

EAST PERTH:

A compact, mixed use, riverside neighbourhood centred on the Claisebrook Inlet.

PRECINCT BOUNDARY:

The area shown on the Precinct Plan Map as the East Perth Precinct reflects two areas as follows:-

- the area which was formally under the planning control of DevelopmentWA (DevWA) formerly MRA, but which is now under the planning control of the City of Perth, otherwise known as the "Normalised" area; and
- the area of land that remains is regulated by DevWA in accordance with the Metropolitan Redevelopment Authority Act 2011 that is not included in the normalised area of Precinct 15.

For the "Normalised" area of the East Perth Precinct the Council is the responsible authority for development approvals.

DEVELOPMENTWA (DEVWA):

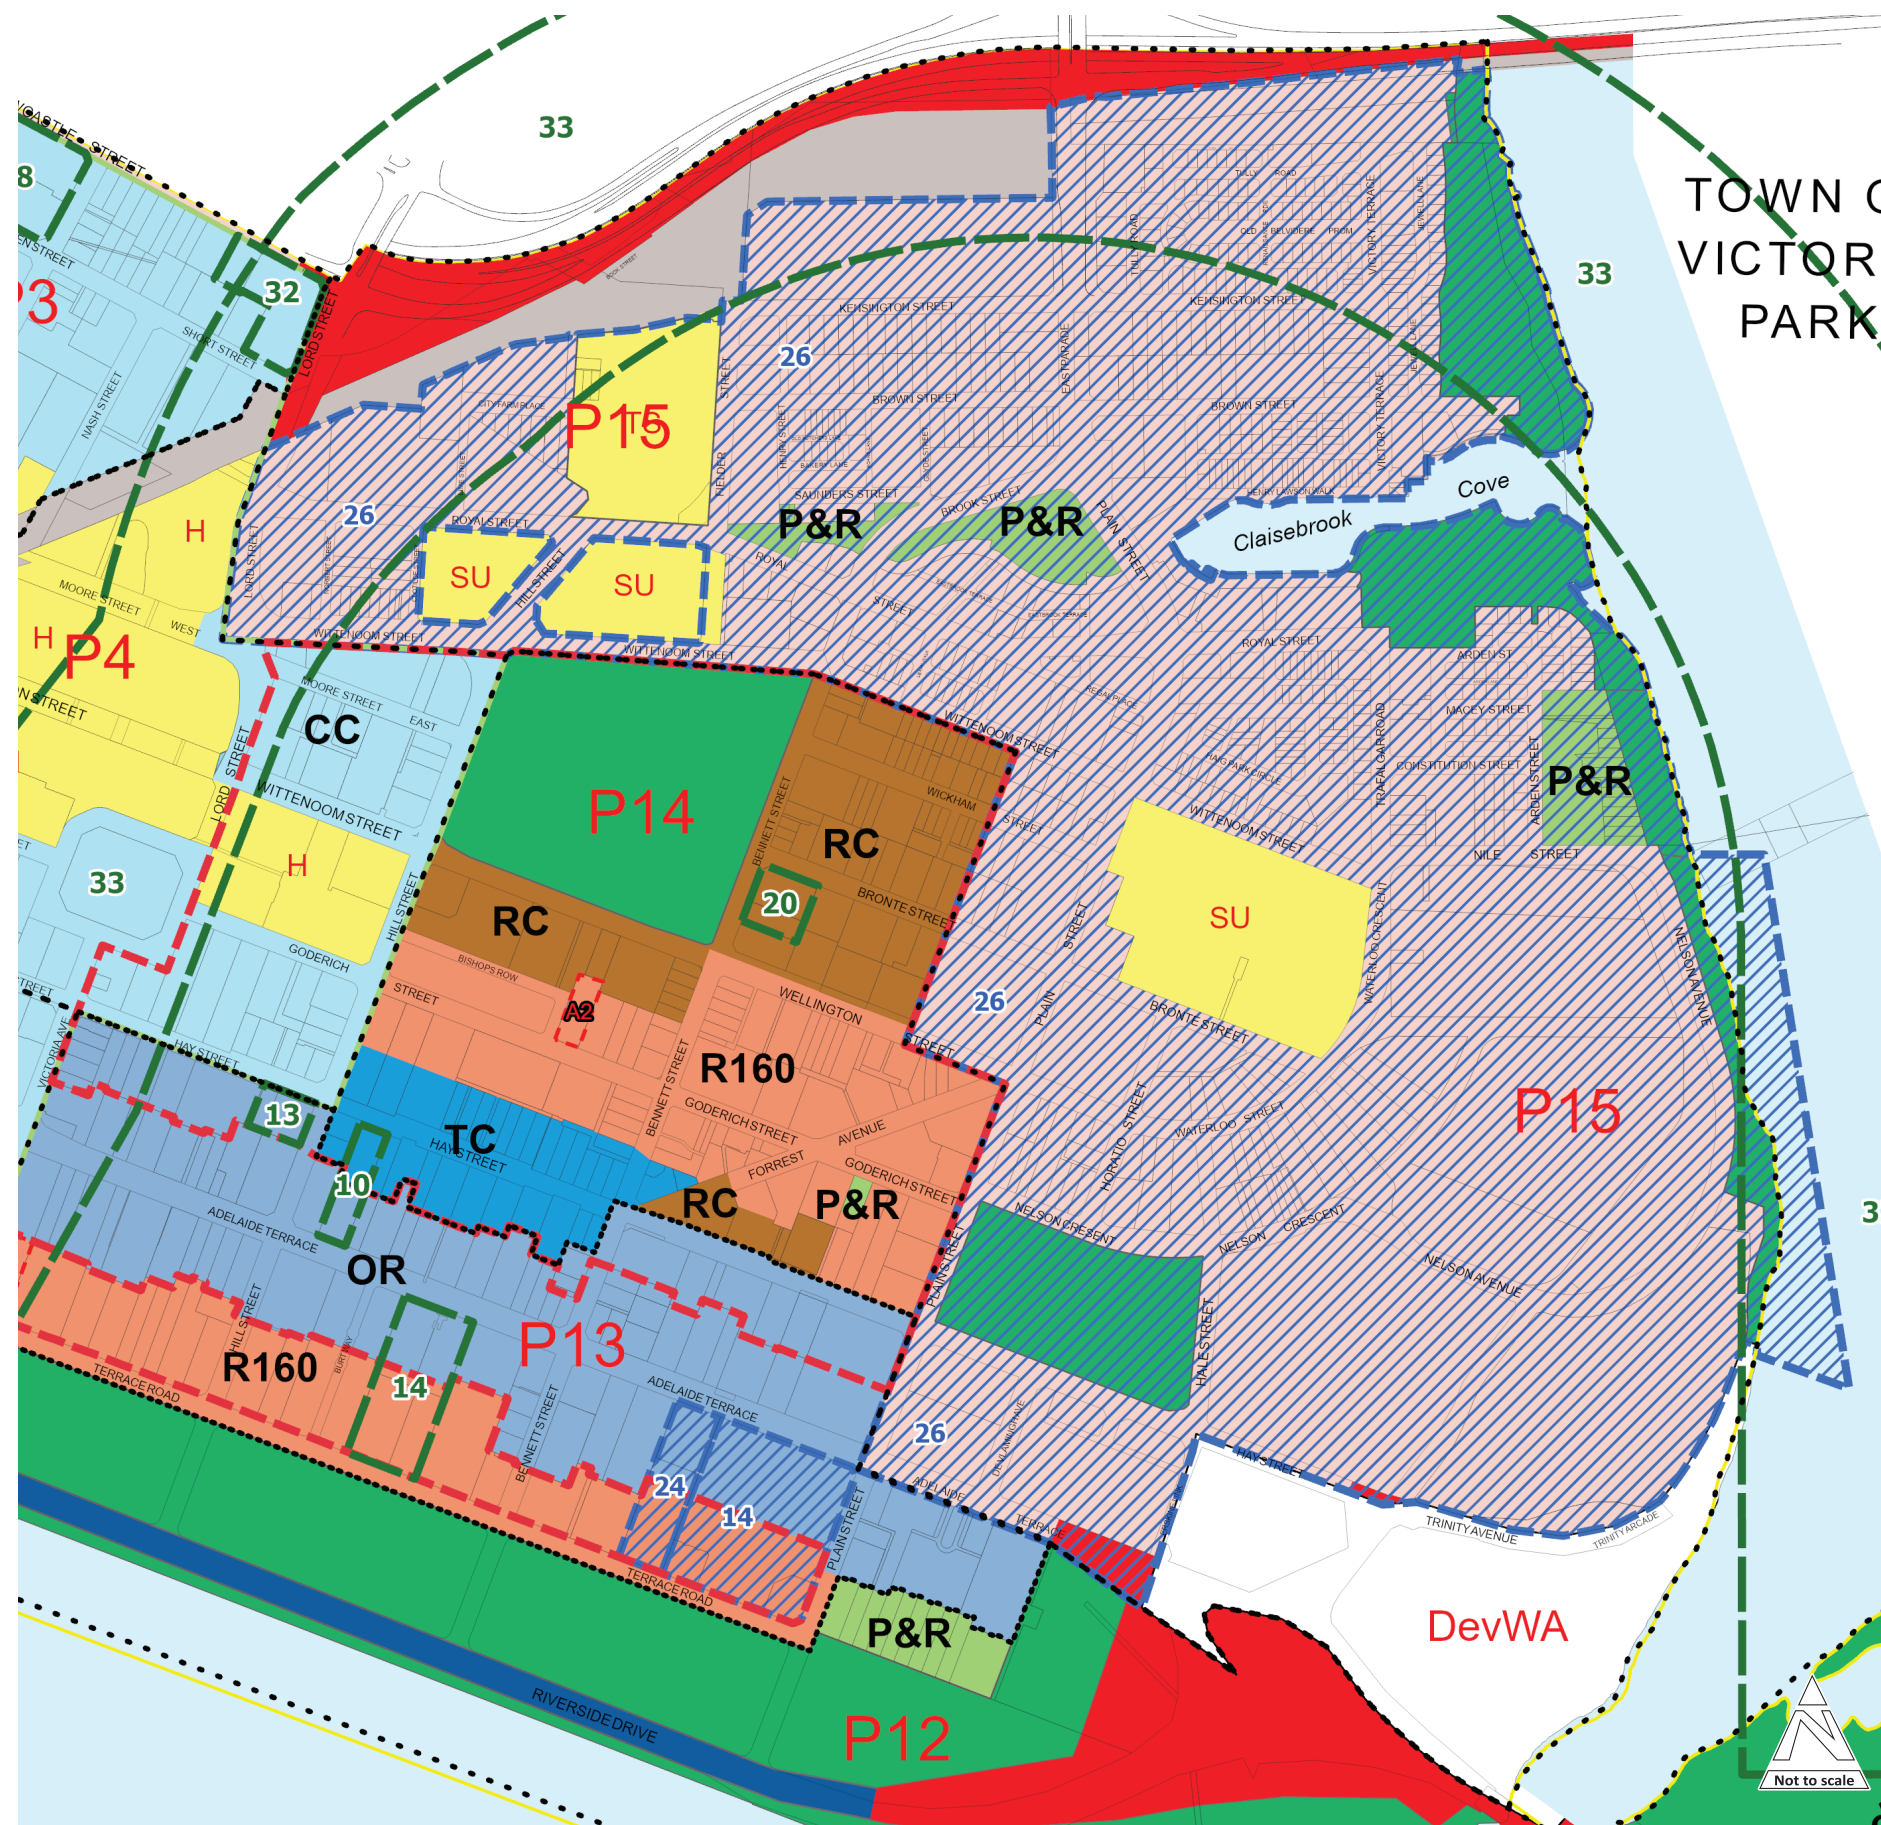

For DevWA regulated areas, development approvals must be obtained from DevWA. This includes Stage 2 redevelopment precincts: Royal Street West, Queens, Queens Gardens, WACA, Trinity College, Gloucester Park and Hillside until the normalisation process is finalised.

The local government is asked to comment on development applications, administer building, health and related controls and at times is involved in other major works including transport related matters.

The broad objectives for Precinct 15 will assist with the future development of the area, and includes the areas managed by the two separate regulatory bodies. It is aimed to facilitate a highly integrated living environment, incorporating shopping, civic, health, commercial, educational, entertainment, recreational and cultural facilities and therefore provide the basis for a diversified employment base.

SPECIAL CONTROL AREAS:

33 - Royal Perth Hospital Flight Path Protection
