of the fourteen suppliers four were shortlisted by the panel being Australian Guards and Patrols (67%), MA Services Group (67%), Ace Security (77%) and MSS Security (80%). These four suppliers were deemed low risk based on the qualitative evaluation scores above 65%.
8. Comparative pricing was conducted for all eligible submissions. Review of pricing between the four shortlisted suppliers indicated Ace Security was the best value for money supplier, meeting budget needs with a proposed saving of \$224,674 over the three-year term and demonstration of ability to provide the services.
9. MSS Security was the highest scorer from the qualitative evaluation but did not meet budget requirements. The tender panel agreed not to endorse this recommendation.

10. MA Services and Australian Guards and Patrols were the lowest priced submissions of the four shortlisted suppliers. The Tender panel agreed the savings on cost did not warrant the medium risk of the ability of the supplier to meet the operational needs in the qualitative criteria. The area of the submissions impacting these scores was demonstrated appreciation and methodology in providing the services. The panel agreed there was some concern in their ability to provide the level of service required for the customer facing roles. Australian Guards and Patrols hourly pricing raised concerns as there were no details relating to supply or training of guards to meet the required specifications in the tender. MA Services response indicates limited support in WA with main operations office operating out of Victoria which fails the requirement of a local WA based office as requested in the tender.
11. Referee checks conducted on the four shortlisted suppliers were in line with the panels scoring on service delivery. Australian Guards and Patrols and MA Services were noted with a low-level response to back of house requests including invoicing and comments on sourcing the right guards. MSS and Ace Security received high level recommendations on services provided.
12. Ace Security received the second highest qualitative evaluation score demonstrating a low risk and high understanding of how to supply the services to a high standard. Included were details on officers to be supplied in key roles along with proposed rosters to fit into the service requirements of the Tender. Ace also showed strong experience working within the City of Perth for large scale events, comprehensive details on delivery of services. With a saving in budget Ace was agreed as providing the best value for money for the City.

Stakeholder Engagement

13. The City has liaised with City of Perth ratepayers via a survey conducted in July 2020 regarding thoughts on how the City is performing. An outcome of this survey rated Safety and Security as an area of focus for the City.

Decision Implications

14. If the contract appointment is not approved or declined, this is likely to have a significant impact on security operations of Parking Services, Facility management, Community Amenity and Safety generally across the City. Provision of services under the two existing contracts will cease at the end of November and December 2020. Council approval is required for the continued operations and ensuring community safety and security across its facilities.

18. Motions of which notice has been given

18.1 Notice of Motion – ‘Light It Up’ Program

The following Notice of Motion has been provided in accordance with clause 4.12 of the *Standing Orders Local Law 2009*.

Elected Member	Deputy Lord Mayor Sandy Anghie
Date Notice of Motion received	19 November 2020
Notice of Motion	<p>That Council:</p> <ol style="list-style-type: none"> 1. <u>APPROVES</u> the ‘Light It Up’ program to add colour and life to City streets at night and improve lighting levels in laneways and other suitable locations through the installation of permanent light artwork fixtures, as follows: <ol style="list-style-type: none"> a. Seven permanent light projects being installed across City neighbourhoods as part of Stage One of the ‘Light It Up’ program b. At least one of each of the seven light projects being installed in each neighbourhood precinct, where feasible - Northbridge, Retail Core, West End, West Perth, Hampden Road, East Perth, Claisebrook c. Engagement of local artists to provide assistance in the delivery of the program d. All final proposed locations, budgets and artwork concepts presented to Council for approval by 30 February 2021 with delivery by 30 June 2021 2. <u>REALLOCATES</u> \$50,000 from the COVID-19 Economic Rebound Precinct Improvement Grants budget to cover initial project costs including concept and design documentation 3. <u>ALLOCATES</u> \$230,000 in the 2021/22 capital budget to cover remaining project costs as detailed in point 1 of the motion

Reason provided for the motion

Talking to our City’s residents and visitors, many have noted that there are areas of our City that can feel unsafe after dark. Reasons for this include the emptying of the City after work hours, along with a lack of well lit spaces, which create nooks for antisocial behaviour – particularly laneways.

