

Agenda

Special Council Meeting 12 July 2022

Notice of Meeting

To the Lord Mayor and Councillors

A Special Council Meeting will be held on Tuesday, 12 July 2022 in the Council Chamber, Level 9, 27 St Georges Terrace, Perth commencing at 4.00pm.

The purpose of the meeting is for Council to consider the Adoption of the Annual Budget 2022/23.

Michelle Reynolds Chief Executive Officer 7 July 2022

Information

This information is provided on matters which may affect members of the public. If you have any queries on procedural matters, please contact a member of the City's Governance team via governance@cityofperth.wa.gov.au.

Question Time for the Public

An opportunity is available at Special Council Meetings for members of the public to ask questions specific to items on the agenda. This time is available only for asking questions and not for making statements. Complex questions requiring research should be submitted as early as possible to allow the City time to prepare a response.

The Presiding Person may nominate a member of staff to answer the question and may also determine that any complex question requiring research be answered in writing. No debate or discussion can take place on any question or answer.

To ask a question, please complete the Public Question Time form available on the City's website www.perth.wa.gov.au/council/council-meetings.

Disclaimer

Members of the public should note that in any discussion during a meeting regarding any item, a statement or indication of approval by any council member, committee member or officer of the City is not intended to be, and should not be taken as, notice of approval from the City. No action should be taken on any item discussed at a meeting of a Committee prior to written advice on the Committee or Council's resolution being received.

Any plans or documents contained in these minutes may be subject to copyright law provisions (*Copyright Act 1968*, as amended) and the express permission of the copyright owner(s) should be sought prior to their reproduction.

6. Reports

6.1 Adoption of the Annual Budget 2022/23

Responsible Officer	Michael Kent – Project Director Strategic Finance (CFO)
Voting Requirements	Absolute Majority
Attachments	Attachment 6.1A – Statutory Budget 2022-23 🗓 🖫
	Attachment 6.1B – Fees and Charges Schedule 2022-23 🗓 🛗

Purpose

This report is for Council to consider the adoption of the Annual Budget 2022/23 and the Schedule of Fees & Charges 2022/23.

Recommendation

That Council:

- 1. <u>ADOPTS</u> the City of Perth 2022/23 Statutory Annual Budget as detailed in **Attachment 6.1A** inclusive of the following:
 - a. Statement of Comprehensive Income
 - b. Statement of Cash Flows
 - c. Rate Setting Statement
 - d. Capital Expenditure Program
 - e. Transfers to and from Cash Backed Reserves
 - f. Notes to and forming part of the Statutory Budget
- 2. <u>ADOPTS</u> the following Rates in the Dollar of GRV, based upon the predominant purpose for which the rated land is held, for 2022/23:

a.	Commercial Category	6.51092 cents in the dollar
b.	Hotel Category	6.44420 cents in the dollar
C.	Retail Category	6.51165 cents in the dollar
d.	Office Category	5.50450 cents in the dollar
e.	Residential	6.51450 cents in the dollar
f.	Vacant Land	10.0000 cents in the dollar

3. <u>ADOPTS</u> the following minimum rate payments to be imposed in accordance with Section 6.35 of the *Local Government Act 1995* in respect of any rateable land within the city for 2022/23:

a.	Commercial Category	\$ 800.00
b.	Hotel Category	\$ 765.00
C.	Retail	\$ 750.00
d.	Office Category	\$ 800.00

Item 6.1 Page **5** of **135**

e. Residential \$ 765.00f. Vacant Land \$1,000.00

- 4. APPROVES the provision for rates to be paid by either one, two or four instalments.
- 5. ADOPTS the following due dates for the payment of rates by instalments:

a. Instalment 1
b. Instalment 2
c. Instalment 3
d. Instalment 4
07 September 2022
16 November 2022
22 March 2023

- 6. <u>ADOPTS</u> an instalment charge of \$35 and an interest rate of 5.5% applicable to rate and service charge instalment arrangements, imposed in accordance with section 6.45(3) of the *Local Government Act* 1995 and clause 13 of the *Local Government (COVID-19 Response) Ministerial Order 2020*, gazetted on 8 May 2020, subject to:
 - a. this additional charge and interest rate not being applied to an excluded person, as defined in the *Local Government (COVID-19 Response) Ministerial Order 2020*, that has been determined as suffering financial hardship as a direct consequence of the COVID-19 pandemic in accordance with Council Policy 2.10 Financial Hardship.
- 7. <u>APPROVES</u> the Heritage Rate Concession Scheme (Council Policy 2.11 refers), in accordance with Section 6.47 of the *Local Government Act 1995*, for the 2022/23 financial year.
- 8. <u>APPROVES</u> the proposed transfers to and from Cash-Backed Reserves detailed in the Statutory Annual Budget 2022/23 at Note 10.
- 9. ADOPTS the Schedule of Fees & Charges 2022/23 as detailed in **Attachment 6.1B.**
- 10. <u>NOTES</u> that no public submissions were received following the advertising of the proposed differential rates for 2022/23.
- 11. <u>REQUESTS</u> the Chief Executive Officer to submit a copy of the Annual Budget 2022/23 to the Department of Local Government, Sport and Cultural Industries within 30 days of its adoption by Council.
- 12. <u>ADOPTS</u> the following thresholds for the reporting of material financial variances in the monthly financial reports:
 - a. Operating Items Greater than 10% and a value greater than \$20,000
 - b. Capital Items Greater than 10% or a value greater than \$50,000

(notwithstanding that the Administration may choose to provide comment on items below those thresholds if deemed appropriate).

Item 6.1 Page **6** of **135**

Background

- 1. Preparing the Annual Budget is a statutory requirement under Section 6.2 of the *Local Government Act 1995* (the Act). More broadly, Division 6 of the Act provides guidance on financial management matters related to budgeting. Regulations 22 33 of the *Local Government (Financial Management) Regulations 1996* prescribe the form and content of the statutory Annual Budget.
- 2. The Annual Budget plays an important role in operationalising the strategic financial management approach detailed in the Long-Term Financial Plan, which exerts persuasive influence on the content of the City's Annual Budget.
- 3. This Budget ensures that the City has in place the necessary funding arrangements to support delivery of agreed services and programs, proposed capital renewal programs and new capital projects. The City of Perth Annual Budget 2022/23 is consistent with all relevant legislative requirements.

Discussion

- 4. This Budget presents a \$261.9 Million financial blueprint for the City for the 2022/23 year.
- 5. It has been developed over a six-month period between December 2021 and June 2022 and has included a series of structured workshops involving Council, City management and representatives of the six neighbourhoods that the City comprises. It is designed to reflect a City that is liveable, sustainable and prosperous.
- 6. Council has worked hard to deliver a prudent and responsible budget for 2022/23 whilst ensuring that the Administration delivers the range and level of services expected by its community.
- 7. The centrepiece of the 2022/23 Annual Budget is a very modest rate increase, believed to be the lowest announced to date of all metropolitan local governments.
- 8. The rating model for the 2022/23 year was developed by applying the principles and guidelines detailed in the City's Rating Methodology Statement which was independently reviewed and assessed against best practice rating principles in May 2021 and reviewed again in May 2022.
- 9. The City uses a Differential Rating Model consisting of six differential rate categories in setting its rates. That is, it may apply a different rate in the dollar for each different property category. This can help to distribute responsibility for contributing to the rates yield more equitably.
- 10. The City is anticipating a rate yield of \$99.4M in 2022/23 after allowing for concessions. The increase in rates yield for the year is \$1.2M overall.
- 11. Properties in the Retail, Hotel & Commercial property classifications will have a 0.5% increase in the rate in the dollar for 2022/23 over the level adopted in the previous year. Properties in the Residential and Office classifications will have a 1% increase.
- 12. Minimum rates for each category have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of the local government services and facilities. The City uses a tiered approach to setting minimum rates \$750 for properties in the Retail property category, \$765 for the Hotel and Residential category, \$800 for Commercial and Office properties. Vacant Land has a \$1,000 minimum rate.
- 13. The modest rates increase result has been achieved through prudent financial management emphasising value for money, and a year-on-year reduction in operating costs of around 1.1% (excluding abnormal expenses).

Item 6.1 Page **7** of **135**

- 14. The 2022/23 Annual Budget makes a substantial financial commitment to renewal of community infrastructure, demonstrating Council's acknowledgement of its asset stewardship responsibilities. It has also been informed by valuable inputs from neighbourhood groups so that expenditures are directed towards responding to the identified neighbourhood priorities.
- 15. The 2022/23 Budget is presented in a summarised view in Table 1, demonstrating the calculation of the required Rates Yield.

