

Creating Safer Spaces

RETAIL

Seven tips for reducing criminal opportunities in your retail spaces.

Turn over to see examples.

- 1 Whole retail areas clearly visible to staff and staff engage with customers early
- 2 CCTV with signage positioned over service area, store displays and customer areas
- 3 Support and service staff identifiable and available for customers
- 4 Clearly defined staff-only areas
- 5 Well-lit service area, store displays and customer areas
- 6 Signage indicating Terms of Entry or store conditions
- 7 Higher priced items closer to counter/ informal surveillance and/or physical presence of staff