Further, the character of our quirky laneways and the charm of our heritage buildings are things that are unique to our City – they are a point of difference. These things cannot be replicated in suburban shopping malls and new developments in the suburbs – so we need to celebrate and highlight these assets, providing our residents and visitors with a unique and memorable experience in our City.

So, through this “Light It Up” program, by focusing on problematic laneways and creating artistic lighting elements we will not only help our City residents and visitors feel safer, but also create a sense of delight in these informal spaces - resulting in places that draw people to our City streets at night, creating places where the community can meet and interact, and helping to create a more interesting and walkable City for everyone.

Images by VJzoo and Joshua Webb of their lighting installation projects on Murray Street and Hay Street in Perth’s East End neighbourhood (budget of approximately \$40,000 each).

Response to Notice of Motion – ‘Light It Up’ Program

Responsible Officer	Anne Banks-McAllister General Manager Community Development
Voting Requirement	Simple Majority
Attachments	Nil

Purpose

To respond to a notice of motion received from Deputy Lord Mayor Anghie relating to the “Light It Up Program” to propose a timeframe that will facilitate best practice outcomes, including in regard to procurement and community consultation, reduce risks associated with budget reallocation and still achieve the objectives of adding colour and life to city streets through the installation of permanent light artwork.

Recommendation

That Council:

- APPROVES the ‘Light It Up’ program to add colour and life to City streets at night and improve lighting levels in laneways and other suitable locations through the installation of permanent light artwork fixtures, as follows:
 - Seven permanent light projects being installed across City neighbourhoods as part of Stage One of the ‘Light It Up’ program
 - At least one of each of the seven light projects being installed in each neighbourhood precinct, where feasible - Northbridge, Retail Core, West End, West Perth, Hampden Road, East Perth, Claisebrook
 - Engagement of local artists to provide assistance in the delivery of the program
 - All final proposed locations, budgets and artwork concepts presented to Council for approval by 30 June 2021 with delivery by 30 December 2021, subject to availability of materials
 - REALLOCATES \$10,000 from ‘Community Capacity Building Initiatives for Community Organisations and Groups’ budget to cover initial project costs including concepts and consultation
 - ALLOCATES \$270,000 for approval in the 2021/22 capital budget to cover remaining project costs as detailed in point 1 of the motion
-

Background

1. Since 2005, the City has been working to revitalise hidden and informal spaces. In 2008 the City adopted its “Forgotten Spaces: Revitalising Perth’s Laneways” strategy that set the vision of revitalising laneways with new lighting, public art and surface treatments to support economic development and improve the perception of safety. Since 2005, the City has upgraded six laneways – Wolf, Howard, Grand, Prince and McLean Lanes as well as Lion Walk. This commitment to improve laneways and encourage a ‘finer grain’ of activities in the central city area has stimulated ongoing commercial interest in these unique spaces.
2. Public lighting is an important strategic issue for the City of Perth, articulated in its Public Lighting Framework 2019 – 2029, which states:
The total nightscape of Perth should be shaped to create a more legible city, reveal its character after dark, promote safety, and connect its night economy.
The Public Lighting Framework sets out standards and guidance on what to light and where, provides technical guidance and design standards, and sets out an implementation plan for lighting improvements delivered through other capital works projects.
3. The Public Lighting Framework outlines a number of key considerations in developing a lighting plan or proposal:
 - a. Support for focus areas, objectives, and performance criteria in the Framework.
 - b. Compliance with all relevant statutory requirements (including local and state heritage requirements).
 - c. Coordination of the lighting design with the general site design, architectural design, etc.
 - d. Support for traffic and access requirements.
 - e. Coordination with other elements of the public realm including trees, furniture, signage, etc.
 - f. Coordination with nearby sites and consideration of the total lighting effect in the area.
4. The City’s Policy 1.5 – Public Art Public and Public Art Strategy set the direction for public art commissioning, accessioning and ongoing care and maintenance. Careful consideration must be given to the commissioning of new works of public art, including community consultation, the City’s capacity to deliver and maintain the artworks into the future, as well as the artwork’s contribution to the development of the City’s Cultural Collections.