Table 1:

Funding Required	\$ Millions
Core Service Delivery (Excluding Non-Cash Items)	\$ 142.3 M
Programs - Sponsorship & Events	\$ 11.0 M
Discretionary Operating Projects	\$ 6.1 M
Sub Total - Operating Expenses	\$ 159.4 M
WACA Aquatic Facility Contribution	\$ 17.5 M
Perth Concert Hall Contribution	\$ 4.0 M
Sub Total - Capital Contributions	\$ 21.5 M
Asset Renewal	\$ 24.8 M
Other Capital Projects	\$ 23.0 M
Sub Total - Capital Expense	\$ 47.8 M
Loan Principal Repayments	\$ 0.7 M
Reserve Funds Created	\$ 29.2 M
Budget Closing Position	\$ 3.3 M
Total - Financing Activities	\$ 33.2 M
Total Funding Required	\$ 261.9 M

Table 2:

Funding Sources	\$ Millions
Fees & Charges	\$ 13.3 M
Parking Revenues	\$ 65.9 M
Rental & Hire Fees	\$ 4.2 M
Grants - Operating	\$ 2.8 M
Interest Revenues	\$ 3.2 M
Other Revenues	\$ 8.1M
Asset Disposal Proceeds	\$ 0.9M
Sub Total - Operating Funds excluding Rates	\$ 98.4 M

Item 6.1 Page **8** of **135**

Reserve Funds Used Opening Position Sub Total - Financing Activities Total Funding Available - Excluding Rates	\$ 5.6 M \$ 64.1 M \$ 162.5 M
Opening Position	'
	\$ 5.6 M
Reserve Funds Used	
	\$ 44.3 M
Grants for Capital Projects	\$ 14.2 M
Sub Total - Operating Funds excluding Rates (carried down from above)	\$ 98.4 M

- 16. The 2022/23 Budget provides for the required rates yield after allowing for the impacts of concessions and interim rates.
- 17. A detailed analysis of the City's Rating model for this year is provided at Section 6.2 of the 2022/23 Annual Budget document.
- 18. The differential rating model and the statement of objects and reasons for each differential rates category was advertised in accordance with statutory requirements for 21 days. The City did not receive any public submissions on the proposed rates in the dollar.
- 19. The 2022/23 Budget does not propose any new loan borrowings in 2022/23.
- 20. The 2022/23 Budget makes use of some existing Cash Backed Reserves to support current year projects and initiatives and transfers some funds back to Cash Backed Reserves to support proposed future projects and initiatives.
- 21. Details of the proposed Reserve fund transfers and their purposes are detailed in the Statutory Annual Budget at Note 10.
- 22. The 2022/23 Budget also references the City's budgeted financial ratios against industry benchmarks.
- 23. Whilst some specific indicators may not be met in the 2022/23 year, the City has in place, through its Long-Term Financial Plan, a responsible and realistic plan to ensure that trends and average ratios over the longer term meet or exceed preferred industry benchmarks.
- 24. This budget reflects a balanced and sustainable response to the challenging economic climate in which it was developed.
- 25. It will play an essential role in guiding the organisation as it continues to position the City's finances for a sustainable future.
- 26. Chart 1 below demonstrates the budget funding mix by funding source and shows the relative contributions from each source.
- 27. Chart 2 below demonstrates the proposed use of the budget funds by type of use and reflects the relative proportions for each fund use.
- 28. The Annual Budget document is supplemented by the Schedule of Fees & Charges for 2022/23 (Attachment 6.1B).

Item 6.1 Page **9** of **135**

29. Chart 1 - 2022/23 Funding Mix by Source

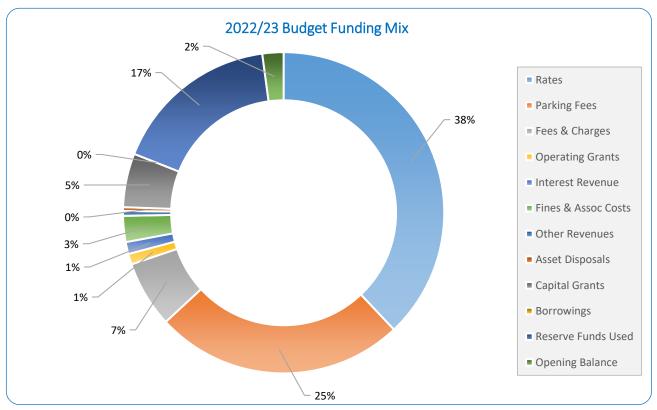

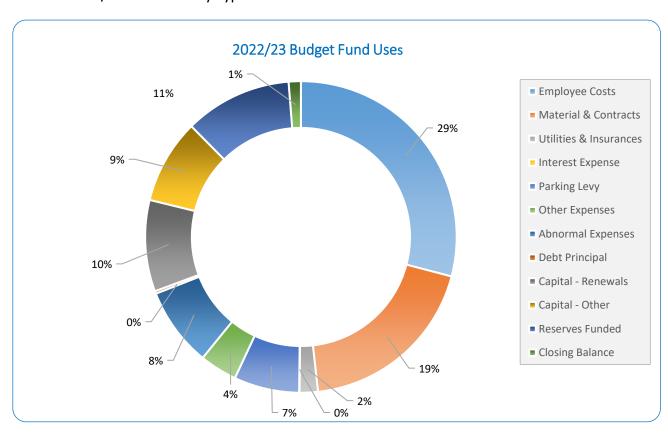

Chart 2 - 2022/23 Fund Uses by Type

Item 6.1 Page **10** of **135**

30. Full detail of the City's 2022/23 Annual Budget including all statutory disclosures and supporting information is contained in the attachments to this report.

Consultation

- 31. Preparation of the Annual Budget has been persuasively influenced by the Long-Term Financial Plan 2022/23 2031/32 adopted by Council on 28 June 2022. It is informed by the outputs of various community consultation exercises undertaken over the last year, including the Community Budget Workshop. It also incorporates inputs from Elected Member Engagement Sessions, the City's Workforce Plan, Asset Management Plans and other strategies and plans.
- 32. In the development of this Budget, elected members were involved in the following five engagement sessions:
 - a. EMES in December 2021 Capital Projects (Discretionary Projects & Renewal Categories)
 - b. EMES in March 2022 Capital Projects (Detailed Renewal Projects & Discretionary)
 - c. EMES in March 2022 Budget Discussion
 - d. EMES in April 2022 Detailed Operating Budgets & Operating Projects
 - e. EMES in April 2022 Economic Overview & Differential Rates Model with Options

Decision Implications

33. Council's adoption of the Statutory Annual Budget will meet its obligations under Section 6.2 and Division 6 more generally of the *Local Government Act 1995* plus Regulations 22 - 33A of the *Local Government (Financial Management) Regulations 1996*. A copy of the adopted Budget must then be lodged with the Department of Local Government, Sport and Cultural Industries within 30 days.

Strategic, Legislative and Policy Implications

Strategy			
Strategic Pillar (Objective)	Prosperous		
Related Documents (Issue	Long Term Financial Plan		
Specific Strategies and Plans):	Budget Methodology		
	Rating Methodology		
	Corporate Allocations Methodology		
	The methodology statements provide a sound rationale for the process and clear, consistent advice on the steps involved in producing a best practice budget.		
Legislation, Delegation of Authority and Policy			
Legislation:	Section 6.2 of the <i>Local Government Act 1995</i>		
	Regulation 22 – 33 (inclusive) of the Local Government (Financial Management) Regulations 1996		

Item 6.1 Page **11** of **135**

	This legislation prescribes the requirement to prepare and adopt a budget for the municipal (general) fund, in the manner prescribed, by no later than 31 August.
Authority of Council/CEO:	Section 6.2 of the <i>Local Government Act 1995</i> requires Council to adopt the budget by absolute majority.
Policy:	CP 2.3 Strategic Financial Planning & Budgeting CP 2.4 Cash Backed Reserves CP 2.5 Use of Debt as a Funding Option These policies are all highly influential in guiding the development of the Annual Budget.

Financial Implications

- 34. The financial implications of Council's adoption of the 2022/23 Annual Budget are presented in **Attachment 6.1A** to this report. They result in a (projected) budget surplus of \$3,305,351 if all budget assumptions are fully realised. This represents around 1.7% of Operating Revenues which is within the target band of 1% to 3% suggested in Council Policy 2.3 Strategic Financial Planning & Budgeting.
- 35. The Budget also anticipates projects in progress, but not fully invoiced at 30 June 2022. Those projects carried forward from 2021/22 to 2022/23 of around \$14.8M reflect that a number of these are due to the timing of supplier invoicing rather than non-completion of projects.
- 36. Supply chain disruptions have affected fleet purchases (\$0.6M), mall bollards (\$0.8M), street lighting (\$1.5M) and Roe Street (supply chain & DevelopmentWA delays \$5.4M).
- 37. The remaining \$6.5M reflect the typical year-end in progress, but yet to be completed, works.

About this Document

The 2022/23 Budget allocates the financial resources necessary for the City to deliver on our community's aspirations. It guides our approach to delivering infrastructure and services to the community in a responsible and affordable way.

Preparing the Annual Budget is a statutory requirement under Section 6.2 of the Local Government Act 1995. More broadly, Division 6 of the Local Government Act 1995 provides guidance on financial management matters related to budgeting. Local Government (Financial Management) Regulations 22 - 33A prescribe the form and content of the statutory annual budget.

The Annual Budget plays an important role in operationalising the strategic financial management approach referenced in the Corporate Business Plan and Long Term Financial Plan. The Long Term Financial Plan exerts persuasive influence on the content of the City's Annual Budget.

The budget ensures that we have in place the necessary funding arrangements to support delivery of the agreed services and programs, proposed capital replacement programs and new capital projects for the upcoming year.

The City of Perth Annual Budget 2022/23 is consistent with all relevant legislative requirements.

1.0 Message from the Lord Mayor & Chief Executive Officer

This Budget showcases our vision for the growth and development of our great city, while demonstrating our ability to underpin this with robust financial management.

This Plan presents a \$261.9 Million financial blueprint for the City for the 2022/23 year. The City of Perth is responsible for a multi-billion dollar business with a net worth of approximately \$1.3 billion. Over the 2022/23 period this Budget supports a \$47.8 Million capital program and expenditure of \$159.4 Million on delivering key programs and services. It also recognises \$21.5M in capital contributions towards supporting City Deal initiatives promoted by the state and commonwealth governments.

The result of delivering this Budget will be a legacy of quality community infrastructure and social capital for the benefit and enjoyment of our community. We are able to achieve this as a result of a critical review of operational expenditure focused on making the City more financially sustainable into the future.

Over the 2022/23 year, we will see this Budget support:

- The delivery of City of Perth initiatives under the Perth City Deal
- Future growth of the City in line with its incoming Local Planning Strategy
- Contemporary infrastructure and places that complement the City's unique neighbourhood precincts
- Continued delivery of services and programs to activate the City and deliver on the evolving needs on its local community.

