Development Application			

13/07/2023	The property has installed a combination of chain wire fencing (East), Brick low line fencing (North), pole and chain (South). Proposed to upgrade and replace the chain mesh and pole and chain to Garrison security fencing up to 1.8m around the Southern and Eastern end of the property, meeting with the existing Garrison fencing on the southern adjoining property. Garrison fencing will be additionally installed along the existing brick wall along the Northern (front) of the premises. Gates will be installed behind existing boom gates and additional gates will be installed at the Southern end of the premises. A pedestrian access gate will be replaced.	789 Wellington Street WEST PERTH WA 6005	DA-2023/5182