Discussion

5. Creating artistic lighting elements in the public realm has many benefits and aligns strongly with the City’s relevant strategy and policy documents. These elements will not only help our City residents and visitors feel safer, but also create a sense of aesthetic enrichment, positive sense of place and contribute to neighbourhood character, as well as to a more vibrant night economy. When implementing public art lighting projects, due regard must be given to the strategic, statutory, contractual and operational requirements for delivering works in the public realm.

6. In responding to the motion, this report considers the following matters:
 - a. Budget reallocation and timing implications
 - b. Community consultation requirements
 - c. Legal considerations
 - d. Statutory and approvals considerations
 - e. Procurement
 - f. Maintenance and renewal
 - g. Delivery timeframes and constraints

Budget reallocation and timing implications

7. Reallocating \$50,000 from the 2020/21 COVID-19 Economic Rebound Precinct Improvement Grants budget presents an opportunity cost in that no further applications can be received for this program, noting that they have already been advertised as open until the end of the financial year or until the budget is fully allocated. The total budget for the program has been publicly advertised and is \$240,000. Applications have been received, or are in final stages of submission, for a total of \$190,000 in requested sponsorship.
8. Other initiatives in the COVID-19 Economic Rebound Strategy have yet to be commenced or are unlikely to be fully expended before the end of financial year, such as 'Programs for Young People and Youth at Risk' 'Community Capacity Building Initiatives for Community Organisations and Groups'. It poses less of an opportunity cost and risk to reallocate funds from these budgets.
9. Part three of the Notice of Motion is that Council allocates \$230,000 in the 2021/22 capital budget to cover remaining project costs, however, as part one of the motion stipulates that the project be fully delivered by June 2021, budget would need to be allocated and fully expended in the 2020/21 not the 2021/22 financial year. However, it is recommended that delivery be pushed out until 30 December 2021, and the budget adjusted accordingly, for the following reasons:

Community Consultation Requirements

10. Community consultation can be time-consuming if done properly and if not done properly can have negative outcomes for the project, such as community disenfranchisement or dissatisfaction with the outcome. The City's Neighbourhood Place Planning and Engagement Framework stipulates a number of principles relevant to the delivery of works in the public realm, specifically:
 - a. That best-practice community engagement and consultation will inform all decision-making, including the opportunity for the community to co-design the engagement process.
 - b. That the community is empowered to co-develop and promote a shared vision for neighbourhoods in partnership with the City, incentivising participation.

Given these principles, community consultation on this project should aim to involve the community in the identification of desired outcomes and locations for the public artworks and ensure they are contributing to the process. This requires at least 4 weeks minimum of dedicated engagement time.

Legal Considerations

11. Laneways are often shared private/public spaces, which creates difficulty in negotiating project outcomes due to investing public money in private landholdings, maintenance responsibilities and other legal complexities that take time to negotiate. Landowners would need to be engaged and negotiation required on matters such as access (to house projectors, etc.), relevant licences and/or easements, liability and deeds of indemnity, ongoing maintenance responsibility, power supply and billing arrangements, among other considerations, depending on the site. A recent example is the City's grant funding to Happy Heart Inc to install Northbridge sign approved at the 30 June 2020 Ordinary Council Meeting and nearly 5 months on has not yet been installed, even without complex procurement or landowner engagement requirements. A minimum of 12 weeks is estimated to allow for appropriate negotiation of legal agreements.