This Budget is underpinned by the following financial principles:

- Financial sustainability
- Financial accountability
- Responsible stewardship
- Alignment with strategic aspirations.

Our City is in the midst of a positive and exciting evolution towards excellence. This Plan is foundational to the City's future direction, representing planning that is accountable, transparent and aligned with our vision.

Basil Zempilas Lord Mayor City of Perth

Michelle Reynolds Chief Executive Officer City of Perth

2.0 Our City

2.1 Aspirations

The ability to plan for our short and long-term future is essential to our success in delivering on our vision.

This Budget was firmly guided by our desire for a City that is liveable, sustainable and prosperous.

By developing a clear and strong linkage to these aspirational pillars and reflecting them in how we respond to our community's needs, we can focus on creating meaningful differences in our neighbourhoods and for Perth itself as one of the most liveable cities in the world. This approach reflects a triple bottom line philosophy in all we do.

Liveable

We have an aspiration for our city to be socially cohesive, inclusive, activated, and safe. By striving to achieve this, we will ensure that residents and visitors enjoy positive experiences that reflect on Perth as one of the world's most liveable, welcoming, and respected cities. Initiatives to achieve this include:

- Engaging with our community in meaningful ways to understand their priorities.
- Placing an emphasis on community priorities at a neighbourhood level.
- An increased commitment to appropriate asset renewal and new or upgraded community infrastructure as part of the City's stewardship responsibilities.

Sustainable

Maintaining a responsible and healthy balance between the city's natural environment, social and economic systems is a key platform of how the city does business. From local neighbourhoods to the city as a whole, we make decisions and act to nurture, build capacity, and sustain our communities. Initiatives to achieve this include:

- Better matching staffing with agreed service levels and scaling back the capital program to levels more aligned to organisational delivery capacity.
- Structural reform of the City's finances that returned previously burgeoning operating expenses back to sustainable levels.
- Expenditure focus being shifted from discretionary projects back to core service.

Prosperous

Our aspiration for Perth is to be a successful, flourishing city that provides opportunities, sustains its economy, and efficiently and effectively delivers services, projects, and experiences to our community. Achieving prosperity for our city and our communities is a foundation principle for our decision making. Initiatives to achieve this include:

 An agile, service-based resource allocation model meaning that the City can deliver quality, targeted services that offer a value for money proposition to our residents, ratepayers, businesses, and visitors whilst ensuring that our City is efficiently run and that service levels are responsive to our community's needs.

2.2 City Snapshot

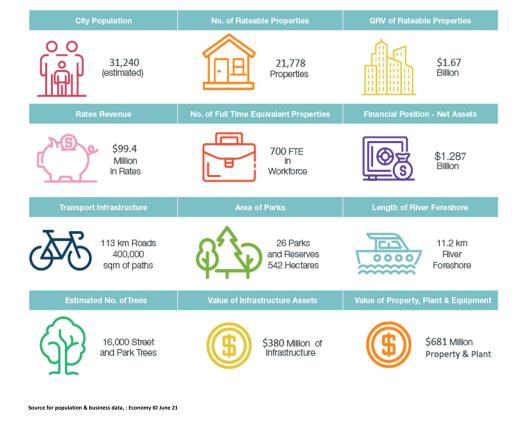

In 2022 the City is home to some 31,240 residents, has about 11,068 businesses, is the workplace of 129,662 workers and a destination for more than 230,000 visitors.

To effectively plan, the City must understand its current state and anticipated future population growth, economic fluctuations, environmental trends, and social and community needs in the future.

This budget reflects the first year of the Long Term Financial Plan and considers the City's anticipated population growth and impact on servicing costs, infrastructure needs and revenue from rates.

Figure 1 - Key Statistics

As at June 2022

3.0 Budget Headline

This Budget presents a \$261.9 Million financial blueprint for the City for the 2022/23 year.

It continues our focus on making the City more financially sustainable into the future and driving structural reform of the City's finances. Operating expenses have been critically reviewed and are within sustainable levels, and there is increased commitment to asset renewal and upgraded community infrastructure.

Council has worked hard to deliver only a very modest rates increase for 2022/23 whilst ensuring that the administration delivers the range and level of services expected by our community. This result has been achieved through a reduction in operating expenses of 1.1% (excluding abnormal expenses).

The Budget has been informed by valuable inputs from our neighbourhood groups so that expenditures are directed towards responding to the identified neighbourhood priorities.

The 2022/23 Budget expenditure profile in broad terms is:

Expenditure Type	Amount \$
Core Service Delivery	\$ 142.3 M
Programs - Events & Sponsorships	\$ 11.0 M
Discretionary Operating Projects	\$ 6.1 M
Abnormal Items - WACA Aquatic Facility & Perth Concert Hall Contribution	\$ 21.5 M
Asset Renewal & Community Infrastructure	\$ 47.8 M
Financing Activities - Reserve Funds and Loan Repayments	\$ 29.9 M
Closing Balance (Surplus)	\$ 3.3 M
Total Allocation	\$ 261.9 M

The 2022/23 Budget presents a balanced funding model incorporating funding sources as indicated below:

Funding Source	Amount \$
Rates	\$ 99.4 M
Parking Operations	S 65.9 M
Fees & Charges	\$ 13.3 M
Capital Grants	\$ 14.2 M
Other Revenues & Grant Funds	\$ 18.4 M
Asset Sale Proceeds	\$ 0.9 M
Financing Activities - Cash Reserves & Borrowings	\$ 44.3 M
Opening Balance	\$ 5.6 M
Total Funding	\$ 261.9M

This budget model proposes a responsible mix of funding sources including previously accumulated cash reserves to lessen the reliance on rates revenue as a proportion of the total funding package in 2022/23.

It reflects a balanced and sustainable response to the challenging economic climate in which it was developed. It will play an essential role in guiding the organisation as we continue to re-position our capital city's finances for a sustainable future. It also references our financial ratios against industry benchmarks. Whilst a specific indicator may not be met in this particular year, the City has, through its Long Term Financial Plan, a responsible and realistic plan to ensure that trends and average ratios over the longer term meet or exceed preferred industry benchmarks.

- · Development approvals
- Transport and urban design
- · Infrastructure asset strategy and design
- Infrastructure maintenance
- Project delivery
- Park maintenance
- · Waste and cleaning
- Parking management

These services are supported and empowered by internal facing services including:

- Marketing and communications
- · Financial management
- ICT services
- · Human resource management
- Governance
- Legal services
- Audit and risk
- · Information and records management
- Property management services

In developing the 2022/23 Annual Budget, the City has carefully considered the resource and funding requirements necessary to deliver ongoing services and programs, statutory and governance activities, asset network renewal expenditures and opportunities for major discretionary capital expenditure initiatives.

Over the life of the budget, the range and scope of our services may be re-evaluated, or service levels reassessed in the light of changing circumstances to ensure that there is alignment between community expectations, financial and organisational capacity and agreed service levels.

As the City's service planning becomes more sophisticated, the City will take the opportunity to re-balance the service level versus resourcing equation to ensure that we are delivering value for money outcomes, and we are targeting the priority services and initiatives identified by our community.

3.2 Budget Snapshot - Capital Expenditure

Figure 3 - Capital Works Projects by Theme (selected projects identified)

Roe Street Enhancement
This project will convert this precinct into a pedestrian and cycle friendly area with contemporary paving, cooling urban shade, funky street furniture and free wi-fi. This project is part grant funded and is a multi-year project - Completion 2023.

\$ 5.6 M

Lighting & Electrical Projects
Street Lighting - West Perth Neighbourhood.
Street Lighting - Hay St West.

\$ 5.7 M

Street Lighting - Park Ave Crawley. Street Lighting - Northbridge. Street Lighting - Royal Street (Stage 3).

Bus Stop Upgrades

.

This project focusses on improving accessibility at involves adjusting the height of kerbs at CBD bus stops. This project is fully grant funded and is a multi-year Project - Completion 2024

\$ 1.2 M

Parks & Landscape

\$ 1.7 M

Thomas Street / Winthrop Ave Landscaping (Stage 1) Urban Forrest - Tree Planting Program. Irrigation Renewal Program.

Park Furniture, Playground & Exercise Equipment

CBD Transport Projects

\$ 7.3 M

This is the first tranche of a suite of transport-related projects involving cycleways, improvements to pedestrian movements and other enhancements designed to improve transport management in the CBD. These projects are fully grant funded and are part of a multi-year program due for completion in 2028.

City Mall Upgrades

\$ 0.8 M

The City will be investing in a program to de-clutter and update street furniture, drinking fountains and seating to bring a more contemporary flavour to the Hay St and Murray St Malls . This is the second phase of a multi-year project to bring greater vitally to our major street precincts.

