## Key Dates

The City will accept applications for Venue Support Grants at any time, however decisions will be made on a case-by-case basis in line with budget and strategic priorities.

---

**Applications Open**      **1 May 2024**

---

**Applications Close**      **30 April 2025**

---

Applicants are required to apply at a minimum of 8 weeks prior to the start of their event or project and must provide a public outcome before 30 June 2025.

This grant operates as exhaustive funding, and the City reserves the right to close the program once the available budget has been expended.

## Key Information

Prior to submitting a Venue Support Grant application, applicants should first check the suitability and availability with the venue. Applicants may then submit a booking request or event application with the venue.

The City will process the grant as in-kind support for the specific venue booking, on behalf of the successful applicant. If associated hire fees are more than the grant amount, the applicant will be invoiced for the additional fees or charges not covered under the venue support grant. All other details regarding the hire of the venue must be handled by the applicant.

The application will also be assessed in consultation with the preferred venue to discuss the ability to provide venue support at that time.

## Eligible costs

A Venue Support Grant is applicable to the venue hire cost only and does not extend to other city fees and charges or service costs outlined below.

## Ineligible costs

Applicants may only request in-kind support for venue hire fees. The following costs are not covered by this program:

- all associated bonds;
- waste and cleaning fees;
- staffing fees and costs;
- power consumption charges that may apply to venue use;
- security charges;

## How to Apply

Applications for Venue Support Grants must be submitted through the City's approved online management portal, **SmartyGrants**.

## Assessment Process

Applications are assessed in collaboration with the venue. Assessors may recommend full, part or no support to the decision-making authority. The recommendation is carefully considered with the view of maintaining the integrity of the proposal.

The City regularly received more funding applications than the available budget can accommodate. Therefore, successful applications are those that best satisfy the assessment criteria.

The City reserves the right to request further information in considering any application, as well as the right to reject any application for any reason.

## Decisions and Notifications

Applications may be accepted or rejected or part-funding approved, and the decision is final and not subject to any further appeal.

Allow up to 8 weeks to be notified of a decision for a Venue Support Grant.

## Acquittal Process

Successful applicants will be required to submit an acquittal report through SmartyGrants within three months of project or initiative completion. All sponsorships must be acquitted prior to being paid on a subsequent successful application for funding. Acquittal reports will be considered as part of future funding applications.

## Lobbying of Elected Members and Administrative Staff

Applicants or anyone representing the interests of applicants must not lobby or seek to influence the decision-making of Elected Members and administrative staff. If, during the period between submitting a funding application and a determination by Council, an applicant or any member of the public seeks to lobby any Elected Member or administrative staff, or attempts to provide additional information, either directly or indirectly, on any matter relating to the funding application, the person/organisation will be disqualified and the grant excluded from being considered for approval.