Statutory and approvals considerations

12. The City will need to comply with all planning and statutory approvals requirements. Such approvals can be complex when the site includes multiple landowners, particularly so when heritage fabric is involved. Referrals may need to be made to the Department of Planning, Lands and Heritage, which can take time. A minimum of 6 weeks is estimated to allow for approvals.

Procurement

13. Procurement has been the focus of several recommendations in the City of Perth Inquiry Report and robust and compliant procurement practices are important to adhere to. A detailed procurement plan will need to be developed and a publicly advertised tender that combines the requirements under the *Local Government (Functions and General) Regulations 1996* and best practice artist commission processes for procuring public artwork. Under normal circumstances, such an artwork procurement process can take up to 17 weeks, with key steps as follows:
 - a. Develop the artist brief (1 week)
 - b. Advertise the brief for Expression of Interest (2 weeks)
 - c. Evaluation of EOIs (2 weeks)
 - d. Tender Brief for final concepts (2 weeks)
 - e. Release the tender brief (4 weeks)
14. Concept presentations and evaluation to curate final selection (4 to 6 weeks) however, allowances must be made for the Christmas period and for the fact that the City's procurement team has several competing urgent priorities, including truncated events procurement timeframes due to COVID, pivoting on Australia Day Celebrations, Safe Night Spaces among others. A minimum of 19 weeks is estimated to allow for procurement processes.

Maintenance and renewal

15. Permanent public art comes with ongoing maintenance and renewal costs. Exact costs will be determined by the maintenance manuals for each work, however, as an indicative figure, the City budgets 2.5% of the value of the artwork per annum to maintain its collections. In this case, this would equate to approximately \$7,000 per annum. Lighting infrastructure does not last indefinitely, and the assets will need to be planned and designed to keep asset renewal or decommissioning costs to a minimum.

Delivery timeframes and constraints

16. In addition to timeframe considerations outlined above, the City currently only has a 0.6 FTE Public Art Officer resourced internally, who is supported by a cross-functional team to deliver public art projects. The administration is also currently in the process of delivering another significant lighting project for Hay Street Feature Lighting, which will use similar staff resources to the “Light It Up Program”. Reprioritising of projects will need to occur to facilitate both outcomes.
17. The City has experienced delays in sourcing materials for temporary and permanent public lighting projects, including for the Christmas Lights Trail, Christmas lights displays, and the permanent lighting installation “Tunnel of Hope” in Claisebrook. These delays are due to COVID-19 impacts on the supply chains for relevant materials and will likely impact delivery timeframes for the “Light It Up Program”. Exact timeframe impacts of COVID-19 supply chain issues cannot be predicted.
18. Based on the above analysis, the following represents a realistic indicative timeframe for the project (subject to availability of materials):

Action	Timeframe
Project Briefing/Design of Community Consultation, including approvals	2 weeks
Community Consultation	4 weeks
Project Scoping/Artist Brief	1 weeks
Procurement/Approvals	19 weeks
Recommended, locations, budgets and artwork concepts submitted to Council for approval	5 weeks
MILESTONE: Council Approval of Concepts	29 June 2021 (31 weeks)
Contracts/Legal Agreements	12 weeks
Approvals/Fabrication	11 weeks (with no COVID delays)
Installation	2 weeks
MILESTONE: Project Delivery	21 December (56 weeks)
Project close-out/asset handover	2 weeks

Stakeholder Engagement

19. No stakeholder consultation was undertaken in relation to this report.

Decision Implications

20. Should Council choose to not pursue the proposed amendments to the motion, there will be insufficient budget allocated to complete the project before 30 June 2021. There will also be significant projects risks associated with a delivery date of 30 June 2021, including possible issues with community dissatisfaction, project quality, compliance, regulatory requirements, and/or project delays and budget carry-forwards.
21. Should Council pursue either the original motion or the proposed amendments to the motion, there will be approximately \$7,000 per annum maintenance costs, plus asset renewal and/or decommissioning costs.