\$ 4.2M

Building Security Works Electrical Enhancements

Forrest Place Green Room Water Ingress Treatment

Minor Structural Works - Various Buildings

Roads, Paths & Kerb Renewals Road Renewals - Parkway Road Renewals - Kings Park Road Road Renewals - Riverside Drive Road Renewals - King Street Road Renewals - William Street Path Renewals - Royal Street Kerb Renewals - Ventnor Ave Path Renewals - Mounts Bay Road Road Renewals - Francis Street Road Renewals - Wellington Street	\$ 6.6 M
Drainage Renewals Stormwater Drainage Renewal - Pit Covers Stormwater Drainage Renewal - Adelaide Terrace Stormwater Drainage Renewal - Dehli Street Stormwater Drainage Renewal - Spring Street	\$ 0.8 M
River & Foreshore Assets Claisebrook Riverwall Renewal. Heirisson Island Revetment Walls. East Perth Foreshore River Wall.	\$ 0.5 M
Technology Replacements Core System Consolidation - Stage 1 Network & Storage Replacements. Audio Visual Equipment Renewal.	\$ 2.5 M
Fleet & Plant Replacement Heavy Plant Replacement. Light Plant Replacement. Fleet Vehicle Replacement.	\$ 3.2M
Other Capital Works CCTV Camera Replacement. Design for Laneways Refresh & Main Street Refresh Program Hostile Vehicle Mitigation Treatments Christmas Decoration Renewal Street Furniture Replacement Program Winthrop Thomas St Shared Path	\$ 7.7 M
Capital Contributions - WACA & PCH Provision for \$17.5M of the \$25M capital contribution for the development for an aquatic facility at the WACA ground and the \$4.0M capital contribution towards the redevelopment of the Perth Concert Hall (PCH) under the City Deal agreement.	\$ 21.5 M

4.0 Service Based Resource Allocation

4.1 Allocating our Resources

In compiling this 2022/23 Budget, the City uses a service-based resource allocation model designed to emphasise agile and flexible assignment of employee, financial and equipment resources. Services prioritised through community feedback, agreed community outcomes and service levels will determine the allocation of resources each year rather than a traditional incremental increase to the existing service unit budgets. This approach clearly identifies and separates core service delivery activities from discretionary operating projects to ensure that the community enjoys value for money outcomes and the City is accountable for delivery of agreed service levels and measurable outcomes.

5.0 Annual Budget Modelling

5.1 Context for the Annual Budget

Preparing the Annual Budget is a statutory requirement under Section 6.2 of the Local Government Act 1995. More broadly, Division 6 of the Local Government Act 1995 provides guidance on financial management matters related to budgeting. Local Government (Financial Management) Regulations 22 - 33A prescribe the form and content of the statutory annual budget.

The Annual Budget plays an important role in operationalising the strategic financial management approach referenced in the Corporate Business Plan and Long Term Financial Plan. The Long Term Financial Plan exerts persuasive influence on the content of the City's Annual Budget.

The budget ensures that we have in place the necessary funding arrangements to support delivery of agreed services and programs, proposed capital renewal programs and new capital projects. The City of Perth Annual Budget 2022/23 is consistent with all relevant legislative requirements.

5.2 Assumptions & Modelling Parameters

The Annual Budget is a detailed operational document that guides the deployment of our available financial and people resources to deliver upon our community aspirations and strategic intent. It is necessarily based on financial assumptions relating to the quantum of both revenues and expenditures, the anticipated timeframes for cash flows into and out of the organisation and expectations of the continuation of existing funding initiatives by both commonwealth and state governments.

Included in the financial assumptions are anticipated movements in both the consumer price index, wages growth and interest rates as they relate to both investment returns and borrowing costs. Unexpected changes in any of these parameters, the economic environment or in government policy directions are likely to have an impact on the financial model.

Adoption of the Annual Budget by Council does not constitute an irrevocable commitment to any particular project or service referenced in the budget, nor to its timing. Community engagement, detailed design or procurement processes may result in the modification, re-scheduling or deletion of individual initiatives. Similarly, it does not preclude the possible subsequent inclusion of further service or capital initiatives if the financial modelling and strategic direction of Council indicate that it aligns with that strategic direction and could be supported without adversely impacting on the City's financial sustainability.

5.3 Abnormal Factors Impacting the Annual Budget

There are several abnormal factors that impact on the 2022/23 budget, including:

- Payment of the first capital contribution towards the WACA Aquatic Facility as part of the City Deal.
- Payment of the capital contribution to the redevelopment of the Perth Concert Hall as part of the City Deal.
- Increases in state government charges such as the 1.5% increase to the parking levy.

5.4 Annual Budget

The narrative and analysis provided in Sections 5 & 6 of this document are intended to facilitate a shared understanding of the financial schedules underpinning the 2022/23 Annual Budget.

5.4.1 Annual Budget Financial Schedules

The published version of the Annual Budget is presented as:

- Statement of Comprehensive Income by Program
- Statement of Comprehensive Income by Nature & Type
- · Statement of Cash Flows
- Rate Setting Statement
- Notes to the Annual Budget
- Supporting Schedules Summary Management Budget
- Fees & Charges Schedule

An explanation of the purpose of the primary statements is provided below.

Statement of Comprehensive Income

This financial statement includes estimates of all revenues and expenditures that are included in the operating (normal day to day) activities of the City. This includes non-cash items such as depreciation and interest payments on loans. It excludes repayments of loan principal, proceeds from loan borrowings and capital expenditure items - those are all reflected in the Rate Setting Statement.

Information from the Income Statement is used to calculate the Operating Surplus Ratio which is one of the statutory measures of financial sustainability.

Statement of Cash Flows

This financial statement demonstrates the projected impact on the overall cash position of the City of the planned financial transactions. It is derived from the Operating Position which is then adjusted for the impact of the non-cash transactions and non-operating items.

Rate Setting Statement

This statement provides a single consolidated view of all aspects of the budget. It includes estimates of all operating and non-operating revenues and expenditures as well as repayments of loan principal, proceeds from loan borrowings, capital expenditure items and transfers to or from cash backed reserves. It does, however, exclude all non-cash items.

The purpose of the statement is to demonstrate the calculation of the amount of Rates revenue expected to be raised to fund the Budget each year.

6.0 Budget Analysis & Commentary

6.1 Overall Commentary

The 2022/23 Annual Budget represents a financial commitment of \$261.1M. These funds are applied to towards delivering a program of relevant services to our community whilst maintaining and renewing our infrastructure and creating new community facilities that leave a legacy for our community.

The budget has been presented using a balanced budget philosophy. That is, whatever is proposed to be expended is fully funded by the funding options included in the budget.

2022/23 Budget Funding Mix 17% Rates Parking Fees 38% Fees & Charges 0% Operating Grants Interest Revenue 5% Fines & Assoc Costs 0% Other Revenues Asset Disposals Capital Grants 1% Borrowings Reserve Funds Used Opening Balance 25%

Chart 1 - 2022/23 Funding Mix by Source

Chart 1 (above) indicates the respective contributions of the different funding sources to the total funding mix over the budget year.

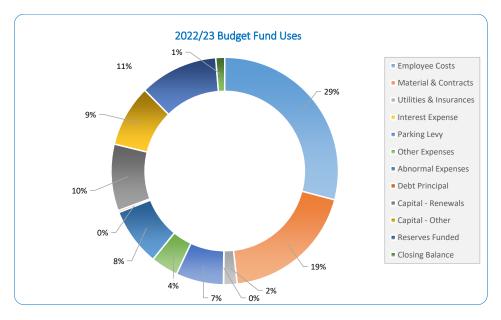

The major elements of the funding model are Rates (38%), Fees & Charges (7%), Parking Revenues (26%), Interest Revenue (1%), Reserves (17%), Fines (3%), Borrowings (0%), Grants (6%), Other Revenues (1%) and Opening Balance (1%).

These funds will be applied towards meeting the costs of operational service delivery (premised on the agreed range and scope of services and agreed service levels) as well as expenditure on infrastructure renewals, new community asset creation and debt servicing.

The uses of those funds are shown below in Graph 2 titled 2022/23 Fund Use by Type.

Chart 2 - 2022/23 Fund Use by Type

The proposed expenditure program reflects approximately 61% of funds being applied to operational expenditure, 10% on infrastructure renewals and 9% for new asset creation. Less than 0.5% is used for debt servicing. Some 11% of available funds are used for creation of Reserve Funds which are essentially savings for future projects.

Around 8% of available funds are used to make the City Deal capital contributions towards the redevelopment of the WACA facility and the Perth Concert Hall. The remaining 1% of funds represent the Closing Balance.

Fund uses described in Chart 2 (above) as Reserves Created reflect the transfer of funds to cash backed reserves, largely relating to provision of funding for the Parking Bay Levy payable each year, in advance, to the state government as well as allocations towards future projects and initiatives.

Non-cash operating expenditure items such as depreciation have been excluded from the graph above and book gains such as revaluation increases relating to infrastructure assets, land and buildings are also not included in the budget model.

This budget reflects a responsible, prudent, and sustainable financial model for the City's finances given the uncertain economic environment in which we are operating. It proposes a realistic deliverable program of works and a suite of services that reflect our strategic objectives of Liveable, Sustainable and Prosperous.

The projected Closing Balance of \$3.3M represents around 1.7% of the budgeted operating revenue. This value is within the preferred range of 1% - 3% referenced in the City's Strategic Financial Planning and Budgeting Policy.

6.2 Rates Commentary

Landgate Valuation Services provides the City with Gross Rental Values (GRV) for all properties within the city boundaries every three years. These valuations (GRV) are one of the two critical variables used in establishing the rates charges for each individual property. The other variable is the Rate in the Dollar which is established each year by Council in the budget process. Multiplying the GRV by the Rate in the Dollar derives the rates charge for the property.

Once a local government has obtained its schedule of property valuations (GRVs) from Landgate and knows the total rates base that it has available to work with, it then applies a differential rate (Rate in the Dollar) for each property category to generate the required amount to be raised from rates. That required overall rates yield is derived from the Rate Setting Statement (refer to the Statutory Budget).

The City of Perth uses a Differential Rating Model consisting of six differential rate categories in setting its rates. That is, it may apply a different rate in the dollar for each different property category. This can help to distribute responsibility for contributing to the rates yield more equitably. Table 1 below shows the 2022/23 database at the initial rates strike date.

Table 1 - 2022/23 Rating Year:

Property Category	No Properties	GRV	Rate in the \$	Minimum Rate
Commercial	728	107,535,870	0.0651092	\$ 800.00
Hotel	1,347	118,079,334	0.0644420	\$ 765.00
Retail	524	128,247,779	0.0651165	\$ 750.00
Office	2,375	981,003,475	0.0550450	\$ 800.00
Residential	15,728	320,683,261	0.0651450	\$ 765.00
Vacant Land	76	14,184,405	0.1000000	\$1,000.00
Total	20,778	1,669,734,124	-	-

Further information on the objects and reasons for each of the six differential rate classifications is provided at Note 1 (c) - Rates Information on page 42 of the statutory budget.

The City is anticipating a rate yield of \$99.2M in 2022/23 at rates strike date after allowing for concessions. The increase in rates yield for the year is \$1.2M overall.

Properties in the Retail, Hotel & Commercial property classifications will have a 0.5% increase in the rate in the dollar for 2022/23 over the level adopted in the previous year. Properties in the Residential and Office classifications will have a 1% increase.

Minimum rates for each category have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of the local government services and facilities.

The City uses a tiered approach to setting minimum rates - \$750 for properties in the Retail property category, \$765 for the Hotel and Residential category, \$800 for Commercial and Office properties. Vacant land has a \$1,000 minimum rate.

Modelling rates in a fashion that balances the returns from each property category in a way that is equitable, fair and transparent is a real challenge for local governments. The City of Perth has a detailed Rating Methodology Statement which guides us in setting our rates. That methodology has been independently assessed against best practice rating principles.

To fully understand the respective contributions of each property category for the budget year, the City uses a measure of Relative Rating Effort (RRE) shown in the table below.

Table 2 - Relative Rating Effort for 2022/23 - before Concessions:

Property Category	% Min Rated	2022/23 GRV	2022/23 Rates	RRE %
Commercial	5.0%	107,535,870	7,018,598	6.53%
Hotel	45.6%	118,079,334	7,766,796	6.58%
Retail	3.6%	128,247,779	8,355,143	6.51%
Office	9.0%	981,003,475	54,035,996	5.51%
Residential	7.4%	320,683,261	21,024,907	6.56%
Vacant Land	15.8%	14,184,405	1,429,360	10.08%
Total	9.9%	1,669,734,124	99,630,800	5.97%

Relative rating effort, (RRE) is a calculation that asks, 'from the available GRV in a property category, what rates revenue was generated from it?'. That is, how hard was the rating opportunity leveraged.

RRE allows comparability across differential rating categories and across local governments.

Chart 3 - 2022/23 Rating Contribution by Property Category

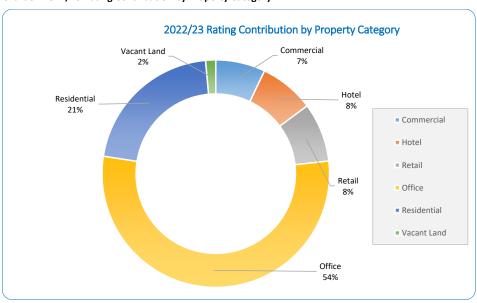

Table 3:

Differential Rating Category	Rate in \$ & Min. Rate	No. Props.	Gross Rental Value (\$)	Budgeted Rates (\$)	Budgeted Interims	Total Revenue
		FTOps.	value (၃)	Rates (\$)	IIIteriiiis	Revenue
General Rate – G	RV			T		
Commercial	0.0651092	691	107,342,714	6,988,998	0	6,988,998
Hotel	0.0644420	732	113,226,580	7,296,321	0	7,296,321
Retail	0.0651165	505	128,090,870	8,340,893	0	8,340,893
Office	0.0550450	2,161	978,559,280	53,864,796	0	53,864,796
Residential	0.0651450	14,563	309,059,517	20,133,682	122,760	20,256,442
Vacant Land	0.1000000	64	14,173,600	1,417,360	0	1,417,360
Sub Total		18,716	1,650,452,561	98,042,050	122,760	98,164,810
Minimum Rate						
Commercial	\$800.00	37	193,156	29,600	0	29,600
Hotel	\$765.00	615	4,852,754	470,475	0	470,475
Retail	\$750.00	19	156,909	14,250	0	14,250
Office	\$800.00	214	2,444,195	171,200	0	171,200
Residential	\$765.00	1,165	11,623,744	891,225	0	891,225
Vacant Land	\$800.00	12	10,805	12,000	0	12,000
Sub Total		2,062	19,281,563	1,588,750	0	1,588,750
		I		'	•	
Grand Total		20,778	1,669,734,124	99,630,800	122,760	99,753,560
Less Concessions	Granted			<u>'</u>	•	
Heritage Concessions					(230,080)	
WACA Concession					(122,213)	
Net Total Rates						99,401,267

Table 3 above shows the full rating model identifying separately the rates generated from properties levied at the general rate as well as the rates generated from the minimum rate set for each property category. A minimum rate is set to ensure that all properties make some reasonable contribution to the costs of running the City.

Table 3 also indicates the estimated value of heritage concessions given (that reduce the rates yield), the WACA rates concession (also reduces the rates yield) and the estimated value of interim rates that may be generated through changes in property values during the year.

6.3 Commentary on Reserve Funds

Reserve funds are strategic in nature and, informed by future cash requirements identified in the Long Term Financial Plan, are generally accumulated to provide funding for identified future major community infrastructure projects. Discretionary reserves may also be funded from municipal funds to provide for future replacements of items including plant and equipment, technology, or reticulation systems.

Cash backed Reserve Funds are also a vital part of the 2022/23 Annual Budget funding package. Funds accumulated in cash backed reserves in prior years are available to be used to smooth fluctuations in rates needing to be raised when larger capital programs are being delivered.

The City currently has 21 Cash Reserves classified as:

- Asset Acquisition & Renewal Reserves
- Strategic Reserves
- Parking Related Reserves
- Waste Management Reserves
- Other Purpose Reserves

The 2022/23 Budget involves some important Reserve fund transactions. The budget sees funding for important capital initiatives including heritage incentives, technology and building renewals being quarantined in Reserves. It also sees the City drawing down monies from its existing cash backed reserves for the sponsorship program and the parking levy.

The planned Reserve fund transfers and the reasons for them are shown in Table 4 (A) below.

Table 4 (A):

Reserve Name	Purpose	Amount
Transfer to Reserves	(Excludes Interest Revenue)	
Technology Upgrade Reserve	Planned allocation for the system consolidation project as per LTFP	4,000,000
Heritage Incentive Reserve	Planned allocation as per the LTFP.	2,000,000
Parking Levy Reserve	Top up reserve for levy payment	9,500,000
Employee Entitlement Reserve	Incremental allocation for NPV adjustment	250,000
Major Infrastructure Reserve	Quarantine funding relating to Two Way Streets	1,000,000
Sponsorship Reserve	Drawn down for disbursed sponsorship payments.	6,400,000
Council House Reserve	Allocation to facilitate refurbishment and to rationalise building operational costs.	1,500,000
Provisional Capital Reserve	Prefund anticipated spike in building renewals.	2,000,000
Public Art Reserve	Funding to support unscheduled maintenance.	250,000
Major Events Activation	Additional funding to build reserve balance	1,000,000
Interest Revenue	Allocated in proportion to average balances.	1,318,331
Total Transfers to Reserves		29,218,331

The planned transfers from Reserve funds and the reasons for them are shown in Table 4 (B) below.

Table 4 (B):

Reserve Name	Purpose	Amount		
Transfer from Reserves				
Asset Enhancement	Contribution towards WACA Aquatic Facility	(12,500,000		
Perth Concert Hall Reserve	Contribution to Perth Concert Hall Redevelopment	(4,000,000)		
Perth Concert Hall Reserve	Closure of now redundant reserve fund.	(2,852,408)		
Strategic Property Reserve	Specialised property initiatives.	(500,000)		
Enterprise & Innovation	Support operational efficiency initiatives.	(500,000)		
Sponsorship Reserve	Quarantine sponsorships budget in reserve	(6,400,000)		
Parking Levy Reserve	Parking levy contribution	(17,467,898)		
Total Transfers from Reserves		(44,243,301)		

6.4 Loan Borrowings

The use of borrowings to support the funding of long life capital projects is an important part of a balanced local government funding package. Introducing borrowings into the funding mix helps to smooth the spikes in rating from year to year - addressing the challenge of inter-generational equity. This means that those who will benefit from the use of the newly created asset in future years help to pay for the asset through paying rates to service the loan repayments each year.

With local governments able to borrow at fixed interest rates and interest rates at historic lows, the opportunity to include borrowings as part of the funding package should be considered in formulating the Annual Budget. In doing so, it is important to ensure that the City's Debt Service Ratio and Gross Debt to Operating Revenue Ratio remain within acceptable industry benchmarks (as this will be assessed before WA Treasury Corporation accepts any loan applications).

The City's current debt profile indicates that it has some \$0.7M of outstanding loans - but these will be fully repaid by 2022/23. Council has determined that borrowings are not required in the 2022/23 budget, but future borrowings have been foreshadowed in the Long-Term Financial Plan 2022/32 - 2031/32.

Details of the projected debt related financial ratios are provided below.

Debt Service Ratio

This indicator shows how much of the City's annual surplus (before interest and depreciation) is being applied to service debt obligations. It demonstrates that the City has sufficient operating surplus to service repayments of principal and interest on borrowings. The City's budgeted Debt Service Indicator is 31.4, relative to the industry benchmark for the Debt Service Ratio of more than 5.0 times coverage.

Gross Debt to Operating Revenue Ratio

This indicator shows the relationship between outstanding debt and the annual operating revenue (less operating and capital grants). The preferred benchmark for the Gross Debt to Operating Revenue Ratio is less than 20%. The City's budgeted Gross Debt to Operating Revenue Ratio is 0.0% as the City will have no outstanding debt at 30 June 2023.

6.5 Commentary on Key Financial Indicators

There are a number of statutory financial indicators that a local government must calculate and disclose in both their financial planning and financial reporting documents. The calculation of each indicator - and the specific inclusions in both the denominator and numerator used in the calculation are strictly prescribed in the Local Government Financial Management Regulations (LGFMR). This ensures that financial indicators published by different local governments are comparable.