Strategic, Legal and Policy Implications

Strategic			
Strategic Aspiration:	Community	Plan	Place A well-planned and functional built form environment, promoting world class architecture, appreciation of heritage, diversity of land use and a sustainable, affordable and accessible integrated transport system.
Strategic Objective:	Community	Plan	2.1 A city that is seen by all as a great place to be. 2.7 Safe and enjoyable experiences in the public realm enabled by smart technologies, innovative design and quality infrastructure. 2.8 Individual precincts enjoying a unique sense of place, bespoke service delivery and governance arrangements.
Issue Specific Plans:	Strategies	and	Public Lighting Framework 2019-2029 <i>The Public Lighting Framework sets out standards and guidance for planning and implementing new lighting projects in the public realm, with focus areas including a safer and more inviting place to walk and bicycle; more diverse activities in Perth's public spaces; an enhanced sense of place; and more efficient lighting.</i> Cultural Development Plan <i>Under the "Place" pillar, the Cultural Development Plan 2019 – 2029 sets out cultural objectives of aesthetic enrichment experienced; a positive</i>

	<i>sense of place in the local built environment engendered; and contribution to neighbourhood character made.</i>

18.2 Notice of Motion – LGBTQIA+ Advisory Group

The following Notice of Motion has been provided in accordance with clause 4.12 of the *Standing Orders Local Law 2009*.

Councillor	Deputy Lord Mayor Sandy Anghie
Date Notice of Motion received	19 November 2020
Notice of Motion	<p>That Council:</p> <ol style="list-style-type: none"> 1. <u>ESTABLISHES</u> an LGBTQIA+ Advisory Group to promote inclusivity and progress the needs of the LGBTQIA+ community 2. <u>ENDORSES</u> a Terms of Reference for the LGBTQIA+ Advisory Group which includes the following: <ol style="list-style-type: none"> a. Membership of the group to consist of a diverse makeup of members within the community b. An objective of the group being to assist with the development of a Diversity, Equity and Inclusion framework for Council’s consideration by July 2021
Reason provided for the motion	<p>The City of Perth fully support our valued LGBTQIA+ community. We are committed to supporting diversity and inclusion of all members of the community, and respect is a core value.</p> <p>Establishing an LGBTQIA+ Advisory Group would help guide the City of Perth on policy and other initiatives - to help the City better promote inclusivity and progress the needs of the LGBTQIA+ community, so that we can continue to move forward together.</p> <p>It is important for the community to have a voice and be involved in the City’s Diversity, Equity and Inclusion framework.</p>

Response to Notice of Motion – LGBTQIA+ Advisory Group

Responsible Officer	Anne Banks-McAllister AM, General Manager Community Development
Voting Requirement	Simple Majority
Attachments	Attachment 18.2A – Diversity and Inclusion Advisory Group - Terms of Reference

Purpose

To respond to a notice of motion received from the Deputy Lord Mayor, Sandy Anghie, relating to the establishment of a LGBTQIA+ Advisory Group to promote inclusivity and progress the needs of the LGBTQIA+ community with the objective of the group being to assist with the development of a Diversity, Equity and Inclusion framework for Council’s consideration by July 2021.

Recommendation

That Council:

1. ESTABLISH a Diversity and Inclusion Advisory Group to work with the City to develop a diversity and inclusion framework for Council’s consideration by July 2021.
 2. ENDORSE the Diversity and Inclusion Advisory Group Terms of Reference, as detailed in Attachment 18.2A.
-

Background

1. The City and its community aspire to have “an inclusive approach that embraces people from all walks of life”.
2. The City has a Disability Access and Inclusion Plan (DIAP) and Reconciliation Action Plan (RAP), however there is no policy, strategy or plan that drives community inclusion, diversity and equity that represents a broad range of underrepresented or disadvantaged individuals/groups.
3. Recent comments made by the Lord Mayor has led to a strong call from the community, particularly from the LGBTQIA+ community, for the City to develop an Equity, Diversity and Inclusion Plan that is informed by representatives from its community.