However, it must be appreciated that there is no single indicator that demonstrates a local government's financial sustainability, nor does it necessarily mean that it is fatal if the City falls short of the benchmark for a specific indicator in a given year. The circumstances leading to the calculation of an indicator value must be understood to ensure that it is interpreted in context.

Operating Surplus Ratio

This indicator is used as a measure of capacity to meet operational expenses from revenues and the extent to which surpluses are generated to fund capital projects. The preferred ratio for this indicator is a positive value in the range between 0% and 15%. Any ratio over 5% meets or exceeds the industry benchmark.

For 2022/23, the City's projected ratio is 0.2%. This is calculated exclusive of the two capital contributions for the WACA Aquatic Facility and Perth Concert Hall redevelopment.

Long Term Financial Plan modelling suggests that in future years the Operating Surplus Ratio sits more comfortably in a financially responsible range.

Own Source Revenue Ratio

This ratio is used to indicate how much of the City's operating expenditure is covered by revenues directly generated by the City. That is, how financially autonomous is the City without reliance on external funding sources? Revenue used in this calculation does not include external funding such a grants and subsidies.

The 2022/23 projected Own Source Revenue Ratio is 90% which is in line with the preferred industry benchmark. Long Term Financial Plan modelling suggests that in future years, the City's future Own Source Ratio sits comfortably in a financially responsible range.

Current Ratio

This indicator is a broadly used ratio in both the public and private sectors to focus on the liquidity (available working capital) of a business at a given point in time. This ratio indicates capacity to meet short term (current) financial obligations as calculated at a given point in time (generally at year end).

The preferred ratio for this indicator is a number greater than 1.0 The City's projected Current Ratio for 2022/23 is 1.1

Asset Consumption Ratio

This ratio measures the condition of a local government's physical assets, by comparing their age with their replacement cost. The ratio highlights the aged condition of a local government's stock of physical assets.

The benchmark standard for this ratio is between 50% and 75%. The City's budgeted 2022/23 ratio is 73% assuming the full asset renewal program is delivered.

Asset Sustainability Ratio

This ratio indicates the extent to which the City's assets are being replaced as they reach the end of their economic life. The industry benchmark standard for this ratio is between 90% and 110%. The projected ratio for the 2022/23 year is below the lower bound of the industry standard range at 80%. However, the Long Term Financial Plan maps a path to progressively bring this ratio back into the desired range.

Asset Renewal Funding Ratio

This ratio indicates the capacity of a local government to fund asset renewals as required to continue to deliver the existing service levels. The projected 2022/23 Asset Renewal Funding Ratio range shows as 100% as the Asset Management Plan projections are setting the funding level for the Long Term Financial Plan & Budget.

The basic standard for this indicator is a value of between 75% and 95%. The advanced standard for this indicator is a value of between 95% and 105%.

6.6 Capital Program

The 2022/23 Budget includes a \$47.8M allocation for capital expenditure (including asset renewals and the acquisition / creation of new assets). A broad overview of those projects is proved in Table 5 below.

Table 5 (A):

Capital Projects	Expense Type	Amount \$
Asset Renewal – Infrastructure		
Asset Renewal - Roads Network	Renewal	5,697,497
Asset Renewal - Lighting & Electrical	Renewal	5,697,076
Asset Renewal - Drainage	Renewal	836,117
Asset Renewal - Paths & Kerbs	Renewal	1,567,142
Asset Renewal - Parks & Landscape	Renewal	1,330,000
Asset Renewal - River & Foreshore Assets	Renewal	470,815
Asset Renewal - Other Infrastructure	Renewal	205,000
Asset Renewal - Street Furniture	Renewal	355,000
Sub Total		16,158,647
Asset Renewal - Non Infrastructure		
Asset Renewal - Buildings	Renewal	4,195,000
Asset Renewal - Plant & Equipment	Renewal	2,605,000
Asset Renewal - Technology	Renewal	734,000
Asset Renewal - Fleet	Renewal	654,000
Asset Renewal - CCTV	Renewal	500,000
Sub Total		8,688,000
Total Asset Renewal Projects		24,846,647

Table 5 (B):

Capital Projects	Expense Type	Amount
Discretionary Capital Projects		
Roe Street Enhancement - Multi-year Project	New / Upgrade	5,600,000

Total Discretionary Capital Projects		22,937,500
Total Capital Projects		47,784,147

In preparing this budget the City has excluded potential extra-ordinary funding opportunities such as financial stimulus funding from the Commonwealth government.

Whilst the City is proactively pursuing such funding opportunities, the realisation of such opportunities cannot be assumed or modelled with confidence, and so they have not been included in the budget. Should such an opportunity arise, the budget model can easily be modified to incorporate such inputs and the related project expenditures without further impost on ratepayers.

6.7 Capital Contributions

The 2022/23 Annual Budget includes provision for a capital contribution of \$17.5M representing instalments one and two of the City's \$25.0M contribution to the WACA Aquatic Facility under the Perth City Deal arrangement.

It also includes provision for a capital contribution of \$4.0M representing the City's contribution to the redevelopment of the Perth Concert Hall under the Perth City Deal arrangement.

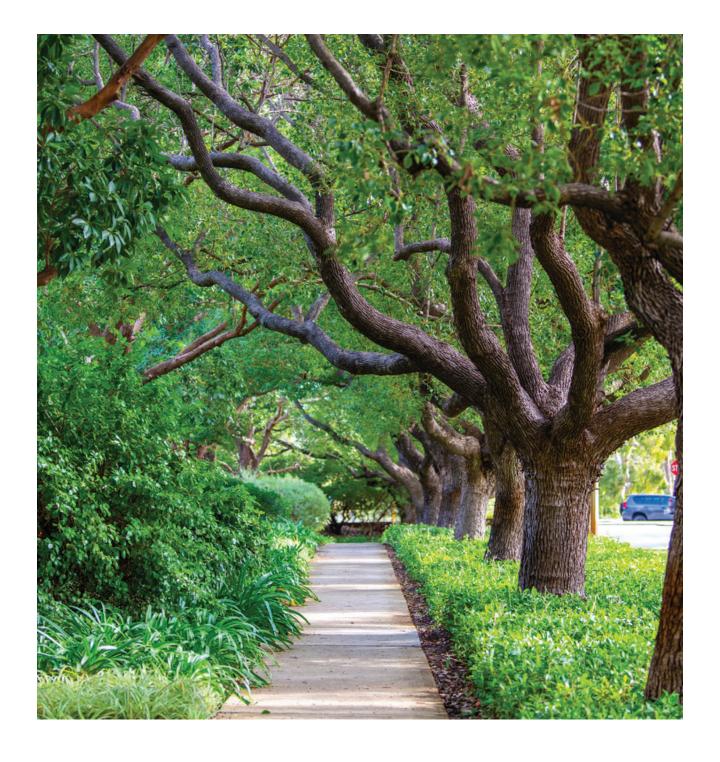

7.0 Summary

The development of the 2022/23 Annual Budget represents another important step in the City's financial transformation journey and will play a critical role in continuing to re-position our capital city's finances for a sustainable future.

This budget has been persuasively influenced by the City's Long Term Financial Plan and Corporate Business Plan both of which are aligned to the Community Strategic Plan. Its content reflects a balanced and sustainable response to the challenging economic climate in which it was developed. It supports the delivery of a range of ongoing programs and services plus a significant capital expenditure program.

The statutory 2022/23 Annual Budget schedules are provided on the following pages.

This statement is to be read in conjunction with the accompanying notes.

^{*} The Estimated Net Current Position for 2021/22 disclosed above includes an allowance of \$14.8M for Carry Forward Capital Works. This is quarantined until year-end figures are confirmed and excluded from the Opening Position for 2022/23.

Budget Accounting Policies

Basis of Preparation

This budget has been prepared in accordance with Australian Accounting Standards (as they apply to local governments) and interpretations of the Australian Accounting Standards Board, and the Local Government Act 1995.

The Local Government (Financial Management) Regulations 1996 take precedence over Australian Accounting Standards. Regulation 16 prohibits a local government from recognising as assets crown land that is a public thoroughfare, such as land under roads, and land not owned but under the control of a local government, unless it is a golf course, showground, racecourse or recreational facility of state or regional significance, including land under roads have not been recognised in this budget. This is not in accordance with the requirements of AASB 1051 Land under Roads and AASB 116 Property, Plant & Equipment.

Accounting policies which have been adopted in the preparation of this budget have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the budget has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

Local Government Reporting Entity

All funds through which the City of Perth controls resources to carry on its functions have been included in the financial statements forming part of this budget. In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for instance, loans and transfers between funds) have been eliminated.

All monies in the Trust Fund are excluded from the Budget.

2021/22 Actual Balances

Balances shown in this budget as 2021/22 Actual are estimates forecast at the time of budget preparation and are subject to final adjustments.

Critical Accounting Estimates

The preparation of a budget in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

Rounding Off Figures

All figures shown in this statement are rounded to the nearest dollar.

Comparative Figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Budget Comparative Figures

The budget comparative figures shown in the budget relate to the original budget estimate for the relevant item of disclosure - notwithstanding that budgets have been adjusted during the 2021/22 year to reflect changing economic circumstances and emerging opportunities.

Change in Accounting Policies

There are no new accounting policies that are to be adopted and will impact the preparation of the budget for 2022/23.

Goods & Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

Key Terms & Definitions

The following terms and definitions apply to the Nature & Type classifications.

Revenues

Rates

All rates levied under the Local Government Act 1995. This includes general, differential, specified area rates, minimum rates, interim rates, back rates, ex-gratia rates, less discounts and concessions offered. It excludes administration fees, interest on instalments, interest on arrears and service charges.