Discussion

4. In responding to this notice of motion a Terms of Reference for a Diversity and Inclusion Advisory Group have been proposed, as detailed in Attachment 18.2A.
5. The Diversity and Inclusion Advisory Group will guide the City in its growth as a diverse and inclusive organisation which represents all members of community. The Advisory Group will provide a forum for consultation, feedback and discussion on all matters of diversity and inclusion in the City of Perth.
6. The Advisory Group will also consider the future strategic agenda relating to diversity and inclusion and will advise and make recommendations on appropriate initiatives and activities that will help the City of Perth achieve its key diversity aims.
7. The Advisory Group should act as a channel to challenge the City in terms of our practice, approach and development of diversity and inclusion; where progress is limited or, in support of underrepresented or disadvantaged individuals or groups.

Stakeholder Engagement

8. No stakeholder engagement was undertaken in relation to this report.

Decision Implications

9. If Council supports this recommendation the City will call for nominations for representatives to participate in the Advisory Group, with the first meeting to be convened in January 2021.

10. It is also expected the Diversity and Inclusion Advisory Group, along with an internal working group will develop a diversity and inclusion framework to be presented to Council by July 2021.

Strategic, Legal and Policy Implications

Strategic	
Strategic Community Plan Aspiration:	People A safe, activated and welcoming city that celebrates its diversity and sense of community, providing unique educational, cultural, sporting and lifestyle offerings.
Strategic Community Plan Objective:	1.4 An inclusive approach that embraces youth, seniors, people with a disability and people from all walks of life.
Issue Specific Strategies and Plans:	Not applicable

Legal and Policy	
Legislation:	<i>Western Australian Equal Opportunity Act 1984 (amended 1988)</i>
Legal advice:	Not applicable
Policy	Not applicable

Financial Implications

The financial implications of the recommendation(s) will require additional expenditure, as an unbudgeted item.

Account Number	1048-100-50-TBA	Operating
Account Description	TBA	
Current Budget	\$0	
Amendment to Budget	\$10,000	
Revised Budget	\$10,000	
Budget Impact	Cost-neutral as fund will be transferred from the Covid-19 Reserve.

DIVERSITY AND INCLUSION ADVISORY GROUP - TERMS OF REFERENCE

1.0 Acknowledgement

The City of Perth acknowledges the Whadjuk Nyoongar people, Traditional Owners of the lands and waters where the Perth city is today and pay our respects to Elders past and present.

2.0 Background

The City of Perth intends to develop a Diversity and Inclusion framework for consideration of Council by July 2021. To support the development of this framework, the Diversity and Inclusion Advisory Group has been established.

3.0 Mandate

The Diversity and Inclusion Advisory Group will guide the City in its growth as a diverse and inclusive organisation which represents all members of community. The Advisory Group will provide a forum for consultation, feedback and discussion on all matters of diversity and inclusion in the City of Perth.

The Advisory Group will also consider the future strategic agenda relating to diversity and inclusion and will advise and make recommendations on appropriate initiatives and activities that will help the City of Perth achieve its key diversity aims.

The Advisory Group should act as a channel to challenge the City in terms of our practice, approach and development of diversity and inclusion; where progress is limited or, in support of underrepresented or disadvantaged individuals/ groups.

The Diversity and Inclusion Advisory Group is not a committee of Council.

4.0 Guiding Principles

The Advisory Group will;

- Reflect the diversity of the equity seeking groups in the City of Perth;
- Develop a vision of inclusion for the City of Perth;
- Be committed to operating with effective, respectful and inclusive communication;
- Promote and operate through consensus decision making process;
- Foster intentional collaboration and partnerships;
- Inject intersectionality into strategies and plans to build bridges between communities; and
- Be responsive to the community's needs.

5.0 Objectives

The goals and objectives of the Diversity and Inclusion Advisory Group are as follows:

- Provide support to the City to develop actions to be outlined in the Diversity and Inclusion Plan;
- Engage with the City to inform diversity and inclusion priorities with the Diversity and Inclusion Plan;
- Guide a coherent and integrated approach to diversity and inclusion across the City;
- Analyse, identify and report on inclusion and diversity gaps, barriers, arising opportunities, and/or successes in their local context and identify productive strategies in response;
- Provide guidance for the City to design local responses to complex diversity and inclusion considerations, with the support of content experts;
- Provide input to the City on various issues and initiatives concerning diversity and inclusion in our community;
- Provide input to the City on the elimination of barriers within City programs, services and policies for the diverse population of our community;
- Foster a greater understanding and awareness of diversity and inclusion matters within the community through community partnerships;
- Facilitate opportunities to educate and celebrate the diverse social, cultural and traditional elements that make up the City of Perth; and,
- Engage community groups and leaders in the activities of the Advisory Group.

6.0 Membership Composition

Membership will be a minimum of twelve (12) and a maximum of fifteen (15) members from the community representing a broad range of under-served equity seeking groups such as, but not limited to;

- Aboriginal and/or Torres Strait Islanders peoples;
- LGBTQIA+;
- People who have recently migrated to Australia;
- People living in poverty;
- People from diverse ethnic or cultural origin;
- Seniors;
- Women;
- Youth; and
- no more than 60% of a single gender, where possible.

The Alliance Manager Community Services and Community Development Coordinator, or their delegates, will attend all meetings.

6.1 Member Qualifications

Members must be City of Perth residents and/or individuals who work for organisations that provide services to City of Perth residents.

The following qualifications will be considered for appointing members to the Diversity and Inclusion Advisory Group;

- Experience working in teams, with community groups, boards or organisations;
- Knowledge, living or lived experience with diversity and inclusion matters; and
- Commitment as a change agent in diversity and inclusion matters in the community.

Community participation is key to the success of diversity and inclusion initiatives. Additional City staff and representatives of diverse groups will be invited to attend meetings as needed to provide expertise related to a specific project or technical area.

Broader community engagement will also be undertaken in the development of the Diversity and Inclusion framework. The Advisory Group will support and guide the City in the development of the Stakeholder Engagement Plan for this engagement.

6.2 Responsibilities

The Advisory Group members are expected to;

Attend and actively participate in all Diversity and Inclusion Advisory Group meetings as required;

- Contribute time, knowledge, skill and expertise to the fulfillment of the Advisory Groups responsibilities;
- Understand their role and expectations;
- Understand and follow the mandate of the Diversity and Inclusion Advisory Group;
- Undertake work necessary to develop the Diversity and Inclusion framework;
- Develop and maintain a climate where mutual support, trust, respect, courtesy, teamwork, creativity and a sense of humour are valued;
- Maintain a high degree of professionalism;
- Respect the individual worth and dignity of other members and, always, work together to achieve a common vision for the community, utilising the diverse knowledge, expertise and talents of all members to optimal advantage;
- Challenge ideas and not people, creating a climate where it is okay to disagree;
- Communicate directly, concisely and honestly, listening without interruption, and be open-minded, allowing a variety of opinions to be heard;
- Communicate using inclusive and non-discriminatory language;
- Work effectively with staff to provide excellent service to residents and customers, recognising the professional obligations of staff as an employee of the City of Perth and not intervening in administrative practices;
- Refrain from criticising individual members of staff in a way that casts aspersions on their professional competency and credibility;
- Respect all recommendations made by the Diversity and Inclusion Advisory Group; and

- Advisory Group members are to respect any confidential information discussed or exchanged at meetings.

If, and when diversity and inclusion working sub-groups are formed, they will report systematically to the Diversity and Inclusion Working Group.

6.3 Resignation of Advisory Group Members

Members who wish to resign from the Advisory Group are to submit their resignation in writing to the Chairperson. When a vacancy within the group is confirmed, either a nomination or Expression of Interest process will be undertaken by the City of Perth as a method of appointment for new members.