Service Charges

Service charges imposed under Division 6 of Part 6 of the Local Government Act 1995. Regulation 54 of the Local Government (Financial Management) Regulations 1996 identifies these as television and radio broadcasting, underground electricity and neighbourhood surveillance services. Excludes rubbish removal charges, interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

Profit on Asset Disposal

Profit on the disposal of assets including gains on the disposal of long term investments. Losses are disclosed under the expenditure classifications.

Operating Grants, Subsidies and Contributions

Refers to all amounts received as grants, subsidies and contributions that are not non-operating grants.

Non-Operating Grants, Subsidies and Contributions

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions, or donations.

Fees & Charges

Revenue (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties, and administration fees. Local governments may choose to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges where the amount is significant.

Interest Earnings

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

Other Revenue / Income

Other revenues, which cannot be classified under the above headings, includes discounts, and rebates. Reimbursements and recoveries are separated by note to ensure the correct calculation of ratios.

Expenses

Employee Costs

All costs associated with the employment of a person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences, safety expenses, medical examinations, fringe benefit tax, etc.

Materials and Contracts

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses, advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage, and freight etc. Local governments may disclose more detail such as contract services, consultancy, information technology, rental, or lease expenditures.

Utilities

Includes expenditures made to the respective agencies for the provision of power, gas, or water. This excludes expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

Insurance

All insurance other than worker's compensation and health benefit insurance which is included as a cost of employment.

Loss on Disposal

Loss on the disposal of fixed assets and also includes loss on disposal of long term investments.

Depreciation on Non-Current Assets

Depreciation and amortisation expense raised on all classes of assets.

Interest Expenses

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

Other Expenditure

Statutory fees, taxes, provision for bad debts, elected member's fees, or state taxes. Donations and subsidies made to community groups. The classification includes the Perth Parking Management Area levy on all City of Perth on street and off street parking bays.

Reporting Programs

The City has developed a suite of operational programs and service delivery models to achieve objectives that reflect the community's strategic vision. To discharge the City's responsibilities to the community, it reports the financial outcomes of those programs and activities using an internal service-based reporting framework aligned to the City's Service Catalogue. This is because the city assigns its resources by service and sub service.

The City also reports using the statutory operating program classifications specified in Schedule 1 of the Local Government (Financial Management) Regulations 1996. These classifications (described below) are used by the Australian Bureau of Statistics and the WA Local Government Grants Commission to facilitate comparability across local governments.

Governance

Objective - To provide a decision-making process for the efficient allocation of limited resource.

Activities include managing the council meeting process, supporting Elected Members, civic receptions and functions, public relations, electoral and other issues relating to the task of assisting Elected Members and rate payers which do not concern specific council services.

General Purpose Funding

Objective - To collect revenues to allow for the provision of services

Managing general rate revenue, penalties for late payment, ex gratia rates, rate administration fee, rate instalment fee, back rates, general purpose grants, untied road grants, interest on deferred rates, investment returns, discounts received, interest on long term borrowings.

Law, Order & Public Safety

Objective - To provide services to help ensure a safer and environmentally conscious community.

Activities include public security and surveillance, animal control, by-law control, civil emergency services, City rangers and neighbourhood watch.

Health

Objective - To provide an operational framework for environmental and community health.

Activities include preventive services including food control, health inspections, pest control, other health.

Education & Welfare

Objective - To provide services to disadvantaged persons, the elderly, children, and youth.

Activities may include community centre, aged and disabled, senior citizens' centres, other welfare, and education services.

Housing

Objective - To provide and maintain elderly or affordable housing to residents.

Activities may include maintaining, facilitating or administering affordable housing.

Community Amenities

Objective - To provide the services required by the community

Activities may include rubbish collections, recycling, refuse site operations, litter control, public litter bins, abandoned vehicles, pollution control, town planning control, pedestrian malls and public realm areas, street seats, memorials, bus shelters, rest centres and public conveniences.

Recreation & Culture

Objective - To establish and efficiently manage infrastructure and resources to help the social wellbeing of the community.

Activities may include operating public halls, civic centres, parks, sports grounds, community recreation programs, cycle ways, library, community arts program, the Perth Town Hall, donations to cultural institutions, parades and festivals, Christmas decorations, event and corporate sponsorship, neighbourhood, state and precinct events.

Transport

Objective - To provide safe, effective and efficient transport services to the community

Activities include maintaining roads, footpaths, rights of way, drainage, road verges, median strips, overpasses, underpasses, street lighting, street cleaning, street trees, as well as activities associated with traffic surveys, traffic management, depot operations plus the operation of the on-street and off-street commercial parking facilities.

Economic Services

Objective - To help promote the Perth as the capital city and to work with its business community to improve its economic wellbeing.

Other Property & Services

Objective - To monitor and control council's overheads operating accounts.

Public works overheads, plant and vehicle operations, sundry property and other outlays that have not been assigned to one of the preceding programs.

Note 1 - Rates & Service Charges

a) Rating Information

Differential Rating Property Category	Rate in \$ & Min. Rate	No. Props.	Gross Rental Value (\$)	Budgeted Rates (\$)	Budgeted Interims	Total Revenue
General Rate – GRV

		2,062	19,281,563	1,588,750	0	1,588,750
Grand Total		20,778	1,669,734,124	99,630,800	122,760	99,753,560
Less Concessions Gra	nted					
Heritage Concessions	Heritage Concessions (230,080)					
WACA Concession (122,213)						
Net Total Rates						\$99,401,267

All land (other than exempt land) in the City of Perth is rated according to its Gross Rental Value (GRV). The general rates detailed for the 2022/23 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates.

The increase in rates yield is \$1.2M overall. Properties in the Retail, Hotel & Commercial property classifications will have a 0.5% increase in the rate in the dollar for 2022/23 over the level adopted in the previous year. Properties in the Residential and Office classifications will have a 1% increase. Minimum rates for each category have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of the local government services and facilities.

b) Rating - Interest Charges & Instalments

The following instalment options are available for payment of rates and charges.

Instalment Option	Due Date	Admin Charge	Instalment Interest Rate	Overdue Interest Rate
One Payment	07 Sept 2022	-	5.50%	5.50%
Two Instalments	07 Sept 2022	\$35.00	5.50%	5.50%
	16 Nov 2022	-	5.50%	5.50%
Four Instalments	07 Sept 2022	\$35.00	5.50%	5.50%
	16 Nov 2022	-	5.50%	5.50%
	18 Jan 2023	-	5.50%	5.50%
	22 Mar 2023	-	5.50%	5.50%
Detail		2021/22 Budget	2021/22 Actual (Est)	2022/23 Budget
Instalment Plan Admin Fe	ee Revenue	290,000	252,889	232,605
Instalment Plan Interest F	Revenue	473,000	420,454	396,000
Penalty Interest Earned		177,000	225,884	200,000
Sub Total		940,000	899,227	828,605

c) Differential Rates

Landgate Valuation Services provides the City with Gross Rental Values (GRV) on a triennial basis. The current triennial valuation applies from 1 July 2020. The City of Perth imposes differential rates under the provisions of Section 6.33 of the Local Government Act 1995 on all rateable land within the City according to the predominant purpose for which the land is held or used, as determined by the City.

The objects and reasons for the imposition of each differential general rate are:

Commercial

The Commercial classification relates to land where the predominant (primary) purpose for which the land is used is commercial in nature. Commercial operations include entertainment venues, restaurants, cafes, pubs, microbreweries and sporting venues and commercial supply warehouses. Whilst these properties attract visitors to the City and contribute to city vitality, their patrons may not directly contribute to the cost of City provided services; but do consume amenity related services such as public realm cleanliness, public safety, waste management, parking management and transport infrastructure provided by the city. As such, the commercial property ratepayers are required to contribute equitably to the cost of such services that are enjoyed by their patrons.

The City has set a rate for this sector at 6.51092 cents per dollar of GRV with a minimum rate of \$800.

Hotel

The Hotel classification relates to land where the predominant purpose for which the land is held or used is hotels, short-stay serviced apartments, hostels or board and lodging accommodation. The objective of this differential property classification is to ensure that the proportion of total rates revenue derived from Hotel properties represents an equitable contribution towards amenity services such as public realm cleanliness and asset maintenance, public safety, activation, parks and gardens and public art. This property category receives a positive rating differential in recognition of its contribution through flow on economic impact to the commercial sector.

The City has set a rate for this sector at 6.44420 cents per dollar of GRV with a minimum rate of \$765.

Retail

The Retail classification includes retail sales and services. This property class relies upon City funded services such as activations and events, parking management, street cleaning and public safety to attract visitors and tourists to the City to generate economic activity. As significant beneficiaries of the City's activations and event spend along with other amenity related services; retail property ratepayers pay a similar differential rate to commercial property ratepayers.

The City has set a rate for this sector at 6.51165 cents per dollar of GRV with a minimum rate of \$750.

Office

The Office classification relates to land where the predominant purpose for which the land is held or used is as office accommodation. This property category generates the largest portion by far of daily pedestrian and vehicle movements to the city and consequentially places the highest demand on transport infrastructure, parking management and amenity services including public safety, rubbish and sanitation, parks and passive recreation areas.

However, the challenge of responsibly balancing the prevailing business climate and office vacancy rates to sustain a thriving CBD is also an important factor influencing the differential rate for this property category. Given the large number of daily visitors brought into the City by the office sector, it is important to acknowledge the economic flow on impact of the office classification properties on Commercial, Hotel and Retail sectors. The purpose of this differential rate classification is to ensure that all ratepayers in this category still make an equitable contribution to the cost of maintaining the City's public realm. Accordingly, the Office classification has the lowest differential rate.

The City has set a rate for this sector at 5.50450 cents per dollar of GRV with a minimum rate of \$800.