A member who fails to attend three consecutive meetings will be deemed to have resigned from the Advisory Group.

6.3 City Staff

Staff have three (3) principle functions with regards to the Diversity and Inclusion Advisory Group:

- Secretariat role;
- Plan and strategy development advice; and
- supporting staff role.

Staff will prepare the agendas in consultation with the Advisory Group Chair and distribute to Advisory Group members. Staff will take minutes of all meetings for approval at the following meeting.

7.0 Operating Procedures

Role of the Chairperson ensure that:

- meeting agendas are concise and relevant to current Advisory Group considerations;
- meetings are conducted in an orderly manner and kept to the time allocated; and
- all members are given the opportunity to express their opinions and have them considered.

7.1 Quorum

Quorum shall be a simple majority of the total existing Advisory Group members, including any vacancies. In the case that quorum is not met Advisory Group members can continue the meeting, but no recommendations will be enacted until quorum is met.

7.2 Conduct of Business

- A Chair will be nominated by the Diversity and Inclusion Advisory Group at its inaugural meeting and thereafter on an annual basis. Alternatively, the Advisory Group may elect to replace a Chair arrangement with a Co-Chair arrangement. In which case, the following terms apply:
 - o The Advisory will elect two Co-Chairs on an annual basis.
 - o The Co-Chairs of the Diversity and Inclusion Committee shall together convene the meetings.

- If one designated Co-Chair is not available, then the other Co-Chair will be responsible for convening and conducting that meeting. If both Co-Chairs are unavailable then the Advisory Group members may elect an Acting Chair for that meeting.
- Decisions will be made by consensus. If consensus cannot be reached, simple majority vote by the members present shall be followed.
- The Chair or Co-Chairs shall preside over the conduct of the meeting, including the preservation of good order and decorum and deciding all questions relating to the orderly procedure of the meetings.
- Meeting agendas will be available to members a minimum of one (1) week prior to the upcoming meeting. Meeting agenda's will be posted on the City of Perth's website.
- Meeting Summary Notes shall briefly outline the substance of each of the items listed on the agenda, including actions taken and recommendations. Minutes will be approved by the Advisory Group at the next meeting.

7.3 Media and Communications

All media contact shall be made through the City of Perth Corporate Communications Team.

The actions and recommendations of the Diversity and Inclusion Advisory Group are subject to the policies and administrative practices of the City, including provisions pertaining to the use of the corporate logo(s), letterhead, website, information pamphlets, media advertisements and the like.

If a member of the Diversity and Inclusion Advisory Group wishes to communicate to Council, City staff or the public, they shall be expected to provide a disclaimer stating that "the opinions reflected by the member are their own personal comments and are not endorsed by or representative of the Diversity and Inclusion Advisory Group.

19. Urgent Business

19.1 Re-instatement of the Christmas Nativity Scene

Elected member	Lord Mayor Zempilas
Date of submission	20 November 2020
Item number	Not applicable
Item title	Re-instatement of the Christmas Nativity Scene
Proposed motion	<p>That Council:</p> <ol style="list-style-type: none"> 4. <u>REINSTATES</u> the delivery the Christmas Nativity event in the City as part of its planned activations in December 2020 5. Should point 1 of motion not be feasible, <u>ENDORSES</u> the delivery of a Christmas Nativity event in December 2021.
Reason	<p>The Christmas Nativity event is one of the biggest, most popular social events in the City.</p> <p>Due to COVID-19 restrictions, and by decision of Commissioners, this event has been replaced with a series of Christmas Concerts in Forrest Place.</p> <p>While the Christmas Concerts are well-intentioned and will provide benefit to the community, it does not replace the traditional Christmas Nativity scene that the City has been hosting since 1996.</p> <p>Understanding that an event of this scale requires some time and planning, and may not be possible for this Christmas period, I believe that the Council should not only reinstate a Christmas Nativity event for 2021 but make it even bigger and better.</p>