Residential

The Residential classification relates to land where the predominant purpose for which the land is held or used is residential. The purpose of this differential rate is to ensure that all ratepayers in this category make an equitable contribution towards service provision and for the ongoing maintenance of the City's assets primarily used by residential ratepayers. Residential ratepayers consume more community focused services and facilities such as parks, library, services for youth, families and aged, rubbish and sanitation but are less likely to create heavy demand for services such as transport infrastructure, cleansing or activations. Accordingly, this classification has a differential rate higher than Office, but similar to Commercial and Retail. The City has set a rate for this sector at 6.51450 cents per dollar of GRV with a minimum rate of \$765.

Vacant Land

The Vacant Land classification relates to the limited stock of vacant land in the City. A higher rate in the dollar is set with the intention of discouraging land-banking. By encouraging development of vacant land, the City supports economic growth. The use of the higher differential rate to discourage the holding of vacant land also minimizes opportunities for problems such as littering, graffiti and anti-social behaviour which may occur on long held vacant land parcels.

The City has set a rate for this sector at 10.0000 cents per dollar of GRV with a minimum rate of \$1,000.

d) Differential Minimum Rate Payment

For the 2022/23 year, the City is continuing a tiered approach to minimum rates. The minimum rate recognises that every rateable property in the City receives some level of benefit from the services and assets that the City provides.

Tier 1 properties have a minimum rate of \$750. This applies to 19 small retail tenancies. Tier 2 properties have a minimum rate of \$765. This applies to 1,165 Residential properties and 615 short stay apartments within the hotel category. Tier 3 properties have a minimum rate of \$800 which applies to 37 small commercial tenancies and 214 properties in the office classification. Tier 4 properties have a minimum rate of \$1,000 which applies to 12 vacant land parcels.

e) Specified Area Rate

The City will not raise specified area rates for the year ended 30th June 2023.

f) Service Charges

The City will not raise service charges for the year ended 30th June 2023.

g) Rates Waivers, Discounts & Concessions

Owners of Heritage listed properties under the City Planning Scheme are eligible to apply for heritage rate relief concession subject to the criteria detailed in Council Policy 2.11 Heritage Rate Concessions

A 10% concession of Rates will be applied to qualifying heritage properties up until June 2023 when the program ceases (up to a maximum of \$20,000 per annum). The minimum concession is equal to the minimum rate for that property category. The rate concession applies to general rates only and does not impact rubbish service charges or the Emergency Services Levy.

Detail	2021/22 Budget	2021/22 Actual (Est)	2022/23 Budget

Note 2 - Net Current Assets (continued)

d) Significant Accounting Policies

Current & Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the City's operational cycle. In the case of liabilities where the City does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months.

Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for sale where it is held as non-current based on the City's intentions to release for sale.

Trade & Other Payables

Trade and other payables represent liabilities for goods and services provided to the City prior to the end of the financial year that are unpaid and arise when the City of Perth becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

Provisions

Provisions are recognised when the City has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result; and that outflow can be reliably measured. Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Inventories

Inventories are measured at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Trade & Other Receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets.

All other receivables are classified as non-current assets. Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

Note 3 - Reconciliation of Cash

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Estimated cash at the end of the reporting period is as follows:

Detail	Note	2021/22 Budget	2021/22 Actual (Est)	2022/23 Budget
Cash				
Cash at Bank & On Hand		8,314,919	13,767,393	7,173,491
Term Deposits		21,910,112	33,552,608	20,000,000
	•	30,225,031	47,320,001	27,173,491
Unrestricted Cash & Cash Equivalent		30,225,031	47,320,001	27,173,491

Note 7 - Asset Depreciation (continued)

Depreciation

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Major depreciation periods used for each class of depreciable asset are:

Buildings - Non Specialised	30 - 50 years
Furniture & Equipment	4 - 10 years
Plant & Equipment	5 - 15 years
Fixed Plant	5 - 15 years
Technology	3 - 5 years
Mobile Plant & Minor Equipment	4 - 10 years
Leasehold Cost Amortisation	99 years
Infrastructure - Roads	20 - 80 years
Infrastructure - Paths	15 - 50 years
Infrastructure - Drainage	20 - 80 years
Infrastructure - Parks & Landscape	10 - 40 years
Infrastructure - Other	5 - 50 years
Infrastructure - Bridges	40 - 70 years
Infrastructure - Lighting	10 - 40 years
Infrastructure - River Wall	5 - 60 years

Amortisation

The depreciable amount of all intangible assets with a finite useful life, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held for use.

The assets residual value of intangible assets is considered to be zero and useful live and amortisation method are reviewed at the end of each financial year.

Amortisation is included within Depreciation on non-current assets in the Statement of Comprehensive Income.

Note 8 - Fixed Assets

a) Acquisition of Assets

The following assets are planned to be acquired during the financial year.

Recognition of Assets

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with Financial Management Regulation 17A (5). These assets are expensed immediately. Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

Note 8 - Fixed Assets

b) Disposal of Assets - 2022/23 Budget

The following assets are planned to be disposed of during the 2022/23 financial year.

Gains & Losses on Disposal of Assets

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in profit or loss in the period which they arise.

An amount of \$250,000 is also included in the 2022/23 Budget for the City's one twelfth share of the profit from land disposed of via the Tamala Park Regional Council. This is included in the Profit on Disposal of Assets figure on the Statement of Comprehensive Income.

Note 8 - Fixed Assets

Note 10 - Cash Backed Reserves

a) Purpose of Reserves

In accordance with previous Council resolutions establishing cash backed reserves, the purposes for which cash backed reserves are set aside are:

Technology Upgrade Reserve

This reserve was established to provide funding to enhance the City's core technology systems to facilitate service based resource allocation models and more transparent reporting of financial performance.

Organisational Reform Reserve

This reserve was established to fund the anticipated costs of the City of Perth Inquiry and to provide funding towards corporate recovery, organisational development, and capacity building.

Refuse Disposal & Treatment Reserve

The purpose of this reserve is to allow for the development, construction and purchase of facilities and plant for the treatment, transportation, and disposal of non-industrial refuse. It is also utilised to assist with the phasing in of significant increases in standard rubbish service charges when alternative waste stream processes are introduced.

Concert Hall Reserve

This reserve will be extinguished in Q1, 2022/23 with the transfer of \$4.0M to the state government to as a contribution towards the redevelopment of the Perth Concert Hall. The remaining funds in the reserve will be returned to general funds via the 2022/23 budget process.

Major Infrastructure Reserve

This reserve is established to provide funding flexibility to allow the accelerated delivery of large multi-year infrastructure projects where delivery synergies and cost savings can be gained through aggregation of project stages.

Asset Enhancement Reserve

The purpose of this reserve is to provide funds for the enhancement, replacement, refurbishment of the City's assets and the acquisition new assets or capital works. This reserve may also be applied to fund projects that may not necessarily be controlled by the City, but which may be carried out for the ultimate benefit of the City.

Parking Facilities Development

This reserve was established to enable parking facilities within the City and parking equipment to be developed and purchased.

Art Acquisition Reserve

This Reserve was established to fund future additions to the art collection of the City. It is funded from the proceeds of sale of artworks and the transfer of the unexpended annual allocation for art acquisitions.

Heritage Incentive Reserve

This reserve was established to fund heritage incentives to support the enhancement of properties on the City of Perth's heritage register.

Bonus Plot Ratio Reserve,

This reserve was established to hold contributions in respect of Bonus Plot Ratio entitlements pending expenditure on streetscape improvements and / or public art.

Enterprise & Initiative Reserve

This reserve was established to fund future strategic projects or initiatives that introduce or improve efficiencies and effectiveness in the City's operations.

David Jones Bridge Reserve

This reserve was established to fund major repairs, renovations, or replacement of the pedestrian bridge over Murray Street Mall between David Jones and Forrest Chase. Allocations to this reserve are made from unexpended maintenance contribution from the owner of the David Jones site.

Public Art Reserve

This reserve was established to provide financial capacity to support the commission of new and enduring public art identified in the City's Public Art Strategy. The reserve may be funded by allocations from the municipal fund, percent for art contributions, monetary contributions, gifts, or bequests.

Provisional Capital Program Reserve

This reserve is used to match delivery capacity with the proposed Capital Program. As projects are completed, this reserve will be drawn down to fund Capital projects expected to occur later in the year.

Parking Levy Reserve

This reserve was established to set aside funds to meet payment of the State Government's Parking Levy.

Employee Entitlements Reserve

This reserve was established to fund the non-current portion of employee entitlements for Long Service Leave and the estimated non-current portion for Annual Leave entitlements.

Council House Refurbishment

This reserve was established to fund future refurbishment of Council House to optimise the use of the available floor space and encourage more effective and efficient working arrangements.

Strategic Property Reserve

The purpose of this reserve is to support the funding of strategic land or commercial building acquisitions that may be used to generate future lease rental income streams to subsidise the City's rates and parking revenue streams, or to meet the City's operational storage needs.

Neighbourhood Initiatives Reserve

This reserve was established to support Neighbourhood Place Plans through providing funding to support minor discretionary projects initiated by the six city neighbourhoods.

Sponsorship Reserve

This reserve is used to manage the cashflow implications of sponsorships spanning multiple financial years.

Major Events Activations Reserve

This reserve was established to allow the City to leverage activations associated with third party run major national or international sporting events.

b) Funding & Use of Reserve Funds

Cash reserves are funded by Council and deployed strategically in accordance with the funding model contained in the City's ten-year Long Term Financial Plan 2022/23 - 2031/32.

d) Change of Purpose of Cash Backed Reserves

During the 2022/23 year, the City will be strategically redeploying funds from the former Perth Concert Hall Reserves back to Municipal funds. \$4.0M of this is to fund the contribution to support the Perth City Deal project to redevelop the facility.
